(a) Evidence and form

An applicant for naturalization shall make and file with the Attorney General a sworn application in writing, signed by the applicant in the applicant's own handwriting if physically able to write, which application shall be on a form prescribed by the Attorney General and shall include averments of all facts which in the opinion of the Attorney General may be material to the applicant's naturalization, and required to be proved under this subchapter. In the case of an applicant subject to a requirement of continuous residence under section 1427(a) or 1430(a) of this title, the application for naturalization may be filed up to 3 months before the date the applicant would first otherwise meet such continuous residence requirement.

Hearings under section 1447(a) of this title on applications for naturalization shall be held at regular intervals specified by the Attorney General.

(d) Filing of application

Except as provided in subsection (e), an application for naturalization shall be filed in the office of the Attorney General.

(e) Substitute filing place and administering oath other than before Attorney General

A person may file an application for naturalization other than in the office of the Attorney General, and an oath of allegiance administered other than in a public ceremony before the Attorney General or a court, if the Attorney General determines that the person has an illness or other disability which—
