SUBCHAPTER II—ASBESTOS HAZARD EMERGENCY RESPONSE

§ 2641. Congressional findings and purpose

(a) Findings

The Congress finds the following:

(1) The Environmental Protection Agency’s rule on local educational agency inspection for, and notification of, the presence of friable asbestos-containing material in school buildings includes neither standards for the proper identification of asbestos-containing material and appropriate response actions with respect to friable asbestos-containing material, nor a requirement that response actions with respect to friable asbestos-containing material be carried out in a safe and complete manner once actions are found to be necessary. As a result of the lack of regulatory guidance from the Environmental Protection Agency, some schools have not undertaken response action
