§ 460rrr-4. Management plan

(a) In general

Not later than 4 years after October 12, 2006, the Secretary and the Commission, in coordination with appropriate agencies in the State of Colorado, political subdivisions of the State, and private landowners in the Natural Area, shall prepare management plans for the Natural Area as provided in subsection (b).

(b) Duties of Secretary and Commission

(1) Secretary

The Secretary shall prepare a management plan relating to the management of Federal land in the Natural Area.

(2) Commission

(A) In general

The Commission shall prepare a management plan relating to the management of the non-Federal land in the Natural Area.

(B) Approval or disapproval

(i) In general

The Commission shall submit to the Secretary the management plan prepared under subparagraph (A) for approval or disapproval.

(ii) Action following disapproval

If the Secretary disapproves the management plan submitted under clause (i), the Secretary shall—

- (I) notify the Commission of the reasons for the disapproval; and
- (II) allow the Commission to submit to the Secretary revisions to the management plan submitted under clause (i).

(3) Cooperation

The Secretary and the Commission shall cooperate to ensure that the management plans relating to the management of Federal land and non-Federal land are consistent.

(c) Requirements

The management plans shall—

- (1) take into consideration Federal, State, and local plans in existence on October 12, 2006, to present a unified preservation, restoration, and conservation plan for the Natural Area;
- (2) with respect to Federal land in the Natural Area— $\,$
 - (A) be developed in accordance with section 1712 of title 43;
 - (B) be consistent, to the maximum extent practicable, with the management plans adopted by the Director of the Bureau of Land Management for land adjacent to the Natural Area; and
 - (C) be considered to be an amendment to the San Luis Resource Management Plan of the Bureau of Land Management; and

(3) include—

(A) an inventory of the resources contained in the Natural Area (including a list of property in the Natural Area that should be preserved, restored, managed, developed, maintained, or acquired to further the purposes of the Natural Area); and

- (B) a recommendation of policies for resource management, including the use of intergovernmental cooperative agreements, that—
 - (i) protect the resources of the Natural Area; and
 - (ii) provide for solitude, quiet use, and pristine natural values of the Natural Area.

(d) Publication

The Secretary shall publish notice of the management plans in the Federal Register.

(Pub. L. 109-337, §6, Oct. 12, 2006, 120 Stat. 1779.)

§ 460rrr-5. Administration of Natural Area

(a) In general

The Secretary shall administer the Federal land in the Natural Area—

- (1) in accordance with-
- (A) the laws (including regulations) applicable to public land; and
 - (B) the management plan; and
- (2) in a manner that provides for—
- (A) the conservation, restoration, and protection of the natural, historic, scientific, scenic, wildlife, and recreational resources of the Natural Area;
- (B) the continued use of the Natural Area for purposes of education, scientific study, and limited public recreation in a manner that does not substantially impair the purposes for which the Natural Area is established:
- (C) the protection of the wildlife habitat of the Natural Area;
- (D) a prohibition on the construction of water storage facilities in the Natural Area; and
- (E) the reduction in the use of or removal of roads in the Natural Area and, to the maximum extent practicable, the reduction in or prohibition against the use of motorized vehicles in the Natural Area (including the removal of roads and a prohibition against motorized use on Federal land in the area on the western side of the Rio Grande River from Lobatos Bridge south to the New Mexico State line).

(b) Changes in streamflow

The Secretary is encouraged to negotiate with the State of Colorado, the Rio Grande Water Conservation District, and affected water users in the State to determine if changes in the streamflow that are beneficial to the Natural Area may be accommodated.

(c) Private land

The management plan prepared under section $460 \mathrm{rrr} - 4(b)(2)(A)$ of this title shall apply to private land in the Natural Area only to the extent that the private landowner agrees in writing to be bound by the management plan.

(d) Withdrawal

Subject to valid existing rights, all Federal land in the Natural Area is withdrawn from—

- (1) all forms of entry, appropriation, or disposal under the public land laws;
- (2) location, entry, and patent under the mining laws; and
