

§ 2814. Department of Energy energy parks program

(a) In general

The Secretary of Energy may establish a program to permit the establishment of energy parks on former defense nuclear facilities.

(b) Objectives

The objectives for establishing energy parks pursuant to subsection (a) are the following:

- (1) To provide locations to carry out a broad range of projects relating to the development and deployment of energy technologies and related advanced manufacturing technologies.
- (2) To provide locations for the implementation of pilot programs and demonstration projects for new and developing energy technologies and related advanced manufacturing technologies.
- (3) To set a national example for the development and deployment of energy technologies and related advanced manufacturing technologies in a manner that will promote energy security, energy sector employment, and energy independence.
- (4) To create a business environment that encourages collaboration and interaction between the public and private sectors.

(c) Consultation

In establishing an energy park pursuant to subsection (a), the Secretary shall consult with—

- (1) the local government with jurisdiction over the land on which the energy park will be located;
- (2) the local governments of adjacent areas; and
- (3) any community reuse organization recognized by the Secretary at the former defense nuclear facility on which the energy park will be located.

(d) Report required

Not later than 120 days after January 7, 2011, the Secretary shall submit to the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives a report on the implementation of the program under subsection (a). The report shall include such recommendations for additional legislative actions as the Secretary considers appropriate to facilitate the development of energy parks on former defense nuclear facilities.

(e) Defense nuclear facility defined

In this section, the term “defense nuclear facility” has the meaning given the term “Department of Energy defense nuclear facility” in section 2286g of title 42.

(Pub. L. 111-383, div. C, title XXXI, § 3124, Jan. 7, 2011, 124 Stat. 4515.)

CODIFICATION

Section was enacted as part of the Ike Skelton National Defense Authorization Act for Fiscal Year 2011, and not as part of the Atomic Energy Defense Act which comprises this chapter.

§ 2901. Findings

The 9/11 Commission has made the following recommendations:

(1) Strengthen “counter-proliferation” efforts

The United States should work with the international community to develop laws and an international legal regime with universal jurisdiction to enable any state in the world to capture, interdict, and prosecute smugglers of nuclear material.

(2) Expand the Proliferation Security Initiative

In carrying out the Proliferation Security Initiative, the United States should—

- (A) use intelligence and planning resources of the North Atlantic Treaty Organization (NATO) alliance;
- (B) make participation open to non-NATO countries; and
- (C) encourage Russia and the People’s Republic of China to participate.

(3) Support the Cooperative Threat Reduction program

The United States should expand, improve, increase resources for, and otherwise fully support the Cooperative Threat Reduction program.

§ 2902. Definitions

In this chapter:

(1) The terms “prevention of weapons of mass destruction proliferation and terrorism” and “prevention of WMD proliferation and terrorism” include activities under—

- (A) the programs specified in section 1501(b) of the National Defense Authorization Act for Fiscal Year 1997 (Public Law 104–201; 110 Stat. 2731; 50 U.S.C. 2362 note);¹
- (B) the programs for which appropriations are authorized by section 3101(a)(2) of the Bob Stump National Defense Authorization Act for Fiscal Year 2003 (Public Law 107–314; 116 Stat. 2729);
- (C) programs authorized by section 5854 of title 22 and programs authorized by section 5902 of title 22; and
- (D) a program of any agency of the Federal Government having a purpose similar to that of any of the programs identified in subparagraphs (A) through (C), as designated by the United States Coordinator for the Prevention of Weapons of Mass Destruction Proliferation and Terrorism and the head of the agency.

(2) The terms “weapons of mass destruction” and “WMD” mean chemical, biological, and nuclear weapons, and chemical, biological, and nuclear materials used in the manufacture of such weapons.

(3) The term “items of proliferation concern” means—

- (A) equipment, materials, or technology listed in—
 - (i) the Trigger List of the Guidelines for Nuclear Transfers of the Nuclear Suppliers Group;
 - (ii) the Annex of the Guidelines for Transfers of Nuclear-Related Dual-Use Equipment, Materials, Software, and Related Technology of the Nuclear Suppliers Group; or
 - (iii) any of the Common Control Lists of the Australia Group; and
- (B) any other sensitive items.

SUBCHAPTER I—PROLIFERATION SECURITY INITIATIVE

§ 2911. Proliferation Security Initiative improvements and authorities

(a) Sense of Congress

It is the sense of Congress, consistent with the 9/11 Commission’s recommendations, that the President should strive to expand and strengthen the Proliferation Security Initiative (in this subchapter referred to as “PSI”) announced by the President on May 31, 2003, with a particular emphasis on the following:

(1) Issuing a presidential directive to the relevant United States Government agencies and departments that directs such agencies and departments to—

- (A) establish clear PSI authorities, responsibilities, and structures;
- (B) include in the budget request for each such agency or department for each fiscal year, a request for funds necessary for United States PSI-related activities; and
- (C) provide other necessary resources to achieve more efficient and effective performance of United States PSI-related activities.

(2) Increasing PSI cooperation with all countries.

(3) Implementing the recommendations of the Government Accountability Office (GAO) in the September 2006 report titled “Better Controls Needed to Plan and Manage Proliferation Security Initiative Activities” (GAO–06–937C) regarding the following:
