

in 18 months after November 9, 1978. Such study shall address the effect (both separately and in combination) of the following factors upon the items listed in paragraph (2): incremental pricing; marginal cost pricing; end user gas consumption taxes; wellhead natural gas pricing policies; demand-commodity rate design; declining block rates; interruptible service; seasonal rate differentials; and end user rate schedules.

(2) The items referred to in paragraph (1) are as follows:

(A) natural gas pipeline and local distribution company load factors;

(B) rates to each class of user, including residential, commercial, and industrial users;

(C) the change in total costs resulting from gas utility designs (including capital and operating costs) to gas consumers or classes thereof;

(D) demand for, and consumption of, natural gas;

(E) end use profiles of natural gas pipelines and local distribution companies; and

(F) competition with alternative fuels.

#### (b) Proposals

Based upon the study prepared pursuant to subsection (a), the Secretary shall develop proposals to improve gas utility rate design and to encourage conservation of natural gas. Such proposals shall include any comments and recommendations of the Commission.

#### (c) Transmission to Congress

The proposals prepared under subsection (b), shall be transmitted, together with any legislative recommendations, to each House of Congress not later than 6 months after the date of submission of the study under subsection (a). Such proposals shall be accompanied by an analyses<sup>1</sup> of—

(1) the projected savings (if any) in consumption of natural gas, and other energy resources,

(2) changes (if any) in the cost of natural gas to consumers, which are likely to result from the implementation nationally of each of such proposals, and

(3) the effects of the proposals on other provisions of this Act on gas utility rate structures.

#### (d) Public participation

The Secretary shall provide for public participation in the conduct of the study under subsection (a), and the preparation of proposals under subsection (b).

### § 3207. Judicial review and enforcement

#### (a) Limitation of Federal jurisdiction

(1) Notwithstanding any other provision of law, no court of the United States shall have jurisdiction over any action arising under any provision of this chapter except for—

(A) an action over which a court of the United States has jurisdiction under paragraph (2), or

(B) review in the Supreme Court of the United States in accordance with sections 1257 and 1258 of title 28.

(2) The Secretary may bring an action in any appropriate court of the United States to enforce his right to intervene under section 3205 of this title, and such court shall have jurisdiction to grant appropriate relief.

#### (b) Enforcement

(1) Any person may bring an action to enforce the requirements of this chapter in the appropriate State court. Such action in a State court shall be pursuant to applicable State procedures.

(2) Nothing in this chapter shall authorize the Secretary to appeal or otherwise seek judicial review of the decisions of a State regulatory authority or nonregulated gas utility or to become a party to any action to obtain such review or appeal. The Secretary may participate as an amicus curiae in any judicial review of an action arising under the provisions of this chapter.

#### DEFINITIONS

The definition of State in section 2602 of Title 16, Conservation, applies to this section.

### § 3209. Reports respecting standards

#### (a) State authorities and nonregulated utilities

Not later than 1 year after November 9, 1978, and annually thereafter for 10 years, each State regulatory authority (with respect to each gas utility for which it has ratemaking authority), and each nonregulated gas utility, shall report to the Secretary, in such manner as the Secretary shall prescribe, respecting its consideration of the standards established by this chapter. Such report shall include a summary of the determinations made and actions taken with respect to each of such standards on a utility-by-utility basis.

#### (b) Secretary

Not later than 18 months after November 9, 1978, and annually thereafter for 10 years, the

Secretary shall submit a report to the President and the Congress containing—

- (1) a summary of the reports submitted under subsection (a),
- (2) his analysis of such reports, and
- (3) his actions under this chapter, and his recommendations for such further Federal actions, including any legislation, regarding retail gas utility rates (and other practices) as may be necessary to carry out the purposes of this chapter.

**§ 3301. Definitions**

For purposes of this chapter—

**(1) Natural gas**

The term "natural gas" means either natural gas unmixed, or any mixture of natural and artificial gas.

**(2) Well**

The term "well" means any well for the discovery or production of natural gas, crude oil, or both.

**(3) New well**

The term "new well" means any well—

(A) the surface drilling of which began on or after February 19, 1977; or

(B) the depth of which was increased, by means of drilling on or after February 19, 1977, to a completion location which is located at least 1,000 feet below the depth of the deepest completion location of such well attained before February 19, 1977.

**(4) Old well**

The term "old well" means any well other than a new well.

**(5) Marker well**

**(A) General rule**

The term "marker well" means any well from which natural gas was produced in commercial quantities at any time after January 1, 1970, and before April 20, 1977.

**(B) New wells**

The term "marker well" does not include any new well under paragraph (3)(A) but includes any new well under paragraph (3)(B) if
