The Secretary concerned may carry out this section using funds available for operations and maintenance or for military construction.

(c) RESTORATION OF DEPARTMENT OF DEFENSE LAND USED BY OTHER AGENCY.—(1) As a condition of any permit, license, or other grant of access entered into by the Secretary of a military department with another Federal agency authorizing the agency to use lands under the control of the Secretary, the Secretary may require the agency to agree to remove any improvements and to take any other action necessary in the judgment of the Secretary to restore the land used by the agency to its condition before its use by the agency.

(2) In lieu of performing any removal or restoration work under paragraph (1), a Federal agency may elect, with the consent of the Secretary, to reimburse the Secretary for the costs incurred by the military department in performing such removal or restoration work.

(d) WILDLAND FIRES ON STATE LAND.—The Secretary of Defense may, in any lease, permit, license, or other grant of access for use of lands owned by a State, agree to reimburse the State for the reasonable costs of the State in suppressing wildland fires caused by the activities of the Department of Defense under such lease, permit, license, or other grant of access.

(e) RESTORATION OF LAND DAMAGED BY MISHAP.—(1) When land under the administrative jurisdiction of a Federal agency that is not a part of the Department of Defense is damaged as the result of a mishap involving a vessel, aircraft, or

vehicle of the Department of Defense, the Secretary of Defense may, with the consent of the Federal agency, restore the land.

(2) When land under the administrative jurisdiction of the Department of Defense or a military department is damaged as the result of a mishap involving a vessel, aircraft, or vehicle of a Federal agency that is not a part of the Department of Defense, the head of the Federal agency under whose control the vessel, aircraft, or vehicle was operating may, with the consent of the Department of Defense, restore the land.

(3) The authority under paragraphs (1) and (2) includes activities and expenditures necessary to complete restoration to meet the regulations of the Federal department or agency with administrative jurisdiction over the affected land, which may be different than the regulations of the Department of Defense.
