

VII, §719, Nov. 30, 1993, 107 Stat. 1694, directed the Secretary of Defense to continue to conduct during fiscal years 1993 through 1996 a broad array of reform initiatives for furnishing health care to persons who were eligible to receive health care under chapter 55 of this title and to submit to Congress a report regarding such initiatives not later than Sept. 30, 1994, and further directed the Secretary to take certain steps to ensure the continuation of the CHAMPUS reform initiative in the States of California and Hawaii.

**MILITARY HEALTH CARE FOR PERSONS RELIANT ON HEALTH CARE FACILITIES AT BASES BEING CLOSED OR REALIGNED**

Pub. L. 102-484, div. A, title VII, §722, Oct. 23, 1992, 106 Stat. 2439, as amended by Pub. L. 108-136, div. A, title VII, §726, Nov. 24, 2003, 117 Stat. 1535; Pub. L. 110-181, div. A, title X, §1063(i), Jan. 28, 2008, 122 Stat. 324, directed the Secretary of Defense to establish a working group on the provision of military health care to persons who rely on health care facilities at military installations selected for closure or realignment and provided that the working group would terminate on Dec. 31, 2006.

**REQUIREMENTS PRIOR TO TERMINATION OF MEDICAL SERVICES AT MILITARY MEDICAL TREATMENT FACILITIES**

Pub. L. 101-510, div. A, title VII, §716, Nov. 5, 1990, 104 Stat. 1585, prohibited the Secretary of a military department, during the period beginning on Nov. 5, 1990, and ending on Sept. 30, 1995, from taking any action to close a military medical facility or reduce the level of care provided at such a facility until 90 days after the Secretary had submitted to Congress a report describing the reason for the action, projected savings, impact on costs, and alternative methods of providing care.

**REQUIREMENT FOR AVAILABILITY OF ADDITIONAL INSURANCE COVERAGE; FUNDING LIMITATIONS; DEFINITION**

Pub. L. 100-180, div. A, title VII, §732(e)-(g), Dec. 4, 1987, 101 Stat. 1120, 1121, required the Secretary of Defense to enter into an agreement that would provide individuals losing health care coverage under CHAMPUS an option to purchase an insurance plan that provided similar benefits to CHAMPUS.

**CHAMPUS REFORM INITIATIVE**

Pub. L. 102-484, div. A, title VII, §712, Oct. 23, 1992, 106 Stat. 2435, as amended by Pub. L. 103-160, div. A, title VII, §720, Nov. 30, 1993, 107 Stat. 1695; Pub. L. 103-337, div. A, title VII, §714(c), Oct. 5, 1994, 108 Stat. 2803, provided that the Secretary of Defense could not expand the CHAMPUS reform initiative beyond California and Hawaii until not less than 90 days after the date on which the Secretary certified that expansion to another location was the most efficient method of providing health care to beneficiaries, with an exception for locations adversely affected by military installation closures or realignments.

Pub. L. 102-190, div. A, title VII, §722, Dec. 5, 1991, 105 Stat. 1406, authorized the Secretary of Defense to enter into a replacement or successor contract upon the termination of the Department of Defense contract in effect on Dec. 5, 1991, under the CHAMPUS reform initiative.

Pub. L. 102-172, title VIII, §8032, Nov. 26, 1991, 105 Stat. 1178, extended the CHAMPUS reform initiative contract for California and Hawaii until Feb. 1, 1994, and required contracts to be competitively awarded for the geographic expansion of the reform initiative in certain other states and regions.

Pub. L. 101-510, div. A, title VII, §715, Nov. 5, 1990, 104 Stat. 1584, required the Secretary of Defense to make certain cost-effectiveness certifications to Congress before the CHAMPUS reform initiative underway in California and Hawaii could expand.

Pub. L. 99-661, div. A, title VII, §702, Nov. 14, 1986, 100 Stat. 3899, as amended by Pub. L. 100-180, div. A, title

VII, §732(a), (c), Dec. 4, 1987, 101 Stat. 1119, directed the Secretary of Defense to conduct a project, beginning no later than Sept. 30, 1988, to test new approaches for delivering health care to beneficiaries of the Civilian Health and Medical Program of the Uniformed Services (CHAMPUS) through the competitive selection of contractors to financially underwrite the delivery of health care services.

**DEFINITIONS**

Pub. L. 114-328, div. A, title VII, §701(i), Dec. 23, 2016, 130 Stat. 2190, provided that: "In this section [enacting sections 1075 and 1075a of this title, amending sections 1072, 1076d, 1076e, 1079a, 1095f, 1099, and 1110b of this title, and enacting provisions set out as notes under this section and sections 1072 and 1099 of this title]:

"(1) The terms 'uniformed services', 'covered beneficiary', 'TRICARE Extra', 'TRICARE for Life', 'TRICARE Prime', and 'TRICARE Standard', have the meaning given those terms in section 1072 of title 10, United States Code, as amended by subsection (j).

"(2) The term 'TRICARE Select' means the self-managed, preferred-provider network option under the TRICARE program established by section 1075 of such title, as added by subsection (a).

"(3) The term 'chronic conditions' includes diabetes, chronic obstructive pulmonary disease, asthma, congestive heart failure, hypertension, history of stroke, coronary artery disease, mood disorders, and such other diseases or conditions as the Secretary considers appropriate.

"(4) The term 'high-value medications and services' means prescription medications and clinical services for the management of chronic conditions that the Secretary determines would improve health outcomes and create health value for covered beneficiaries (such as preventive care, primary and specialty care, diagnostic tests, procedures, and durable medical equipment).

"(5) The term 'high-value provider' means an individual or institutional health care provider that provides health care under the purchased care component of the TRICARE program and that consistently improves the experience of care, meets established quality of care and effectiveness metrics, and reduces the per capita costs of health care.

"(6) The term 'value-based health care methodology' means a methodology for identifying specific prescription medications and clinical services provided under the TRICARE program for which reduction of copayments, cost shares, or both, would improve the management of specific chronic conditions because of the high value and clinical effectiveness of such medications and services for such chronic conditions."

**§ 1073a. Contracts for health care: best value contracting**

(a) **AUTHORITY.**—Under regulations prescribed by the administering Secretaries, health care contracts shall be awarded in the administration of this chapter to the offeror or offerors that will provide the best value to the United States to the maximum extent consistent with furnishing high-quality health care in a manner that protects the fiscal and other interests of the United States.

(b) **FACTORS CONSIDERED.**—In the determination of best value under subsection (a)—

(1) consideration shall be given to the factors specified in the regulations; and

(2) greater weight shall be accorded to technical and performance-related factors than to cost and price-related factors.

(c) **APPLICABILITY.**—The authority under the regulations prescribed under subsection (a) shall apply to any contract in excess of \$5,000,000.

(Added Pub. L. 106-65, div. A, title VII, §722(a), Oct. 5, 1999, 113 Stat. 695.)

COMPTROLLER GENERAL REVIEW OF DEFENSE HEALTH AGENCY OVERSIGHT OF TRANSITION BETWEEN MANAGED CARE SUPPORT CONTRACTORS FOR THE TRICARE PROGRAM

Pub. L. 115-232, div. A, title VII, §737, Aug. 13, 2018, 132 Stat. 1821, provided that:

“(a) BRIEFING AND REPORT ON CURRENT TRANSITION.—

“(1) IN GENERAL.—The Comptroller General of the United States shall provide to the Committees on Armed Services of the Senate and the House of Representatives a briefing and a report on a review by the Comptroller General of the oversight conducted by the Defense Health Agency with respect to the current transition between managed care support contractors for the TRICARE program. The briefing shall be provided by not later than July 1, 2019.

“(2) ELEMENTS.—The briefing and report under paragraph (1) shall each include the following:

“(A) A description and assessment of the extent to which the Defense Health Agency provided guidance and oversight to the outgoing and incoming managed care support contractors for the TRICARE program during the transition described in paragraph (1) and before the start of health care delivery by the incoming contractor.

“(B) A description and assessment of any issues with health care delivery under the TRICARE program as a result of or in connection with the transition, and, with respect to such issues—

“(i) the effect, if any, of the guidance and oversight provided by the Defense Health Agency during the transition on such issues; and

“(ii) the solutions developed by the Defense Health Agency for remediating any deficiencies in managed care support for the TRICARE program in connection with such issues.

“(C) A description and assessment of the extent to which the Defense Health Agency has reviewed any lessons learned from past transitions between managed care support contractors for the TRICARE program, and incorporated such lessons into the transition.

“(D) A review of the Department of Defense briefing provided in accordance with the provisions of the Report of the Committee on Armed Services of the House of Representatives to Accompany H.R. 5515 (115th Congress; House Report 115-676) on ‘TRICARE Managed Care Support Contractor Reporting.’

“(b) REPORT ON FUTURE TRANSITIONS.—Not later than 270 days after the completion of any future transition between managed care support contractors for the TRICARE program, the Comptroller General shall submit to the committees of Congress referred to in subsection (a)(1) a report on a review by the Comptroller General of the oversight conducted by the Defense Health Agency with respect to such transition. The report shall include each description and assessment specified in subparagraphs (A) through (C) of subsection (a)(2) with respect to such transition.

“(c) TRICARE PROGRAM DEFINED.—In this section, the term ‘TRICARE program’ has the meaning given that term in section 1072 of title 10, United States Code.”

VALUE-BASED PURCHASING AND ACQUISITION OF MANAGED CARE SUPPORT CONTRACTS FOR TRICARE PROGRAM

Pub. L. 114-328, div. A, title VII, §705, Dec. 23, 2016, 130 Stat. 2201, as amended by Pub. L. 115-91, div. A, title VII, §715, Dec. 12, 2017, 131 Stat. 1438; Pub. L. 116-92, div. A, title VII, §716, Dec. 20, 2019, 133 Stat. 1453, provided that:

“(a) VALUE-BASED HEALTH CARE.—

“(1) IN GENERAL.—The Secretary of Defense shall develop and implement value-based incentive pro-

grams as part of any contract awarded under chapter 55 of title 10, United States Code, for the provision of health care services to covered beneficiaries to encourage health care providers under the TRICARE program (including physicians, hospitals, and other persons and facilities involved in providing such health care services) to improve the following:

“(A) The quality of health care provided to covered beneficiaries under the TRICARE program.

“(B) The experience of covered beneficiaries in receiving health care under the TRICARE program.

“(C) The health of covered beneficiaries.

“(2) VALUE-BASED INCENTIVE PROGRAMS.—

“(A) DEVELOPMENT.—In developing value-based incentive programs under paragraph (1), the Secretary shall—

“(i) link payments to health care providers under the TRICARE program to improved performance with respect to quality, cost, and reducing the provision of inappropriate care;

“(ii) consider the characteristics of the population of covered beneficiaries affected by the value-based incentive program;

“(iii) consider how the value-based incentive program would affect the receipt of health care under the TRICARE program by such covered beneficiaries;

“(iv) establish or maintain an assurance that such covered beneficiaries will have timely access to health care during the operation of the value-based incentive program;

“(v) ensure that such covered beneficiaries do not incur any additional costs by reason of the value-based incentive program; and

“(vi) consider such other factors as the Secretary considers appropriate.

“(B) SCOPE AND METRICS.—With respect to a value-based incentive program developed and implemented under paragraph (1), the Secretary shall ensure that—

“(i) the size, scope, and duration of the value-based incentive program is reasonable in relation to the purpose of the value-based incentive program; and

“(ii) the value-based incentive program relies on the core quality performance metrics adopted pursuant to section 728 [amending section 1073b of this title and enacting provisions set out as notes under section 1071 of this title].

“(3) USE OF EXISTING MODELS.—In developing a value-based incentive program under paragraph (1), the Secretary may adapt a value-based incentive program conducted by a TRICARE managed care support contractor, the Centers for Medicare & Medicaid Services, or any other Federal Government, State government, or commercial health care program.

“(b) EXECUTION OF CONTRACTING RESPONSIBILITY.—With respect to any acquisition of managed care support services under the TRICARE program initiated after the date of the enactment of the National Defense Authorization Act for Fiscal Year 2018 [Dec. 12, 2017], the Under Secretary of Defense for Acquisition and Sustainment shall be responsible for—

“(1) decisions relating to such acquisition;

“(2) approving the acquisition strategy; and

“(3) conducting pre-solicitation, pre-award, and post-award acquisition reviews.

“(c) ACQUISITION OF CONTRACTS.—

“(1) STRATEGY.—Not later than January 1, 2018, the Secretary of Defense shall develop and implement a strategy to ensure that managed care support contracts under the TRICARE program entered into with private sector entities—

“(A) improve access to health care for covered beneficiaries;

“(B) improve health outcomes for covered beneficiaries;

“(C) improve the quality of health care received by covered beneficiaries;

“(D) enhance the experience of covered beneficiaries in receiving health care; and

“(E) lower per capita costs to the Department of Defense of health care provided to covered beneficiaries.

“(2) APPLICABILITY OF STRATEGY.—

“(A) IN GENERAL.—The strategy required by paragraph (1) shall apply to all managed care support contracts under the TRICARE program entered into with private sector entities.

“(B) MODIFICATION OF CONTRACTS.—Contracts entered into prior to the implementation of the strategy required by paragraph (1) shall be modified to ensure consistency with such strategy.

“(3) LOCAL, REGIONAL, AND NATIONAL HEALTH PLANS.—In developing and implementing the strategy required by paragraph (1), the Secretary shall ensure that local, regional, and national health plans have an opportunity to participate in the competition for managed care support contracts under the TRICARE program.

“(4) CONTINUOUS INNOVATION.—The strategy required by paragraph (1) shall include incentives for the incorporation of innovative ideas and solutions into managed care support contracts under the TRICARE program through the use of teaming agreements, subcontracts, and other contracting mechanisms that can be used to develop and continuously refresh high-performing networks of health care providers at the national, regional, and local level.

“(5) ELEMENTS OF STRATEGY.—The strategy required by paragraph (1) shall provide for the following with respect to managed care support contracts under the TRICARE program:

“(A) The maximization of flexibility in the design and configuration of networks of individual and institutional health care providers, including a focus on the development of high-performing networks of health care providers.

“(B) The establishment of an integrated medical management system between military medical treatment facilities and health care providers in the private sector that, when appropriate, effectively coordinates and integrates health care across the continuum of care.

“(C) With respect to telehealth services—

“(i) the maximization of the use of such services to provide real-time interactive communications between patients and health care providers and remote patient monitoring; and

“(ii) the use of standardized payment methods to reimburse health care providers for the provision of such services.

“(D) The use of value-based reimbursement methodologies, including through the use of value-based incentive programs under subsection (a), that transfer financial risk to health care providers and managed care support contractors.

“(E) The use of financial incentives for contractors and health care providers to receive an equitable share in the cost savings to the Department resulting from improvement in health outcomes for covered beneficiaries and the experience of covered beneficiaries in receiving health care.

“(F) The use of incentives that emphasize prevention and wellness for covered beneficiaries receiving health care services from private sector entities to seek such services from high-value health care providers.

“(G) The adoption of a streamlined process for enrollment of covered beneficiaries to receive health care and timely assignment of primary care managers to covered beneficiaries.

“(H) The elimination of the requirement for a referral to be authorized prior receiving specialty care services at a facility of the Department of Defense or through the TRICARE program.

“(I) The use of incentives to encourage covered beneficiaries to participate in medical and lifestyle intervention programs.

“(6) RURAL, REMOTE, AND ISOLATED AREAS.—In developing and implementing the strategy required by paragraph (1), the Secretary shall—

“(A) assess the unique characteristics of providing health care services in Alaska, Hawaii, and the territories and possessions of the United States, and in rural, remote, or isolated locations in the contiguous 48 States;

“(B) consider the various challenges inherent in developing robust networks of health care providers in those locations;

“(C) develop a provider reimbursement rate structure in those locations that ensures—

“(i) timely access of covered beneficiaries to health care services;

“(ii) the delivery of high-quality primary and specialty care;

“(iii) improvement in health outcomes for covered beneficiaries; and

“(iv) an enhanced experience of care for covered beneficiaries; and

“(D) ensure that managed care support contracts under the TRICARE program in those locations will—

“(i) establish individual and institutional provider networks that will provide timely access to care for covered beneficiaries, including pursuant to such networks relating to an Indian tribe or tribal organization that is party to the Alaska Native Health Compact with the Indian Health Service or has entered into a contract with the Indian Health Service to provide health care in rural Alaska or other locations in the United States; and

“(ii) deliver high-quality care, better health outcomes, and a better experience of care for covered beneficiaries.

“(d) REPORT PRIOR TO CERTAIN CONTRACT MODIFICATIONS.—Not later than 60 days before the date on which the Secretary of Defense first modifies a contract awarded under chapter 55 of title 10, United States Code, to implement a value-based incentive program under subsection (a), or the managed care support contract acquisition strategy under subsection (c), the Secretary shall submit to the Committees on Armed Services of the Senate and the House of Representatives a report on any implementation plan of the Secretary with respect to such value-based incentive program or managed care support contract acquisition strategy.

“(e) COMPTROLLER GENERAL REPORT.—

“(1) IN GENERAL.—Not later than 180 days after the date on which the Secretary submits the report under subsection (d), the Comptroller General of the United States shall submit to the Committees on Armed Services of the Senate and the House of Representatives a report that assesses the compliance of the Secretary of Defense with the requirements of subsection (a) and subsection (c).

“(2) ELEMENTS.—The report required by paragraph (1) shall include an assessment of the following:

“(A) Whether the approach of the Department of Defense for acquiring managed care support contracts under the TRICARE program—

“(i) improves access to care;

“(ii) improves health outcomes;

“(iii) improves the experience of care for covered beneficiaries; and

“(iv) lowers per capita health care costs.

“(B) Whether the Department has, in its requirements for managed care support contracts under the TRICARE program, allowed for—

“(i) maximum flexibility in network design and development;

“(ii) integrated medical management between military medical treatment facilities and network providers;

“(iii) the maximum use of the full range of telehealth services;

“(iv) the use of value-based reimbursement methods that transfer financial risk to health care providers and managed care support contractors;

“(v) the use of prevention and wellness incentives to encourage covered beneficiaries to seek health care services from high-value providers;

“(vi) a streamlined enrollment process and timely assignment of primary care managers;

“(vii) the elimination of the requirement to seek authorization for referrals for specialty care services;

“(viii) the use of incentives to encourage covered beneficiaries to engage in medical and lifestyle intervention programs; and

“(ix) the use of financial incentives for contractors and health care providers to receive an equitable share in cost savings resulting from improvements in health outcomes and the experience of care for covered beneficiaries.

“(C) Whether the Department has considered, in developing requirements for managed care support contracts under the TRICARE program, the following:

“(i) The unique characteristics of providing health care services in Alaska, Hawaii, and the territories and possessions of the United States, and in rural, remote, or isolated locations in the contiguous 48 States;

“(ii) The various challenges inherent in developing robust networks of health care providers in those locations.

“(iii) A provider reimbursement rate structure in those locations that ensures—

“(I) timely access of covered beneficiaries to health care services;

“(II) the delivery of high-quality primary and specialty care;

“(III) improvement in health outcomes for covered beneficiaries; and

“(IV) an enhanced experience of care for covered beneficiaries.

“(f) DEFINITIONS.—In this section:

“(1) The terms ‘covered beneficiary’ and ‘TRICARE program’ have the meaning given those terms in section 1072 of title 10, United States Code.

“(2) The term ‘high-performing networks of health care providers’ means networks of health care providers that, in addition to such other requirements as the Secretary of Defense may specify for purposes of this section, do the following:

“(A) Deliver high quality health care as measured by leading health quality measurement organizations such as the National Committee for Quality Assurance and the Agency for Healthcare Research and Quality.

“(B) Achieve greater efficiency in the delivery of health care by identifying and implementing within such network improvement opportunities that guide patients through the entire continuum of care, thereby reducing variations in the delivery of health care and preventing medical errors and duplication of medical services.

“(C) Improve population-based health outcomes by using a team approach to deliver case management, prevention, and wellness services to high-need and high-cost patients.

“(D) Focus on preventive care that emphasizes—

“(i) early detection and timely treatment of disease;

“(ii) periodic health screenings; and

“(iii) education regarding healthy lifestyle behaviors.

“(E) Coordinate and integrate health care across the continuum of care, connecting all aspects of the health care received by the patient, including the patient’s health care team.

“(F) Facilitate access to health care providers, including—

“(i) after-hours care;

“(ii) urgent care; and

“(iii) through telehealth appointments, when appropriate.

“(G) Encourage patients to participate in making health care decisions.

“(H) Use evidence-based treatment protocols that improve the consistency of health care and eliminate ineffective, wasteful health care practices.”

### § 1073b. Recurring reports and publication of certain data

(a) ANNUAL REPORT ON RECORDING OF HEALTH ASSESSMENT DATA IN MILITARY HEALTH RECORDS.—The Secretary of Defense shall issue each year a report on the compliance by the military departments with applicable law and policies on the recording of health assessment data in military health records, including compliance with section 1074f(c) of this title. The report shall cover the calendar year preceding the year in which the report is submitted and include a discussion of the extent to which immunization status and predeployment and post-deployment health care data are being recorded in such records.

(b) PUBLICATION OF DATA ON PATIENT SAFETY, QUALITY OF CARE, SATISFACTION, AND HEALTH OUTCOME MEASURES.—(1) The Secretary of Defense shall publish on a publically available Internet website of the Department of Defense data on all measures that the Secretary considers appropriate that are used by the Department to assess patient safety, quality of care, patient satisfaction, and health outcomes for health care provided under the TRICARE program at each military medical treatment facility. Such data shall include the core quality performance metrics adopted by the Secretary under section 728 of the National Defense Authorization Act for Fiscal Year 2017.

(2) The Secretary shall publish an update to the data published under paragraph (1) not less frequently than once each quarter during each fiscal year.

(3) The Secretary may not include data relating to risk management activities of the Department in any publication under paragraph (1) or update under paragraph (2).

(4) The Secretary shall ensure that the data published under paragraph (1) and updated under paragraph (2) is accessible to the public through the primary Internet website of the Department and the primary Internet website of the military medical treatment facility with respect to which such data applies.
