§ 1764. Expulsion and withdrawal

(a) Expulsion by two-thirds vote

Except as provided in subsection (b) of this section, a member may be expelled by a two-thirds vote of the members of a Federal credit union present at a special meeting called for the purpose, but only after opportunity has been given him to be heard.

(b) Expulsion based on nonparticipation

The board of directors of a Federal credit union may, by majority vote of a quorum of directors, adopt and enforce a policy with respect to expulsion from membership based on nonparticipation by a member in the affairs of the credit union. In establishing its policy, the board should consider a member's failure to vote in annual credit union elections or failure to purchase shares from, obtain a loan from, or lend to the Federal credit union. If such a policy is adopted, written notice of the policy as adopted and the effective date of such policy shall be mailed to each member of the credit union at the member's current address appearing on the records of the credit union not less than thirty days prior to the effective date of such policy. In addition, each new member shall be provided written notice of any such policy prior to or upon applying for membership.

(c) Liability to credit union

Withdrawal or expulsion of a member pursuant to either subsection (a) or (b) of this section shall not operate to relieve him from liability to the Federal credit union. The amount to be paid a withdrawing or expelled member by a Federal credit union shall be determined and paid in a manner specified in the bylaws.

§ 1766. Powers of Board

(a) The Board may prescribe rules and regulations for the administration of this chapter (including, but not by way of limitation, the merger, consolidation, and dissolution of corporations organized under this chapter). Any central credit union chartered by the Board shall be subject to such rules, regulations, and orders as the Board deems appropriate and, except as otherwise specifically provided in such rules, regulations, or orders, shall be vested with or subject to the same rights, privileges, duties, restrictions, penalties, liabilities, conditions, and limitations that would apply to all Federal credit unions under this chapter.

(b)(1) The Board may suspend or revoke the charter of any Federal credit union, or place the same in involuntary liquidation and appoint a liquidating agent therefor, upon its finding that the organization is bankrupt or insolvent, or has violated any of the provisions of its charter, its bylaws, this chapter, or any regulations issued thereunder.

(2) The Board, through such persons as it shall designate, may examine any Federal credit union in voluntary liquidation and, upon its finding that such voluntary liquidation is not being conducted in an orderly or efficient manner or in the best interests of its members, may terminate such voluntary liquidation and place such organization in involuntary liquidation and appoint a liquidating agent therefor.

(3) Such liquidating agent shall have power and authority, subject to the control and supervision of the Board and under such rules and regulations as the Board may prescribe, (A) to receive and take possession of the books, records, assets, and property of every description of the Federal credit union in liquidation, to sell, enforce collection of, and liquidate all such assets and property, to compound all bad or doubtful debts, and to sue in his own name or in the name of the Federal credit union in liquidation, and defend such actions as may be brought against him as liquidating agent or against the Federal credit union; (B) to receive, examine, and pass upon all claims against the Federal credit union in liquidation, including claims of members on member accounts; (C) to make distribution and payment to creditors and members as their interests may appear; and (D) to execute such documents and papers and to do such other acts and things which he may deem necessary or desirable to discharge his duties hereunder.

(4) Subject to the control and supervision of the Board and under such rules and regulations as the Board may prescribe, the liquidating agent of a Federal credit union in involuntary liquidation shall (A) cause notice to be given to creditors and members to present their claims and make legal proof thereof, which notice shall be published once a week in each of three successive weeks in a newspaper of general circulation in each county in which the Federal credit union in liquidation maintained an office or branch for the transaction of business on the

date it ceased unrestricted operations; except that whenever the aggregate book value of the assets and property of a Federal credit union in involuntary liquidation is less than \$1,000, unless the Board shall find that its books and records do not contain a true and accurate record of its liabilities he shall declare such Federal credit union in liquidation to be a “no publication” liquidation, and publication of notice to creditors and members shall not be required in such case; (B) from time to time make a ratable dividend on all such claims as may have been proved to his satisfaction or adjudicated in a court of competent jurisdiction and, after the assets of such organization have been liquidated, make further dividends on all claims previously proved or adjudicated, and he may accept in lieu of a formal proof of claim on behalf of any creditor or member the statement of any amount due to such creditor or member as shown on the books and records of the credit union; but all claims not filed before payment of the final dividend shall be barred and claims rejected or disallowed by the liquidating agent shall be likewise barred unless suit be instituted thereon within three months after notice of rejection or disallowance; and (C) in a “no publication” liquidation, determine from all sources available to him, and within the limits of available funds of the Federal credit union, the amounts due to creditors and members, and after sixty days shall have elapsed from the date of his appointment distribute the funds of the Federal credit union to creditors and members ratably and as their interests may appear.

(5) Upon certification by the liquidating agent in the case of an involuntary liquidation, and upon such proof as shall be satisfactory to the Board in the case of a voluntary liquidation, that distribution has been made and that liquidation has been completed, as provided herein, the Board shall cancel the charter of such Federal credit union; but the corporate existence of the Federal credit union shall continue for a period of three years from the date of such cancellation of its charter, during which period the liquidating agent, or his duly appointed successor, or such persons as the Board shall designate, may act on behalf of the Federal credit union for the purpose of paying, satisfying, and discharging any existing liabilities or obligations, collecting and distributing its assets, and doing all other acts required to adjust and wind up its business and affairs, and it may sue and be sued in its corporate name.

(c) After the expiration of five years from the date of cancellation of the charter of a Federal credit union the Board may, in its discretion, destroy any or all books and records of such Federal credit union in its possession or under its control.

(d) The Board is authorized and empowered to execute any and all functions and perform any and all duties vested in it hereby, through such persons as it shall designate or employ; and it may delegate to any person or persons, including any institution operating under the general supervision of the Administration, the performance and discharge of any authority, power, or function vested in it by this chapter.

(e) All books and records of Federal credit unions shall be kept and reports shall be made
