

of Energy. The policy shall specify each officer within the Department with responsibilities for carrying out that policy and, for each such officer, the nature and extent of those responsibilities.

(2) In paragraph (1), the term “future defense environmental management matter” means any environmental cleanup project, decontamination and decommissioning project, waste management project, or related activity that arises out of the activities of the Department in carrying out programs necessary for national security and is to be commenced after November 24, 2003. However, such term does not include any such project or activity the responsibility for which has been assigned, as of November 24, 2003, to the Environmental Management program of the Department.

(b) Reflection in budget

For fiscal year 2006 and each fiscal year thereafter, the Secretary shall ensure that the budget justification materials submitted to Congress in support of the Department of Energy budget for such fiscal year (as submitted with the budget of the President under section 1105(a) of title 31) reflect the policy required by subsection (a).

(c) Consultation

The Secretary shall carry out this section in consultation with the Administrator for Nuclear Security and the Under Secretary of Energy for Energy, Science, and Environment.

(d) Report

The Secretary shall include with the budget justification materials submitted to Congress in support of the Department of Energy budget for fiscal year 2005 (as submitted with the budget of the President under section 1105(a) of title 31) a report on the policy that the Secretary plans to have in effect under subsection (a) as of October 1, 2005. The report shall specify the officers and responsibilities referred to in subsection (a).

§ 2602. Reports in connection with permanent closures of Department of Energy defense nuclear facilities

(a) Training and job placement services plan

Not later than 120 days before a Department of Energy defense nuclear facility permanently

ceases all production and processing operations, the Secretary of Energy shall submit to the Committees on Armed Services of the Senate and the House of Representatives a report containing a discussion of the training and job placement services needed to enable the employees at such facility to obtain employment in the defense environmental cleanup activities at such facility. The discussion shall include the actions that should be taken by the contractor operating and managing such facility to provide retraining and job placement services to employees of such contractor.

(b) Closure report

Upon the permanent cessation of production operations at a Department of Energy defense nuclear facility, the Secretary of Energy shall submit to Congress a report containing—

- (1) a complete survey of environmental problems at the facility;
- (2) budget quality data indicating the cost of defense environmental cleanup activities at the facility; and
- (3) a discussion of the proposed cleanup schedule.
