

the selection, training, qualification, and assignment of personnel reporting to the director and of Government personnel who supervise, operate, or maintain naval nuclear propulsion plants.

SEC. 8. Within the Department of the Navy, the Secretary of the Navy shall assign to the director responsibility within the Navy for:

(a) the safety of reactors and associated naval nuclear propulsion plants, and control of radiation and radioactivity associated with naval nuclear propulsion activities, including prescribing and enforcing standards and regulations for these areas as they affect the environment and the safety and health of workers, operators, and the general public.

(b) administration of the Naval Nuclear Propulsion Program, including oversight of program support in areas such as security, nuclear safeguards and transportation, public information, procurement, logistics, and fiscal management.

SEC. 9. In addition to any other organizational assignments within the Department of the Navy, the director shall report directly to the Chief of Naval Operations. The director shall have direct access to the Secretary of the Navy and other senior officials in the Department of the Navy concerning naval nuclear propulsion matters, and to all other Government personnel who supervise, operate, or maintain naval nuclear propulsion plants and support facilities.

SEC. 10. This Order is effective on February 1, 1982.

RONALD REAGAN.

§ 2512. Management structure for nuclear security enterprise

(a) In general

The Administrator shall establish a management structure for the nuclear security enterprise in accordance with the National Nuclear Security Administration Act (50 U.S.C. 2401 et seq.).

(b) National Nuclear Security Administration Council

(1) The Administrator shall establish a council to be known as the “National Nuclear Security Administration Council”. The Council may advise the Administrator on—

- (A) scientific and technical issues relating to policy matters;
- (B) operational concerns;
- (C) strategic planning;
- (D) the development of priorities relating to the mission and operations of the Administration and the nuclear security enterprise; and
- (E) such other matters as the Administrator determines appropriate.

(2) The Council shall be composed of the directors of the national security laboratories and the nuclear weapons production facilities.

(3) The Council may provide the Administrator or the Secretary of Energy recommendations—

- (A) for improving the governance, management, effectiveness, and efficiency of the Administration; and
- (B) relating to any other matter in accordance with paragraph (1).

(4) Not later than 60 days after the date on which any recommendation under paragraph (3) is received, the Administrator or the Secretary, as the case may be, shall respond to the Council with respect to whether such recommendation will be implemented and the reasoning for implementing or not implementing such recommendation.

COMMON FINANCIAL REPORTING SYSTEM FOR THE NUCLEAR SECURITY ENTERPRISE

Pub. L. 114–328, div. C, title XXXI, § 3113, Dec. 23, 2016, 130 Stat. 2757, provided that:

“(a) IN GENERAL.—By not later than four years after the date of the enactment of this Act [Dec. 23, 2016], the Administrator for Nuclear Security shall, in consultation with the National Nuclear Security Administration Council established by section 4102(b) of the Atomic Energy Defense Act (50 U.S.C. 2512(b)), complete, to the extent practicable, the implementation of a common financial reporting system for the nuclear security enterprise.

“(b) ELEMENTS.—The common financial reporting system implemented pursuant to subsection (a) shall include the following:

“(1) Common data reporting requirements for work performed using funds of the National Nuclear Security Administration, including reporting of financial data by standardized labor categories, labor hours, functional elements, and cost elements.

“(2) A common work breakdown structure for the Administration that aligns contractor work breakdown structures with the budget structure of the Administration.

“(3) Definitions and methodologies for identifying and reporting costs for programs of records and base capabilities within the Administration.

“(4) A capability to leverage, where appropriate, the Defense Cost Analysis Resource Center of the Office of Cost Assessment and Program Evaluation of the Department of Defense using historical costing data by the Administration.

“(c) REPORTS.—

“(1) IN GENERAL.—Not later than March 1, 2017, and annually thereafter, the Administrator shall, in consultation with the National Nuclear Security Administration Council, submit to the congressional de-

fense committees [Committees on Armed Services and Appropriations of the Senate and the House of Representatives] a report on progress of the Administration toward implementing a common financial reporting system for the nuclear security enterprise as required by subsection (a).

“(2) REPORT.—Each report under this subsection shall include the following:

“(A) A summary of activities, accomplishments, challenges, benefits, and costs related to the implementation of a common financial reporting system for the nuclear security enterprise during the year preceding the year in which such report is submitted.

“(B) A summary of planned activities in connection with the implementation of a common financial reporting system for the nuclear security enterprise in the year in which such report is submitted.

“(C) A description of any anticipated modifications to the schedule for implementing a common financial reporting system for the nuclear security enterprise, including an update on possible risks, challenges, and costs related to such implementation.

“(3) TERMINATION.—No report is required under this subsection after the completion of the implementation of a common financial reporting system for the nuclear security enterprise.

“(d) NUCLEAR SECURITY ENTERPRISE DEFINED.—In this section, the term ‘nuclear security enterprise’ has the meaning given that term in section 4002 of the Atomic Energy Defense Act (50 U.S.C. 2501).”

INDUSTRY BEST PRACTICES IN OPERATIONS AT NATIONAL NUCLEAR SECURITY ADMINISTRATION FACILITIES AND SITES

Pub. L. 114-328, div. C, title XXXI, §3118, Dec. 23, 2016, 130 Stat. 2762, provided that:

“(a) COMMITTEE ON INDUSTRY BEST PRACTICES IN OPERATIONS.—The Administrator for Nuclear Security shall establish within the National Nuclear Security Administration a committee (in this section referred to as the ‘committee’) to identify and oversee the implementation of best practices of industry in the operations of the facilities and sites of the Administration for the purposes of—

“(1) improving mission performance and effectiveness;

“(2) lowering costs and administrative burdens; and

“(3) also both—

“(A) maintaining or reducing risks; and

“(B) preserving and protecting health, safety, and security.

“(b) MEMBERSHIP.—The committee shall be composed of personnel of the Administration assigned by the Administrator to the committee as follows:

“(1) The Principal Deputy Administrator for Nuclear Security, who shall serve as chair of the committee.

“(2) Government personnel representing the headquarters of the Administration.

“(3) Government personnel representing offices of facilities and sites of the Administration.

“(4) Contractor personnel representing the national security laboratories and the nuclear weapons production facilities (as those terms are defined in section 4002 of the Atomic Energy Defense Act (50 U.S.C. 2501)).

“(5) Such other personnel as the Administrator considers appropriate.

“(c) DUTIES.—The duties of the committee shall include the following:

“(1) To identify and oversee the implementation of best practices of industry in the operations of the facilities and sites of the Administration for the purposes described in subsection (a).

“(2) To conduct surveys of the facilities and sites of the Administration in order to assess the adoption, implementation, and use by such facilities and sites

of best practices of industry described in subsection (a).

“(3) To carry out such other activities consistent with the duties of the committee under this subsection as the Administrator may specify for purposes of this section.

“(d) ANNUAL REPORT.—

“(1) IN GENERAL.—Not later than 60 days after the date on which the budget of the President for a fiscal year after fiscal year 2017 is submitted to Congress pursuant to section 1105(a) of title 31, United States Code, the Administrator shall submit to the appropriate congressional committees a report on the activities of the committee under this section during the preceding calendar year.

“(2) ELEMENTS.—Each report under this subsection shall include, for the calendar year covered by such report, the following:

“(A) A description of the activities of the committee.

“(B) The results of the surveys undertaken pursuant to subsection (c)(2).

“(C) As a result of the surveys, recommendations for modifications to the scope or applicability of regulations and orders of the Department of Energy to particular facilities and sites of the Administration in order to implement best practices of industry in the operation of such facilities and sites, including—

“(i) a list of the facilities and sites at which such regulations and orders could be so modified; and

“(ii) for each such facility and site, the manner in which the scope or applicability of such regulations and orders could be so modified.

“(D) An assessment of the progress of the Administration in implementing best practices of industry in the operations of the facilities and sites of the Administration.

“(E) An estimate of the costs to be saved as a result of the best practices of industry implemented by the Administration at the facilities and sites of the Administration, set forth by fiscal year.

“(3) APPROPRIATE CONGRESSIONAL COMMITTEES DEFINED.—In this subsection, the term ‘appropriate congressional committees’ means—

“(A) the congressional defense committees [Committees on Armed Services and Appropriations of the Senate and the House of Representatives]; and

“(B) the Committee on Energy and Natural Resources of the Senate and the Committee on Energy and Commerce of the House of Representatives.

“(e) TERMINATION.—The committee shall terminate after the submittal under subsection (d) of the report required by that subsection that covers 2021.”

GOVERNANCE AND MANAGEMENT OF NUCLEAR SECURITY ENTERPRISE

Pub. L. 114-92, div. C, title XXXI, §3137, Nov. 25, 2015, 129 Stat. 1213, provided that:

“(a) SENSE OF CONGRESS.—It is the sense of Congress that—

“(1) correcting the longstanding problems with the governance and management of the nuclear security enterprise will require robust, personal, and long-term engagement by the President, the Secretary of Energy, the Administrator for Nuclear Security, and leaders from the appropriate congressional committees;

“(2) recent and past studies of the governance and management of the nuclear security enterprise have provided a list of reasonable, practical, and actionable steps that the Secretary and the Administrator should take to make the nuclear security enterprise more efficient and more effective; and

“(3) lasting and effective change to the nuclear security enterprise will require personal engagement by senior leaders, a clear plan, and mechanisms for ensuring follow-through and accountability.

“(b) IMPLEMENTATION PLAN.—

“(1) IMPLEMENTATION ACTION TEAM.—(A) The Secretary and the Administrator shall jointly establish a team of senior officials from the Department of Energy and the National Nuclear Security Administration to develop and carry out an implementation plan to reform the governance and management of the nuclear security enterprise to improve the effectiveness and efficiency of the nuclear security enterprise. Such plan shall be developed and implemented in accordance with the National Nuclear Security Administration Act (50 U.S.C. 2401 et seq.), the Atomic Energy Defense Act (50 U.S.C. 2501 et seq.), and any other provision of law.

“(B) The team established under paragraph (1) shall be co-chaired by the Deputy Secretary of Energy and the Administrator.

“(C) In developing and carrying out the implementation plan, the team shall consult with the implementation assessment panel established under subsection (c)(1).

“(2) ELEMENTS.—The implementation plan developed under paragraph (1)(A) shall address all recommendations contained in the covered study (except such recommendations that require legislative action to carry out) by identifying specific actions, milestones, timelines, and responsible personnel to implement such plan.

“(3) SUBMISSION.—Not later than March 31, 2016, the Secretary and the Administrator shall jointly submit to the appropriate congressional committees the implementation plan developed under paragraph (1)(A).

“(c) IMPLEMENTATION ASSESSMENT PANEL.—

“(1) AGREEMENT.—Not later than 60 days after the date of the enactment of this Act [Nov. 25, 2015], the Administrator shall seek to enter into a joint agreement with the National Academy of Sciences and the National Academy of Public Administration to establish a panel of external, independent experts to evaluate the implementation plan developed under subsection (b)(1)(A) and the implementation of such plan.

“(2) DUTIES.—The panel established under paragraph (1) shall—

“(A) provide guidance to the Secretary and the Administrator with respect to the implementation plan developed under subsection (b)(1)(A), including how such plan compares or contrasts with the covered study;

“(B) track the implementation of such plan; and

“(C) assess the effectiveness of such plan.

“(3) REPORTS.—(A) Not later than July 1, 2016, the panel established under paragraph (1) shall submit to the appropriate congressional committees, the Secretary, and the Administrator an initial assessment of the implementation plan developed under subsection (b)(1)(A), including with respect to the completeness of the plan, how the plan aligns with the intent and recommendations made by the covered study, and the prospects for success for the plan.

“(B) Beginning February 28, 2017, and semiannually thereafter through 2020, the panel established under paragraph (1) shall brief the appropriate congressional committees, the Secretary, and the Administrator on the efforts of the Secretary and the Administrator to implement the implementation plan developed under subsection (b)(1)(A).

“(C) Not later than September 30, 2020, the panel established under paragraph (1) shall submit to the appropriate congressional committees, the Secretary, and the Administrator a final report on the efforts of the Secretary and the Administrator to implement the implementation plan developed under subsection (b)(1)(A), including an assessment of the effectiveness of the reform efforts under such plan and whether further action is needed.

“(4) COOPERATION.—The Secretary and the Administrator shall provide to the panel established under paragraph (1) full and timely access to all information, personnel, and systems of the Department of Energy and the National Nuclear Security Adminis-

tration that the panel determines necessary to carry out this subsection.

“(d) DEFINITIONS.—In this section:

“(1) APPROPRIATE CONGRESSIONAL COMMITTEES.—The term ‘appropriate congressional committees’ means—

“(A) the Committee on Armed Services, the Committee on Appropriations, and the Committee on Energy and Natural Resources of the Senate; and

“(B) the Committee on Armed Services, the Committee on Appropriations, and the Committee on Energy and Commerce of the House of Representatives.

“(2) COVERED STUDY.—The term ‘covered study’ means the following:

“(A) The final report of the Congressional Advisory Panel on the Governance of the Nuclear Security Enterprise established by section 3166 of the National Defense Authorization Act for Fiscal Year 2013 (Public Law 112-239; 126 Stat. 2208).

“(B) Any other study not conducted by the Secretary or the Administrator that the Secretary determines appropriate for purposes of this section.

“(3) NUCLEAR SECURITY ENTERPRISE.—The term ‘nuclear security enterprise’ has the meaning given that term in section 4002(6) of the Atomic Energy Defense Act (50 U.S.C. 2501(6)).

“(e) RULES OF CONSTRUCTION.—Nothing in this section shall be construed to authorize any action—

“(1) in contravention of section 3220 of the National Nuclear Security Administration Act (50 U.S.C. 2410); or

“(2) that would undermine or weaken health, safety, or security.”

CLARIFICATION OF ROLE OF SECRETARY OF ENERGY

Pub. L. 113-66, div. C, title XXXI, §3141, Dec. 26, 2013, 127 Stat. 1069, provided that: “The amendment made by section 3113 of the National Defense Authorization Act for Fiscal Year 2013 (Public Law 112-239; 126 Stat. 2169) to section 4102 of the Atomic Energy Defense Act (50 U.S.C. 2512) may not be construed as affecting the authority of the Secretary of Energy, in carrying out national security programs, with respect to the management, planning, and oversight of the National Nuclear Security Administration or as affecting the delegation by the Secretary of authority to carry out such activities, as set forth under subsection (a) of such section 4102 as it existed before the amendment made by such section 3113.”

§ 2513. Restriction on licensing requirement for certain defense activities and facilities

None of the funds authorized to be appropriated by the Department of Energy National Security and Military Applications of Nuclear Energy Authorization Act of 1981 (Public Law 96-540; 94 Stat. 3197) or any other Act may be used for any purpose related to licensing of any defense activity or facility of the Department of Energy by the Nuclear Regulatory Commission.

(Pub. L. 107-314, div. D, title XLI, §4103, formerly Pub. L. 96-540, title II, §210, Dec. 17, 1980, 94 Stat. 3202; renumbered Pub. L. 107-314, div. D, title XLI, §4103, and amended Pub.
