

(b) Notice of request for approval for construction or condemnation to contracting or interconnected entities in Pacific Northwest

At least sixty days prior to the time a request for approval or authority under this section or section 838b of this title is sent to Congress, the Administrator shall give notice of such request to entities in the Pacific Northwest with which the Administrator has power sales or exchange contracts or transmission contracts or which have a transmission interconnection with the Federal transmission system.

(Pub. L. 93-454, § 5, Oct. 18, 1974, 88 Stat. 1377.)

TRANSFER OF FUNCTIONS

Functions of Secretary of the Interior with respect to Bonneville Power Administration transferred to Secretary of Energy by section 7152(a)(1)(D), (2) of Title 42, The Public Health and Welfare, with Bonneville Power Administration to be preserved as a distinct organizational entity within Department of Energy and headed by an Administrator.

§ 838d. Transmission of non-Federal power

The Administrator shall make available to all utilities on a fair and nondiscriminatory basis, any capacity in the Federal transmission system which he determines to be in excess of the capacity required to transmit electric power generated or acquired by the United States.

(Pub. L. 93-454, § 6, Oct. 18, 1974, 88 Stat. 1377.)

TRANSFER OF FUNCTIONS

Functions of Secretary of the Interior with respect to Bonneville Power Administration transferred to Secretary of Energy by section 7152(a)(1)(D), (2) of Title 42, The Public Health and Welfare, with Bonneville Power Administration to be preserved as a distinct organizational entity within Department of Energy and headed by an Administrator.

§ 838e. Acquisition of property

Subject to the provisions of section 838c of this title the Administrator may purchase or lease or otherwise acquire and hold such real and personal property in the name of the United States as he deems necessary or appropriate to carry out his duties pursuant to law.

(Pub. L. 93-454, § 7, Oct. 18, 1974, 88 Stat. 1377.)

TRANSFER OF FUNCTIONS

Functions of Secretary of the Interior with respect to Bonneville Power Administration transferred to Secretary of Energy by section 7152(a)(1)(D), (2) of Title 42, The Public Health and Welfare, with Bonneville Power Administration to be preserved as a distinct organizational entity within Department of Energy and headed by an Administrator.

§ 838f. Marketing of Federal power; sales agent

The Administrator is hereby designated as the marketing agent for all electric power generated by Federal generating plants in the Pacific Northwest, constructed by, under construction by, or presently authorized for construction by the Bureau of Reclamation or the United States Corps of Engineers except electric power required for the operation of each Federal project and except electric power from the Green Springs project of the Bureau of Reclamation.

(Pub. L. 93-454, § 8, Oct. 18, 1974, 88 Stat. 1377.)

TRANSFER OF FUNCTIONS

Functions of Secretary of the Interior with respect to Bonneville Power Administration transferred to Secretary of Energy by section 7152(a)(1)(D), (2) of Title 42, The Public Health and Welfare, with Bonneville Power Administration to be preserved as a distinct organizational entity within Department of Energy and headed by an Administrator.

Power marketing functions of Bureau of Reclamation, including construction, operation, and maintenance of transmission lines and attendant facilities, transferred to Secretary of Energy by section 7152(a)(1)(E), (3) of Title 42, and are to be exercised by Secretary through a separate Administration within Department of Energy.

§ 838g. Schedules of rates and charges for sale of Federal power and transmission of non-Federal power; confirmation and approval; criteria for modification and establishment

Schedules of rates and charges for the sale, including dispositions to Federal agencies, of all electric power made available to the Administrator pursuant to section 838f of this title or otherwise acquired, and for the transmission of non-Federal electric power over the Federal transmission system, shall become effective upon confirmation and approval thereof by the Secretary of Energy. Such rate schedules may be modified from time to time by the Secretary of Energy, acting by and through the Administrator, subject to confirmation and approval by the Secretary of Energy, and shall be fixed and established (1) with a view to encouraging the widest possible diversified use of electric power at the lowest possible rates to consumers consistent with sound business principles, (2) having regard to the recovery (upon the basis of the application of such rate schedules to the capacity of the electric facilities of the projects) of the cost of producing and transmitting such electric power, including the amortization of the capital investment allocated to power over a reasonable period of years and payments provided for in section 838i(b)(9) of this title, and (3) at levels to produce such additional revenues as may be required, in the aggregate with all other revenues of the Administrator, to pay when due the principal of, premiums, discounts, and expenses in connection with the issuance of and interest on all bonds issued and outstanding pursuant to this chapter, and amounts required to establish and maintain reserve and other funds and accounts established in connection therewith.

(Pub. L. 93-454, § 9, Oct. 18, 1974, 88 Stat. 1377; Pub. L. 95-91, title III, §§ 301(b), 302(a)(1)(D), Aug. 4, 1977, 91 Stat. 578.)

TRANSFER OF FUNCTIONS

“Secretary of Energy” substituted in text for “Secretary of the Interior” and “Federal Power Commission” pursuant to Pub. L. 95-91, §§ 301(b), 302(a)(1)(D), which are classified to sections 7151(b) and 7152(a)(1)(D) of Title 42, The Public Health and Welfare.

Federal Power Commission terminated and its functions, personnel, property, funds, etc., transferred to Secretary of Energy (except for certain functions transferred to Federal Energy Regulatory Commission) by sections 7151(b), 7171(a), 7172(a), 7291, and 7293 of Title 42.

Functions of Secretary of the Interior with respect to Bonneville Power Administration transferred to Sec-

retary of Energy by section 7152(a)(1)(D), (2) of Title 42, with Bonneville Power Administration to be preserved as a distinct organizational entity within Department of Energy and headed by an Administrator.

§ 838h. Uniform schedules of rates and charges for sale of Federal power and transmission of non-Federal power; allocation of cost recovery

The said schedules of rates and charges for transmission, the said schedules of rates and charges for the sale of electric power, or both such schedules, may provide, among other things, for uniform rates or rates uniform throughout prescribed transmission areas. The recovery of the cost of the Federal transmission system shall be equitably allocated between Federal and non-Federal power utilizing such system.

(Pub. L. 93-454, §10, Oct. 18, 1974, 88 Stat. 1378.)

§ 838i. Bonneville Power Administration fund

(a) Establishment; composition; availability of transferred funds for expenditures

There is hereby established in the Treasury of the United States a Bonneville Power Administration fund (hereinafter referred to as the "fund"). The fund shall consist of (1) all receipts, collections, and recoveries of the Administrator in cash from all sources, including trust funds, (2) all proceeds derived from the sale of bonds by the Administrator, (3) any appropriations made by the Congress for the fund, and (4) the following funds which are hereby transferred to the Administrator: (i) all moneys in the special account in the Treasury established pursuant to Executive Order Numbered 8526 dated August 26, 1940, (ii) the unexpended balances in the continuing fund established by the provisions of section 832j of this title, and (iii) the unexpended balances of funds appropriated or otherwise made available for the Bonneville Power Administration. All funds transferred hereunder shall be available for expenditure by the Secretary of Energy, acting by and through the Administrator, as authorized in this chapter and any other Act relating to the Federal Columbia River transmission system, subject to such limitations as may be prescribed by any applicable appropriation act effective during such period as may elapse between their transfer and the approval by the Congress of the first subsequent annual budget program of the Administrator.

(b) Authorized purposes of expenditures

The Administrator may make expenditures from the fund, which shall have been included in his annual budget submitted to Congress, without further appropriation and without fiscal year limitation, but within such specific directives or limitations as may be included in appropriation acts, for any purpose necessary or appropriate to carry out the duties imposed upon the Administrator pursuant to law, including but not limited to—

(1) construction, acquisition, and replacement of (i) the transmission system, including facilities and structures appurtenant thereto, and (ii) additions, improvements, and betterments thereto (hereinafter in this chapter referred to as "transmission system");

(2) operation, maintenance, repair, and relocation, to the extent such relocation is not provided for under subsection (1) above, of the transmission system;

(3) electrical research, development, experimentation, test, and investigation related to construction, operation, and maintenance of transmission systems and facilities;

(4) marketing of electric power;

(5) transmission over facilities of others and rental, lease, or lease-purchase of facilities;

(6) purchase of electric power (including the entitlement of electric plant capability) (i) on a short-term basis to meet temporary deficiencies in electric power which the Administrator is obligated by contract to supply, or¹ (ii) if such purchase has been heretofore authorized or is made with funds expressly appropriated for such purchase by the Congress, (iii) if to be paid for with funds provided by other entities for such purpose under a trust or agency arrangement, or (iv) on a short term basis to meet the Administrator's obligations under section 4(h) of the Pacific Northwest Electric Power Planning and Conservation Act [16 U.S.C. 839b(h)];

(7) defraying emergency expenses or insuring continuous operation;

(8) paying the interest on, premiums, discounts, and expenses, if any, in connection with the issuance of, and principal of all bonds issued under section 838k(a) of this title, including provision for and maintenance of reserve and other funds established in connection therewith;

(9) making such payments to the credit of the reclamation fund or other funds as are required by or pursuant to law to be made into such funds in connection with reclamation projects in the Pacific Northwest: *Provided*, That this clause shall not be construed as permitting the use of revenues for repayment of costs allocated to irrigation at any project except as otherwise expressly authorized by law;

(10) making payments to the credit of miscellaneous receipts of the Treasury for all unpaid costs required by or pursuant to law to be charged to and returned to the general fund of the Treasury for the repayment of the Federal investment in the Federal Columbia River Power System from electric power marketed by the Administrator;

(11) acquiring such goods and services, and paying dues and membership fees in such professional, utility, industry, and other societies, associations, and institutes, together with expenses related to such memberships, including but not limited to the acquisitions and payments set forth in the general provisions of the annual appropriations Act for the Department of Energy, as the Administrator determines to be necessary or appropriate in carrying out the purposes of this chapter; and

(12) making such payments, as shall be required to carry out the purposes and provisions of the Pacific Northwest Electric Power Planning and Conservation Act [16 U.S.C. 839 et seq.].
