

(C) to ensure the protection of resource values.

(b) Inventory

The Secretary, acting through the Commissioner of Reclamation, is authorized to—

(1) prepare and maintain on a continuing basis an inventory of resources and uses made of Reclamation lands and resources, keep records of such inventory, and make such records available to the public; and

(2) ascertain the boundaries of Reclamation lands and provide a means for public identification (including, where appropriate, providing signs and maps).

(c) Planning

(1)(A)¹ The Secretary, acting through the Commissioner of Reclamation, is authorized to develop, maintain, and revise resource management plans for Reclamation lands.

(B) Each plan described in subparagraph (A)—

(i) shall be consistent with applicable laws (including any applicable statute, regulation, or Executive order);

(ii) shall be developed in consultation with—

(I) such heads of Federal and non-Federal departments or agencies as the Secretary determines to be appropriate; and

(II) the authorized beneficiaries (as determined by the Secretary) of any Reclamation project included in the plan; and

(iii) shall be developed with appropriate public participation.

(C) Each plan described in subparagraph (A) shall provide for the development, use, conservation, protection, enhancement, and management of resources of Reclamation lands in a manner that is compatible with the authorized purposes of the Reclamation project associated with the Reclamation lands.

(d) Nonreimbursable funds

Funds expended by the Secretary in carrying out the provisions of this part shall be nonreimbursable under the Federal reclamation laws (the Act of June 17, 1902 (32 Stat. 388, chapter 1093; 43 U.S.C. 371),² and Acts supplementary thereto and amendatory thereof).
