

(A) NIPSCO shall provide the National Park Service with access for resource management and interpretation through the Greenbelt and across the dike for purposes of a public hiking trail.

(B) The National Park Service shall have rights of access for resource management and interpretation of the Greenbelt area.

(C) NIPSCO shall preserve the Greenbelt in its natural state. If NIPSCO utilizes the Greenbelt temporarily for a project involving pollution mitigation or construction on its adjacent facilities, it shall restore the project area to its natural state.

(D) If NIPSCO proposes a different use for the Greenbelt, NIPSCO shall notify the National Park Service, the Committee on Energy and Natural Resources of the Senate and the Committee on Interior and Insular Affairs of the House of Representatives and make no change in the use of the property until three years after the date of notice is given.

(2) If a memorandum of agreement is entered into pursuant to paragraph (1), so long as the memorandum of agreement is in effect and is being performed, the Secretary may not acquire lands or interests in land in the Greenbelt belonging to NIPSCO.

#### § 460u-20. Paul H. Douglas Ecological and Recreational Unit and Center for Environmental Education

##### (a) Dedication of Park

The Indiana Dunes National Park is hereby dedicated to the memory of Paul H. Douglas in grateful recognition of his leadership in the effort to protect, preserve, and enhance the natural, scientific, historic, and recreational value of the Park for the use, enjoyment, and edification of present and future generations.

##### (b) Establishment

To further accomplish the purposes of subsection (a) of this section, the Secretary of the Interior shall designate the west unit of the Park as the “Paul H. Douglas Ecological and Recreational Unit” and shall, subject to appropriations being granted, design and construct a suitable structure or designate an existing structure within the Park to be known as the “Paul H. Douglas Center for Environmental Education” which shall provide facilities designed primarily to familiarize students and other visitors with, among other things: (1) the natural history of the Park and its association with the natural history of the Great Lakes region; (2) the evolution of human activities in the area; and (3) the historical features which led to the establishment of the Park by the Congress of the United States.

##### (c) Preparation of informative materials

To inform the public of the contributions of Paul H. Douglas to the creation of the Park, the Secretary of the Interior shall provide such signs, markers, maps, interpretive materials, literature, and programs as he deems appropriate.

(Pub. L. 89-761, §20, as added Pub. L. 96-612, §1(1), Dec. 28, 1980, 94 Stat. 3575; amended Pub. L. 116-6, div. E, title I, §115(a)(1), Feb. 15, 2019, 133 Stat. 232.)

## AMENDMENTS

2019—Subsec. (a). Pub. L. 116-6 substituted “National Park” for “National Lakeshore” and “Park” for “lakeshore”.

Subsecs. (b), (c). Pub. L. 116-6, §115(a)(1)(B), substituted “Park” for “lakeshore” wherever appearing.

**§ 460u-21. Public access study****(a) Preservation of Park and conservation of energy**

The Secretary in consultation with the Secretary of Transportation, shall conduct a study of various modes of public access into and within the lakeshore which are consistent with the preservation of the Park and conservation of energy by encouraging the use of transportation modes other than personal motor vehicles.

**(b) Utilization of clearinghouse resources and facilities**

In carrying out the study, the Secretary shall utilize to the greatest extent practicable the resources and facilities of the organizations designated as clearinghouses under section 6506 of title 31 as implemented by Office of Management and Budget Circular A-95, and which have comprehensive planning responsibilities in the regions where the Park is located, as well as any other agencies or organizations which the Secretary may designate. The Secretary shall make provision for timely and substantive consultations with the appropriate agencies of the States of Indiana and Illinois, local elected officials, and the general public in the formulation and implementation of the study.

**(c) Adequacy of access facilities**

The study shall address the adequacy of access facilities for members of the public who desire to visit and enjoy the Park. Consideration shall be given to alternatives for alleviating the dependence on automobile transportation. The study of public transportation facilities shall cover the distance from cities of thirty-five thousand population or more within fifty miles of the Park.

**(d) Access proposals; retention of Park values**

The study shall include proposals deemed necessary to assure equitable visitor access and public enjoyment by all segments of the population, including those who are physically or economically disadvantaged. It shall provide for retention of the natural, scenic, and historic values for which the Park was established, and shall propose plans and alternatives for the protection and maintenance of these values as they relate to transportation improvements.

**(e) Renovation and preservation of South Shore Railroad**

The study shall examine proposals for the renovation and preservation of a portion of the existing South Shore Railroad passenger car fleet. The study shall consider the historic value of the existing rolling stock and its role in transporting visitors into and within the Park.

**(f) Alternative improvement plans; cost estimates; sources of funding**

The study shall present alternative plans to improve, construct, and extend access roads,

public transportation, and bicycle and pedestrian trails. It shall include cost estimates of all plans considered in this study, and shall discuss existing and proposed sources of funding for the implementation of the recommended plan alternatives.

**(g) Submittal to Congress**

The study shall be completed and presented to the Congress within two complete fiscal years from the effective date of this provision.

**(h) Authorization of appropriations**

Effective October 1, 1981, there is hereby authorized to be appropriated not to exceed \$200,000 for this study.
