- (1) to create an FHA program, participation in which is voluntary on the part of homeowners and existing loan holders to insure refinanced loans for distressed borrowers to support long-term, sustainable homeownership;
- (2) to allow homeowners to avoid foreclosure by reducing the principle¹ balance outstanding, and interest rate charged, on their mortgages;
- (3) to help stabilize and provide confidence in mortgage markets by bringing transparency to the value of assets based on mortgage assets;
- (4) to target mortgage assistance under this section to homeowners for their principal residence;
- (5) to enhance the administrative capacity of the FHA to carry out its expanded role under the HOPE for Homeowners Program;

¹ So in original. Probably should be “principal”.

(6) to ensure the HOPE for Homeowners Program remains in effect only for as long as is necessary to provide stability to the housing market; and

(7) to provide servicers of delinquent mortgages with additional methods and approaches to avoid foreclosure.

(c) Establishment and implementation of program requirements

(1) Duties of Secretary

In order to carry out the purposes of the HOPE for Homeowners Program, the Secretary, after consultation with the Board, shall—

(A) establish requirements and standards for the program consistent with section 1709(b) of this title to the maximum extent possible; and

(B) prescribe such regulations and provide such guidance as may be necessary or appropriate to implement such requirements and standards.

(2) Duties of the Secretary

In carrying out any of the program requirements or standards established under paragraph (1), the Secretary may issue such interim guidance and mortgagee letters as the Secretary determines necessary or appropriate.

To be eligible for insurance under this section, a refinanced eligible mortgage shall comply with all of the following requirements:

(1) Borrower certification

(A) No intentional default or false information

The mortgagor shall provide a certification to the Secretary that the mortgagor has not intentionally defaulted on the existing mortgage or mortgages or any other substantial debt within the last 5 years and has not knowingly, or willfully and with actual knowledge, furnished material information known to be false for the purpose of obtaining the eligible mortgage to be insured and has not been convicted under Federal or State law for fraud during the 10-year period ending upon the insurance of the mortgage under this section.

(B) Liability for repayment

The mortgagor shall agree in writing that the mortgagor shall be liable to repay to the Secretary any direct financial benefit achieved from the reduction of indebtedness on the existing mortgage or mortgages on the residence refinanced under this section

derived from misrepresentations made by the mortgagor in the certifications and documentation required under this paragraph, subject to the discretion of the Secretary.

(C) Current borrower debt-to-income ratio

As of the date of application for a commitment to insure or insurance under this section, the mortgagor shall have had, or thereafter is likely to have, due to the terms of the mortgage being reset, a ratio of mortgage debt to income, taking into consideration all existing mortgages of that mortgagor at such time, greater than 31 percent (or such higher amount as the Secretary determines appropriate).

(2) Determination of principal obligation amount

The principal obligation amount of the refinanced eligible mortgage to be insured shall—

(A) Required agreement

All holders of outstanding mortgage liens on the property to which the eligible mortgage relates shall agree to accept the proceeds of the insured loan and any payments made under this paragraph, as payment in full of all indebtedness under the eligible mortgage, and all encumbrances related to such eligible mortgage shall be removed. The Secretary may take such actions as may be necessary and appropriate to facilitate coordination and agreement between the holders of the existing senior mortgage and any existing subordinate mortgages, taking into consideration the subordinate lien status of such subordinate mortgages. Such actions may include making payments, which shall be accepted as payment in full of all indebtedness under the eligible mortgage, to any holder of an existing subordinate mortgage, in lieu of any future appreciation payments authorized under subparagraph (B).

(B) Shared appreciation

(i) In general

The Secretary may establish standards and policies that will allow for the payment to the holder of any existing subordinate mortgage of a portion of any future

appreciation in the property secured by such eligible mortgage that is owed to the Secretary pursuant to subsection (k).

(ii) Factors

In establishing the standards and policies required under clause (i), the Secretary shall take into consideration—

(I) the status of any subordinate mortgage;

(II) the outstanding principal balance of and accrued interest on the existing senior mortgage and any outstanding subordinate mortgages;

(C) Voluntary program

This paragraph may not be construed to require any holder of any existing mortgage to participate in the program under this section generally, or with respect to any particular loan.

(5) Term of mortgage

The refinanced eligible mortgage to be insured shall—

(A) bear interest at a single rate that is fixed for the entire term of the mortgage; and

In complying with the FHA underwriting requirements under the HOPE for Homeowners Program under this section, the mortgagee shall document and verify the income of the mortgagor or non-filing status in accordance with procedures and standards that the Secretary shall establish (provided that such procedures and standards are consistent with section 1709(b) of this title to the maximum extent possible) which may include requiring the mortgagee to procure a copy of the income tax returns from the Internal Revenue Service, for the two most recent years for which the filing deadline for such years has passed.

(11) Primary residence

The mortgagor shall provide documentation satisfactory in the determination of the Secretary to prove that the residence covered by the mortgage to be insured under this section is occupied by the mortgagor as the primary residence of the mortgagor, and that such residence is the only residence in which the mortgagor has any present ownership interest, except that the Secretary may provide exceptions to such latter requirement (relating to present ownership interest) for any mortgagor who has inherited a property.

The Board shall conduct a study of the need for and efficacy of an auction or bulk refinancing mechanism to facilitate refinancing of existing residential mortgages that are at risk for foreclosure into mortgages insured under this section. (2) Content

(A) Analysis

The study required under paragraph (1) shall analyze—

(iii) whether the use of an auction or bulk refinance program is necessary to stabilize the housing market and reduce the impact of turmoil in that market on the economy of the United States;

(iv) whether there are other mechanisms or authority that would be useful to reduce foreclosure; and

(v) and any other factors that the Board considers relevant.

(B) Determinations

To the extent that the Board finds that a facility of the type described in subparagraph (A) is feasible and useful, the study shall—

(i) determine and identify any additional authority or resources needed to establish and operate such a mechanism;

(ii) determine whether there is a need for additional authority with respect to the loan underwriting criteria established in this section or with respect to eligibility of participating borrowers, lenders, or holders of liens;

(iii) determine whether such underwriting criteria should be established on the basis of individual loans, in the aggregate, or otherwise to facilitate the goal of refinancing borrowers at risk of foreclosure into viable loans insured under this section.

(3) Report

Not later than the expiration of the 60-day period beginning on July 30, 2008, the Board shall submit a report regarding the results of the study conducted under this subsection to the Committee on Financial Services of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate.
