(a) Authority of Secretary; manner and place; fair market value; concurrence of State owner; transfer from Federal agency to administrative jurisdiction of Secretary

Within the boundaries of the seashore, the Secretary of the Interior (hereinafter referred to as the “Secretary”) is authorized to acquire lands, waters, and other property, or any interest therein, by donation, purchase with donated or appropriated funds, exchange, or in such other method as he may find to be in the public interest. The Secretary is authorized to include within the boundaries of the seashore, not to exceed 112 acres of land or interests therein on the mainland in Worcester County, Maryland. In the case of acquisition by negotiated purchase, the property owners shall be paid the fair market value by the Secretary. Any property or interests therein owned by the States of Maryland or Virginia shall be acquired only with the concurrence of such owner. Notwithstanding any other provision of law, any Federal property located within the boundaries of the seashore may, with the concurrence of the agency having custody thereof, be transferred without consideration to the administrative jurisdiction of the Secretary for purposes of the seashore.

(b) Exchange of property; cash equalization payments; scenic easement donation

When acquiring lands by exchange, the Secretary may accept title to any non-Federal property within the boundaries of the seashore and convey to the grantor of such property any federally owned property under the jurisdiction of the Secretary which the Secretary classifies suitable for exchange or other disposal, and which is located in Maryland or Virginia. The properties so exchanged shall be approximately equal in fair market value, but the Secretary may accept cash from or pay cash to the grantor in order to equalize the values of the properties exchanged. Notwithstanding the acreage limitation set forth in sections 459f to 459f-11 of this title, the Secretary is authorized to accept the donation of a scenic easement covering the parcel of land adjacent to the seashore and known as the “Woodcock Property”.

Payments by the Secretary shall be on such terms and conditions as he shall consider to be in the public interest. Any of the aforesaid property outside the boundaries of the national seashore, upon acquisition by the Secretary, shall be subject to his administration for purposes of the seashore.

(d) Owner’s reservation of right of use and occupancy for residential or hunting purposes for term of years; adjustment of compensation; rules and regulations for appearance of buildings; “improved property” defined

Owners of improved property acquired by the Secretary may reserve for themselves and their successors or assigns a right of use and occupancy of the improved property for noncommercial residential purposes or for hunting purposes, as hereinafter provided, for a term that is not more than twenty-five years. In such cases, the Secretary shall pay to the owner of the property the fair market value thereof less the fair market value of the right retained by such owner: *Provided*, That such use and occupancy shall be subject to general rules and regulations established by the Secretary with respect to the outward appearance of any buildings on the lands involved. The term “improved property” as used in sections 459f to 459f-11 of this title shall mean (1) any single-family residence the construction of which was begun before January 1, 1964, and such amount of land, not in excess of three acres, on which the building is situated as the Secretary considers reasonably necessary to the noncommercial residential use of the building, and (2) any property fronting on the Chincoteague Bay or Sinepuxent Bay, including the offshore bay islands adjacent thereto, that is used chiefly for hunting and continues in such use: *Provided*, That the Secretary may exclude from improved properties any marsh, beach, or waters, together with so much of the land adjoining such marsh, beach, or waters as he deems necessary for public use or public access thereto.

The State of Maryland shall have the right to acquire or lease from the United States such lands, or interests therein, on the island north of the area now used as a State park as the State may from time to time determine to be needed for State park purposes, and the Secretary is authorized and directed to convey or lease such lands, or interests therein, to the State for such purposes upon terms and conditions which he deems will assure its public use in harmony with the purposes of sections 459f to 459f-11 of this title. In the event any of such terms and conditions are not complied with, all the property, or any portion thereof, shall, at the option of the Secretary, revert to the United States, in its then existing condition.
