(a) GENERAL REQUIREMENTS FOR HUNTING, FISHING, AND TRAPPING.—The Secretary of Defense shall, with respect to each military installation or facility under the jurisdiction of any military department in a State—

(1) require that all hunting, fishing, and trapping at that installation or facility be in accordance with the fish and game laws of the State in which it is located;

(2) require that an appropriate license for hunting, fishing, or trapping on that installation or facility be obtained, except that with respect to members of the armed forces, such a license may be required only if the State authorizes the issuance of a license to a member on active duty for a period of more than thirty days at an installation or facility within that State, without regard to residence requirements, and upon terms otherwise not less fa-

vorable than the terms upon which such a license is issued to residents of that State; and

The notification shall be provided at least 30 days before implementation of the waiver.

(c) VIOLATIONS.—Whoever is guilty of an act or omission which violates a requirement prescribed under subsection (a)(1) or (2), which act or omission would be punishable if committed or omitted within the jurisdiction of the State in which the installation or facility is located, by the laws thereof in effect at the time of that act or omission, is guilty of a like offense and is subject to a like punishment.
