withdraw from the Hopewell Village National Historic Site, Pennsylvania, all or any part of the lands added to the Hopewell Village National Historic Site by the act approved June 6, 1942, entitled 'An Act to authorize the disposition of recreational demonstration projects, and for other purposes [sections 459r to 459t of this title]', which in his opinion are not required for historic-site purposes. Any lands so withdrawn shall revert to the status of a recreational demonstration area."

SILVER CREEK RECREATIONAL DEMONSTRATION PROJECT

Act June 9, 1947, ch. 100, 61 Stat. 129, provided: "That for the purpose of consolidating Federal holdings of lands acquired for the Silver Creek recreational demonstration project, in the State of Oregon, the Secretary of the Interior is hereby authorized to exchange any such lands for other lands of approximately equal value when in his opinion such action is in the interest of the United States, the title to any lands acquired hereunder to be satisfactory to the Attorney General. Upon the vesting of title thereto in the United States, any lands acquired pursuant to this authorization shall become a part of the Silver Creek recreational demonstration project, and shall be subject to the laws applicable thereto.

"SEC. 2. Upon the conveyance of the Silver Creek recreational demonstration project to the State of Oregon, or political subdivision thereof, pursuant to the Act of June 6, 1942 (56 Stat. 326) [sections 459r to 459t of this title], the Secretary of the Interior may authorize the grantee to exchange or otherwise dispose of any lands so conveyed in order to acquire other lands of approximately equal value for the purpose of consolidating the holdings of the grantee, the title to lands so acquired to be satisfactory to the Attorney General. For the aforesaid purpose the Secretary is authorized to execute a release, as to the particular lands involved, of any condition providing for a reversion of title to the United States, that may be contained in the conveyance by the United States to said grantee. No such release shall be executed, however, unless the grantee shall agree, in form satisfactory to the Secretary, that the lands to be acquired by it shall be subject to the conditions contained in the original conveyance from the United States, except that, in lieu of a provision for reversion, the grantee shall agree to convey said lands to the United States upon a finding by the Secretary in accordance with the procedure provided in said Act of June 6, 1942, that the grantee has not complied with such conditions during a period of more than three years. Lands so conveyed to the United States shall be subject to administration or disposition in like manner as recreational demonstration project lands that revert to the United States under the terms of the aforesaid Act."

Any land acquired by the United States pursuant to this authorization shall become a part of the Catoctin recreational demonstration area upon the vesting of title in the United States, and shall be subject to the laws applicable thereto."

§ 459t. Secretary of the Interior authorized to execute deeds and leases for project lands; inclusion of conditional covenants

The Secretary of the Interior is authorized to execute on behalf of the United States all necessary deeds and leases to effect the purposes of sections 459r to 459t of this title. Every such deed or lease shall contain the express condition that the grantee or lessee shall use the property exclusively for public park, recreational, and conservation purposes, and the further express condition that the United States assumes no obligation for the maintenance or operation of the property after the acceptance of such deed or during the term of such lease, and may contain such other conditions not inconsistent with such express conditions as may be agreed upon by the Secretary and the grantee or lessee: *Provided*, That the title and right to possession of any lands so conveyed or leased, together with the improvements thereon, shall revert to the United States upon a finding by the Secretary, after notice to such grantee or lessee and after an opportunity for a hearing, that the grantee or lessee has not complied with such conditions during a period of more than three years, which finding shall be final and conclusive, and such lands and improvements thereon, upon such reversion to the United States, shall be returned to the jurisdiction of the Department of the Interior and upon determination of the Secretary may be considered as surplus real property to be disposed of in accordance with section 1303 of title 40.
