

(b) Billing error

For the purpose of this section, a “billing error” consists of any of the following:

- (1) A reflection on a statement of an extension of credit which was not made to the obligor or, if made, was not in the amount reflected on such statement.
- (2) A reflection on a statement of an extension of credit for which the obligor requests additional clarification including documentary evidence thereof.
- (3) A reflection on a statement of goods or services not accepted by the obligor or his designee or not delivered to the obligor or his designee in accordance with the agreement made at the time of a transaction.
- (4) The creditor’s failure to reflect properly on a statement a payment made by the obligor or a credit issued to the obligor.
- (5) A computation error or similar error of an accounting nature of the creditor on a statement.
- (6) Failure to transmit the statement required under section 1637(b) of this title to the last address of the obligor which has been disclosed to the creditor, unless that address was furnished less than twenty days before the end of the billing cycle for which the statement is required.
- (7) Any other error described in regulations of the Bureau.

(c) Action by creditor to collect amount or any part thereof regarded by obligor to be a billing error

For the purposes of this section, “action to collect the amount, or any part thereof, indicated by an obligor under paragraph (2)” does not include the sending of statements of account, which may include finance charges on amounts in dispute, to the obligor following written notice from the obligor as specified under subsection (a), if—

- (1) the obligor’s account is not restricted or closed because of the failure of the obligor to pay the amount indicated under paragraph (2) of subsection (a), and
- (2) the creditor indicates the payment of such amount is not required pending the creditor’s compliance with this section.

Nothing in this section shall be construed to prohibit any action by a creditor to collect any amount which has not been indicated by the obligor to contain a billing error.

(d) Restricting or closing by creditor of account regarded by obligor to contain a billing error

Pursuant to regulations of the Bureau, a creditor operating an open end consumer credit plan may not, prior to the sending of the written explanation or clarification required under paragraph (B)(ii), restrict or close an account with respect to which the obligor has indicated pursuant to subsection (a) that he believes such account to contain a billing error solely because of the obligor’s failure to pay the amount indicated to be in error. Nothing in this subsection shall be deemed to prohibit a creditor from applying against the credit limit on the obligor’s account the amount indicated to be in error.

(e) Effect of noncompliance with requirements by creditor

Any creditor who fails to comply with the requirements of this section or section 1666a of this title forfeits any right to collect from the obligor the amount indicated by the obligor under paragraph (2) of subsection (a) of this section, and any finance charges thereon, except that the amount required to be forfeited under this subsection may not exceed \$50.

§ 1666a. Regulation of credit reports**(a) Reports by creditor on obligor’s failure to pay amount regarded as billing error**

After receiving a notice from an obligor as provided in section 1666(a) of this title, a credi-

tor or his agent may not directly or indirectly threaten to report to any person adversely on the obligor's credit rating or credit standing because of the obligor's failure to pay the amount indicated by the obligor under section 1666(a)(2) of this title, and such amount may not be reported as delinquent to any third party until the creditor has met the requirements of section 1666 of this title and has allowed the obligor the same number of days (not less than ten) thereafter to make payment as is provided under the credit agreement with the obligor for the payment of undisputed amounts.

(b) Reports by creditor on delinquent amounts in dispute; notification of obligor of parties notified of delinquency

If a creditor receives a further written notice from an obligor that an amount is still in dispute within the time allowed for payment under subsection (a) of this section, a creditor may not report to any third party that the amount of the obligor is delinquent because the obligor has failed to pay an amount which he has indicated under section 1666(a)(2) of this title, unless the creditor also reports that the amount is in dispute and, at the same time, notifies the obligor of the name and address of each party to whom the creditor is reporting information concerning the delinquency.

(c) Reports by creditor of subsequent resolution of delinquent amounts

A creditor shall report any subsequent resolution of any delinquencies reported pursuant to subsection (b) to the parties to whom such delinquencies were initially reported.

§ 1666b. Timing of payments

(a) Time to make payments

A creditor may not treat a payment on a credit card account under an open end consumer credit plan as late for any purpose, unless the creditor has adopted reasonable procedures designed to ensure that each periodic statement including the information required by section 1637(b) of this title is mailed or delivered to the consumer not later than 21 days before the payment due date.

(b) Grace period

If an open end consumer credit plan provides a time period within which an obligor may repay any portion of the credit extended without incurring an additional finance charge, such additional finance charge may not be imposed with respect to such portion of the credit extended for the billing cycle of which such period is a part, unless a statement which includes the amount upon which the finance charge for the period is based was mailed or delivered to the consumer not later than 21 days before the date specified in the statement by which payment must be made in order to avoid imposition of that finance charge.

§ 1666c. Prompt and fair crediting of payments

(a) In general

Payments received from an obligor under an open end consumer credit plan by the creditor shall be posted promptly to the obligor's account as specified in regulations of the Bureau. Such regulations shall prevent a finance charge from being imposed on any obligor if the creditor has received the obligor's payment in readily identifiable form, by 5:00 p.m. on the date on which such payment is due, in the amount, manner, and location indicated by the creditor to avoid the imposition thereof.

(b) Application of payments

(1) In general

Upon receipt of a payment from a cardholder, the card issuer shall apply amounts in excess of the minimum payment amount first to the card balance bearing the highest rate of interest, and then to each successive balance bearing the next highest rate of interest, until the payment is exhausted.

(2) Clarification relating to certain deferred interest arrangements

A creditor shall allocate the entire amount paid by the consumer in excess of the minimum payment amount to a balance on which interest is deferred during the last 2 billing cycles immediately preceding the expiration of the period during which interest is deferred.

(c) Changes by card issuer

If a card issuer makes a material change in the mailing address, office, or procedures for handling cardholder payments, and such change causes a material delay in the crediting of a cardholder payment made during the 60-day period following the date on which such change took effect, the card issuer may not impose any late fee or finance charge for a late payment on the credit card account to which such payment was credited.
