In order to facilitate the making of such exchanges, the Secretary of the Interior may enter into agreements for the reservation in conveyances to the United States, or for the grant in conveyances from the United States, of such estates for years, life estates, or other interests as may be consistent, in his judgment, with the accomplishment of the purposes of this section, but all such limitations shall be considered in determining the equality of the interests to be exchanged.

(b) Any property acquired pursuant to this section shall, upon acceptance of title thereto, become a part of the Glacier National Park, and shall be subject to all laws applicable to such
