(Pub. L. 104-127, title I, §115(a), Apr. 4, 1996, 110 Stat. 902.)

§ 7216. Violations of contract

(a) Termination of contract for violation

Except as provided in subsection (b), if an owner or producer subject to a contract violates a requirement of the contract specified in section 7211(a) of this title, the Secretary shall terminate the contract with respect to the owner or producer on each farm in which the owner or producer has an interest. On the termination, the owner or producer shall forfeit all rights to receive future contract payments on each farm in which the owner or producer has an interest and shall refund to the Secretary all contract payments received by the owner or producer during the period of the violation, together with interest on the contract payments as determined by the Secretary.

(b) Refund or adjustment

If the Secretary determines that a violation does not warrant termination of the contract under subsection (a), the Secretary may require the owner or producer subject to the contract—

- (1) to refund to the Secretary that part of the contract payments received by the owner or producer during the period of the violation, together with interest on the contract payments as determined by the Secretary; or
- (2) to accept a reduction in the amount of future contract payments that is proportionate to the severity of the violation, as determined by the Secretary.

(c) Foreclosure

(1) Effect of foreclosure

An owner or producer subject to a contract may not be required to make repayments to the Secretary of amounts received under the contract if the contract acreage has been foreclosed on and the Secretary determines that forgiving the repayments is appropriate to provide fair and equitable treatment.

(2) Resumption of operation

This subsection shall not void the responsibilities of the owner or producer under the contract if the owner or producer continues or resumes operation, or control, of the contract acreage. On the resumption of operation or control over the contract acreage by the owner or producer, the provisions of the contract in effect on the date of the foreclosure shall apply.

(d) Review

A determination of the Secretary under this section shall be considered to be an adverse decision for purposes of the availability of administrative review of the determination.

§ 7217. Transfer or change of interest in lands subject to contract

(a) Termination

Except as provided in subsection (c), a transfer of (or change in) the interest of an owner or producer subject to a contract in the contract acreage covered by the contract shall result in the termination of the contract with respect to the acreage, unless the transferee or owner of the acreage agrees to assume all obligations under the contract. The termination shall be effective on the date of the transfer or change.

(b) Modification

At the request of the transferee or owner, the Secretary may modify the contract if the modifications are consistent with the objectives of this subchapter, as determined by the Secretary.

(c) Exception

If an owner or producer who is entitled to a contract payment dies, becomes incompetent, or is otherwise unable to receive the contract payment, the Secretary shall make the payment, in accordance with regulations prescribed by the Secretary.
