1987—Subsec. (a)(1). Pub. L. 100-180, §2301(1), substituted “The Secretary concerned” for “The Secretaries of the military departments, with the approval of the Secretary of Defense,” and inserted provision at end that such procedures may be used by the Secretary of a military department only with the approval of the Secretary of Defense.

Subsec. (a)(2). Pub. L. 100-26 inserted “the term” after “In this section,”.

Subsec. (b). Pub. L. 100-180, §2301(2), inserted “Secretary of Defense, with respect to any Defense Agency, or the” after “The”.

EFFECTIVE DATE

Pub. L. 99-167, title VIII, §807(c), Dec. 3, 1985, 99 Stat. 989, provided that: “The amendments made by this section [enacting this section] shall take effect on October 1, 1986.”

§ 2863. Payment of contractor claims

Notwithstanding any other provision of law, the Secretary concerned may pay meritorious contractor claims that arise under military construction contracts or family housing contracts. The Secretary of Defense, with respect to a Defense Agency, or the Secretary of a military department may use for such purpose any unobligated funds appropriated to such department and available for military construction or family housing construction, as the case may be.

(Added Pub. L. 100-180, div. B, subdiv. 3, title I, §2303(a), Dec. 4, 1987, 101 Stat. 1215.)

§ 2864. Master plans for major military installations

(a) PLANS REQUIRED.—(1) At a time interval prescribed by the Secretary concerned (but not less frequently than once every 10 years), the commander of each major military installation under the jurisdiction of the Secretary shall ensure that an installation master plan is developed to address environmental planning, sustainable design and development, sustainable range planning, real property master planning, military installation resilience, and transportation planning.

(2) To address the requirements under paragraph (1), each installation master plan shall include consideration of—

- (A) planning for compact and infill development;
- (B) horizontal and vertical mixed-use development;
- (C) the full lifecycle costs of real property planning decisions;
- (D) capacity planning through the establishment of growth boundaries around cantonment areas to focus development towards the core and preserve range and training space; and
- (E) energy and climate resiliency efforts.

(b) TRANSPORTATION COMPONENT.—(1) The transportation component of the master plan for a major military installation shall be developed and updated in consultation with the metropolitan planning organization designated for the metropolitan planning area in which the military installation is located.

(2) To address the requirements under subsection (a) and paragraph (1), each installation
