

(5) those developments or facilities necessary for the public enjoyment and use of the recreation area, when such development or facilities do not detract from the purposes of the recreation area; and

(6) public service land occupancies, including power transmission lines, provided there is no feasible alternative location, and, the Secretary finds that it is in the public interest to locate such facilities within the recreation area.

(f) Wilderness lands

The following lands within the recreation area are hereby designated as wilderness and therefore as components of the National Wilderness Preservation System, and shall, notwithstanding any other provisions of this section, be administered by the Secretary in accordance with the applicable provisions of the Wilderness Act [16 U.S.C. 1131 et seq.]: Certain lands in the Umpqua, Willamette, and Winema National Forests which comprise approximately fifty-five thousand one hundred acres, are generally depicted on a map dated March 1984, entitled "Mount Thielsen Wilderness—Proposed", and which shall be known as the Mount Thielsen Wilderness; and certain lands in the Willamette and Deschutes National Forests, which comprise approximately fifteen thousand seven hundred acres, are generally depicted on a map dated March 1984, entitled "Diamond Peak Wilderness Additions—Proposed", and which are hereby incorporated in, and which shall be deemed to be a part of, the Diamond Peak Wilderness as designated in Public Law 88-577.

(g) Forest plans; integrated management plans

Management direction for the recreation area shall be developed in either the forest plans developed for the Umpqua, Winema, Deschutes and Willamette Forests in accordance with section 6 of the Forest and Rangeland Renewable Resources Planning Act of 1974, as amended [16 U.S.C. 1604], or in an integrated management plan that shall be prepared within three years from June 26, 1984, and revised in accordance with the Forest and Rangeland Renewable Resources Planning Act of 1974, as amended [16 U.S.C. 1600 et seq.]. Any plan developed by the Secretary for the recreation area shall identify and designate specific and appropriate areas and routes for the use of motorized recreation vehicles within the recreation area.

MAP OF RECREATION AREA

Pub. L. 98-328, §5(a), June 26, 1984, 98 Stat. 277, provided in part that as soon as practicable after June 6, 1984, the Secretary of Agriculture was to file the map referred to in this section with the Committee on Energy and Natural Resources, Senate, and the Committee on Interior and Insular Affairs, House of Representatives, and that such map would have the same force and effect as if included in this section: *Provided*, That correction of clerical and typographical errors in such map could be made. Such map was to be on file and available for public inspection in the Office of the Chief of the Forest Service, Department of Agriculture; and the Director, Bureau of Land Management, Department of the Interior.

SUBCHAPTER CI—MOUNT BAKER
RECREATION AREA

§ 460pp. Establishment

(a) In general

In order to assure the conservation and protection of certain natural, scenic, historic, pastoral, and fish and wildlife values and to provide for the enhancement of the recreational values associated therewith, the Mount Baker National Recreation Area located in the Mount Baker-Snoqualmie National Forest, Washington, is hereby established.

(b) Acreage

The Mount Baker National Recreation Area (hereafter referred to as the "recreation area") shall comprise approximately eight thousand six hundred acres as generally depicted on the map entitled "Mount Baker National Recreation Area—Proposed", dated March 1984, which shall be on file and available for public inspection in the office of the Chief, Forest Service, Department of Agriculture.

(c) Map and legal description

The Secretary of Agriculture shall, as soon as practicable after July 3, 1984, file a map and a legal description of the recreation area with the Committee on Energy and Natural Resources, United States Senate, and the Committee on Interior and Insular Affairs, House of Representatives, and each such map and legal description shall have the same force and effect as if included in this subchapter: *Provided*, That correction of clerical and typographical errors in such legal description and map may be made. The map and legal description shall be on file and available for public inspection in the office of the Chief of the Forest Service, Department of Agriculture.

(d) Administration

The Secretary shall administer the recreation area in accordance with the laws, rules and regulations applicable to the national forests in such manner as will best provide for (1) public outdoor recreation (including but not limited to snowmobile use); (2) conservation of scenic, natural, historic, and other values contributing to public enjoyment; and (3) such management, utilization, and disposal of natural resources on federally owned lands within the recreation area

which are compatible with and which do not significantly impair the purposes for which the recreation area is established.

CHANGE OF NAME

Committee on Interior and Insular Affairs of the House of Representatives changed to Committee on Natural Resources of the House of Representatives on Jan. 5, 1993, by House Resolution No. 5, One Hundred Third Congress.

SUBCHAPTER CII—ALLEGHENY NATIONAL RECREATION AREA

§ 460qq. Establishment

(a) Designation of area; revision of boundaries

In furtherance of the findings and purposes of this subchapter, certain lands in the Allegheny National Forest, Pennsylvania, which comprise approximately twenty-three thousand one hundred acres, as generally depicted on a map entitled "Allegheny National Recreation Area—Proposed", dated March 1984, are hereby designated as the Allegheny National Recreation Area (hereinafter in this subchapter referred to as the "national recreation area"). The Secretary of Agriculture may revise the boundaries of the national recreation area to correct errors or to include additional lands acquired adjacent to the area.

(b) Description of purposes

The national recreation area shall be managed for the purposes of—

- (1) outdoor recreation including, but not limited to, hunting, fishing, hiking, backpacking, camping, nature study, and the use of motorized and nonmotorized boats on the Allegheny Reservoir;
- (2) the conservation of fish and wildlife populations and habitat;
- (3) the protection of watersheds and the maintenance of free flowing streams and the quality of ground and surface waters in accordance with applicable law;
- (4) the conservation of scenic, cultural, and other natural values of the area;
- (5) allowing the development of privately owned oil, gas, and mineral resources subject to reasonable conditions prescribed by the Secretary under subsection (c) for the protection of the area; and
- (6) minimizing, to the extent practicable, environmental disturbances caused by resource development, consistent with the exercise of private property rights.

(c) Administration; plan of operations

The Secretary shall administer the national recreation area in accordance with the purposes described in subsection (b) and the laws, rules, and regulations applicable to the National For-

est System. Subject to valid existing rights, any activity associated with the exploration, development, or transportation of oil, gas, or other minerals shall be subject to such reasonable conditions as the Secretary may prescribe, and in accordance with the management plan described in subsection (d), to achieve the purposes, described in subsection (b), of the national recreation area. For any such activity, the Secretary shall require a plan of operations which shall include provisions for adequate reclamation, including, to the extent practicable, revegetation and rehabilitation after each phase of operations is completed.

(d) Management plan

The Secretary shall prepare, and may from time to time amend, a management plan for the national recreation area. The plan may be prepared in conjunction with, or incorporated with, ongoing planning for the Allegheny National Forest in accordance with the National Forest Management Act of 1976. The initial management plan and significant amendments or revisions shall be accompanied by an environmental impact statement prepared in accordance with the National Environmental Policy Act of 1969 [42 U.S.C. 4321 et seq.].

(e) Hunting, fishing, and trapping

The Secretary shall permit hunting, fishing, and trapping within the boundaries of the national recreation area in accordance with applicable Federal and State laws except that the Secretary may designate zones where, and establish periods when, no hunting, fishing, or trapping shall be permitted for reasons of public safety, administration, or public use and enjoyment. Except in emergencies, any prohibitions or restrictions made pursuant to this subsection shall be put into effect only after consultation with the appropriate State fish and game department.

(f) Withdrawal of minerals from appropriation and disposition

Subject to valid existing rights, the minerals in all federally owned lands within the national recreation area designated by this subchapter are withdrawn from all forms of appropriation under the mining laws and from disposition under all laws pertaining to mineral leasing, including all laws pertaining to geothermal leasing, and all amendments thereto.

(g) Other National Forest management areas unaffected

Nothing in this section shall be construed to apply to or have any effect on any other management area of the National Forest System, including any wilderness area or any other national recreation area.
