§ 582a-3. Matching funds; reapportionment to other qualifying institutions; reductions

The amount paid by the Federal Government to any State-certified institutions eligible for assistance under this subchapter shall not exceed during any fiscal year the amount available to and budgeted for expenditure by such college or university during the same fiscal year for forestry research from non-Federal sources, except that for the fiscal years ending June 30, 1971, and June 30, 1972, the matching funds requirement hereof shall not be applicable to the Virgin Islands and Guam, and sums authorized for such years for the Virgin Islands and Guam may be used to pay the total cost of programs for forestry research.
