§ 2339a. Requirements for information relating to supply chain risk

(a) AUTHORITY.—Subject to subsection (b), the head of a covered agency may—

- (2) limit, notwithstanding any other provision of law, in whole or in part, the disclosure of information relating to the basis for carrying out a covered procurement action.

(b) DETERMINATION AND NOTIFICATION.—The head of a covered agency may exercise the authority provided in subsection (a) only after—

(2) making a determination in writing, in unclassified or classified form, with the concurrence of the Under Secretary of Defense for Acquisition and Sustainment, that—

- (B) less intrusive measures are not reasonably available to reduce such supply chain risk; and
- (C) in a case where the head of the covered agency plans to limit disclosure of information under subsection (a)(2), the risk to national security due to the disclosure of such information outweighs the risk due to not disclosing such information; and

(3) providing a classified or unclassified notice of the determination made under paragraph (2) to the appropriate congressional committees, which notice shall include—

- (A) the information required by section 2304(f)(3) of this title;

(c) DELEGATION.—The head of a covered agency may not delegate the authority provided in subsection (a) or the responsibility to make a determination under subsection (b) to an official below the level of the service acquisition executive for the agency concerned.

(d) LIMITATION ON DISCLOSURE.—If the head of a covered agency has exercised the authority provided in subsection (a)(2) to limit disclosure of information—

- (1) no action undertaken by the agency head under such authority shall be subject to review in a bid protest before the Government Accountability Office or in any Federal court; and
- (2) the agency head shall—

(A) notify appropriate parties of a covered procurement action and the basis for such action only to the extent necessary to effectuate the covered procurement action;

(B) notify other Department of Defense components or other Federal agencies responsible for procurements that may be subject to the same or similar supply chain risk, in a manner and to the extent consistent with the requirements of national security; and
