§ 2742. Reprogramming

(a) In general

Except as provided in subsection (b) and in sections 2750 and 2751 of this title, the Secretary of Energy may not use amounts appropriated pursuant to a DOE national security authorization for a program—

(1) in amounts that exceed, in a fiscal year—

(A) 115 percent of the amount authorized for that program by that authorization for that fiscal year; or

(B) \$5,000,000 more than the amount authorized for that program by that authorization for that fiscal year; or

(2) which has not been presented to, or requested of, Congress.

(b) Exception where notice-and-wait given

An action described in subsection (a) may be taken if—

(1) the Secretary submits to the congressional defense committees a report referred to in subsection (c) with respect to such action; and

(2) a period of 30 days has elapsed after the date on which such committees receive the report.

(c) Report

The report referred to in this subsection is a report containing a full and complete statement of the action proposed to be taken and the facts and circumstances relied upon in support of the proposed action.

(d) Computation of days

In the computation of the 30-day period under subsection (b), there shall be excluded any day on which either House of Congress is not in session because of an adjournment of more than three days to a day certain.

(e) Limitations

(1) Total amount obligated

In no event may the total amount of funds obligated pursuant to a DOE national security

authorization for a fiscal year exceed the total amount authorized to be appropriated by that authorization for that fiscal year.

(2) Prohibited items

Funds appropriated pursuant to a DOE national security authorization may not be used for an item for which Congress has specifically denied funds.

AMENDMENTS

2013—Subsec. (c). Pub. L. 113-66 substituted “this subsection” for “subsection (a)”.

2003—Subsec. (a). Pub. L. 108-136, §3141(j)(2)(D)(i), in introductory provisions, made technical amendment to reference in original act which appears in text as reference to sections 2750 and 2751 of this title.

§ 2743. Minor construction projects

(a) Authority

Using operation and maintenance funds or facilities and infrastructure funds authorized by a DOE national security authorization, the Secretary of Energy may carry out minor construction projects.

(b) Annual report

The Secretary shall submit to the congressional defense committees on an annual basis a report on each exercise of the authority in subsection (a) during the preceding fiscal year. Each report shall provide a brief description of each minor construction project covered by the report.

(c) Cost variation reports to congressional committees

If, at any time during the construction of any minor construction project authorized by a DOE national security authorization, the estimated cost of the project is revised and the revised cost of the project exceeds the minor construction threshold, the Secretary shall immediately submit to the congressional defense committees a report explaining the reasons for the cost variation.

(d) Minor construction project defined

In this section, the term “minor construction project” means any plant project not specifically authorized by law for which the approved total estimated cost does not exceed the minor construction threshold.
