The State may provide cash payments under the Project, subject to paragraph (2), that replace assistance otherwise available under the supplemental nutrition assistance program and under part A of title IV of the Social Security Act.

(2) The Project may be implemented only in accordance with this section and only if the Secretary of Health and Human Services approves an application submitted by the State permitting the State to include in the Project families who are eligible to receive benefits under part A of title IV of the Social Security Act.

## (b) Required terms and conditions of Project

The application submitted by the State under subsection (a) shall provide an assurance that the Project shall satisfy all of the following requirements:

(iii) any child support payments not assigned to the State under the provisions of part A of title IV of the Social Security Act, less \$50 per month, shall be considered part of the aggregate value of assistance participating families would receive if such families did not participate in the Project;

(ii) establish a mechanism to determine, for each participating family that has a set of characteristics identified under clause (i) whether such family could receive more assistance, in the aggregate, under the supplemental nutrition assistance program and part A of title IV of the Social Security Act if such family did not participate in the project;

(iii) increase the amount of assistance provided under the Project to any family that could receive more assistance, in the aggregate, under the supplemental nutrition assistance program and part A of title IV of the Social Security Act if such family did not participate in the Project, so that the assistance provided under the Project to such family is not less than the aggregate amount of assistance such family could receive under the supplemental nutrition assistance program and part A of title IV of the Social Security Act if such family did not participate in the Project; and

(iv) increase the amount of assistance paid to participating families, if the State or locality imposes a sales tax on food, by the amount needed to compensate for the tax.
