CODIFICATION

Section is based on section 1 of act Mar. 3, 1917, and section 1 of act Feb. 23, 1923; subdivision (1) being from the former and subdivision (2) being from the latter act. Of the language preceding subdivision (1), that portion from the beginning of the section to the word "and" was common to both of the sections aforesaid, while the remaining portion was derived from section 1 of act Mar. 3, 1917.

§ 165. Value of lands sought to be exchanged

For purposes of subdivision (2) of section 164 of this title the value of all patented lands within said park, including the timber thereon, offered for exchange, and the value of other lands of the United States elsewhere situate, to be given in exchange therefor, shall be ascertained in such manner as the Secretary of the Interior may direct; and the owners of such privately owned lands within said park shall, before any exchange is effective, furnish the Secretary of the Interior evidence satisfactory to him of title to the patented lands offered in exchange; and lands conveyed to the Government under this section and subdivision (2) of section 164 of this title shall be and remain a part of the Glacier National Park.

(Feb. 28, 1923, ch. 144, §2, 42 Stat. 1324.)

§ 166. Exchange of timber for private holdings; valuations

For purposes of subdivision (1) of section 164 of this title the value of all patented lands within said park, including the timber thereon, offered for exchange, and the value of the timber on park lands, or on Government lands within the metes and bounds of the national forests within the State of Montana, proposed to be given in exchange for such patented lands, shall be ascertained in such manner as the Secretary of the Interior and the Secretary of Agriculture may jointly in their discretion direct, and all expenses incident to ascertaining such values shall be paid by the owners of said patented lands. Such owners shall, before any exchange is effective, furnish the Secretary of the Interior evidence satisfactory to him of title to the patented lands offered in exchange; and if the value of timber on park lands or on the Government lands in the national forests within the State of

Montana exceeds the value of the patented lands deeded to the Government in exchange, such excess shall be paid to the Secretary of the Interior by the owners of the patented lands before any timber is removed, and shall be deposited and covered into the Treasury as miscellaneous receipts. The lands conveyed to the Government under this section and subdivision (1) of section 164 of this title shall become a part of the Glacier National Park.

(Mar. 3, 1917, ch. 164, §2, 39 Stat. 1122.)

§ 167. Removal of timber

All timber on Government lands in the park must be cut and removed under regulations to be prescribed by the Secretary of the Interior, and any damage which may result to the roads or any part of the park or the national forests in consequence of the cutting and removal of the timber therefrom shall be borne by the owners of the patented lands, and bonds satisfactory to the Secretary of the Interior and the Secretary of Agriculture, jointly, must be given for the payment of such damages, if any, as shall be determined by the Secretary of the Interior so far as the same relates to lands within a national park and by the Secretary of Agriculture where the same relates to lands in the national forests. The Secretary of Agriculture and the Secretary of the Interior shall jointly report to Congress in detail the factors upon which valuations were made.

(Mar. 3, 1917, ch. 164, §3, 39 Stat. 1122.)

§ 167a. Exchange of lands and other property

(a) The Secretary of the Interior is authorized to accept title to any non-Federal lands, interests in lands, buildings, or other property, real or personal, within the authorized boundaries of the Glacier National Park, as now or after August 8, 1946, established, when the acquisition by exchange of such property would, in his judgment, be in the best interests of the United States. In exchange for the non-Federal property so to be acquired, the Secretary of the Interior is authorized to convey to the grantors of such property, or to their nominees, any federally owned lands, interests in lands, buildings, or other property, real or personal, within the authorized boundaries of the Glacier National Park, located in the State of Montana and administered by the National Park Service, which are of approximately equal value, as determined by the Secretary, to the property being acquired. In order to facilitate the making of such exchanges, the Secretary of the Interior may enter into agreements for the reservation in conveyances to the United States, or for the grant in conveyances from the United States, of such estates for years, life estates, or other interests as may be consistent, in his judgment, with the accomplishment of the purposes of this section, but all such limitations shall be considered in determining the equality of the interests to be exchanged.

(b) Any property acquired pursuant to this section shall, upon acceptance of title thereto, become a part of the Glacier National Park, and shall be subject to all laws applicable to such

area. The Secretary of the Interior is authorized to issue such regulations as he deems necessary for carrying out the purposes of this section.
