Except as provided in paragraph (3), in establishing such target rates the Secretary shall take into consideration the portion of the population of the county made up of such groups, and the availability of inventory farmland in such county.

Any funds reserved and allocated under this paragraph but not used within a State shall, to the extent necessary to satisfy pending applications under this chapter, be available for use by socially disadvantaged farmers and ranchers in other States, as determined by the Secretary, and any remaining funds shall be reallocated within the State.
