(1) For the efficient execution of the provisions of this chapter, and in order to provide information for the use of Congress, the Commission may make such investigations as it deems necessary to ascertain the facts regarding the operations of boards of trade and other persons subject to the provisions of this chapter. The Commission may publish from time to time the results of any such investigation and such general statistical information gathered therefrom as it deems of interest to the public: *Provided*, That except as otherwise specifically authorized in this chapter, the Commission may not publish data and information that would separately disclose the business transactions or market positions of any person and trade secrets or names of customers: *Provided further*, That the Commission may withhold from public disclosure any data or information concerning or obtained in connection with any pending investigation of any person. (3) The Commission shall provide the Securities and Exchange Commission with notice of the commencement of any proceeding and a copy of any order entered by the Commission against any futures commission merchant or introducing broker registered pursuant to section 6f(a)(2) of this title, any floor broker or floor trader exempt from registration pursuant to section 6f(a)(3) of this title, any associated person exempt from registration pursuant to section 6k(6) of this title, or any board of trade designated as a contract market pursuant to section 7b-1 of this title.
