Contracts for the sale of surplus power shall be for periods not to exceed forty years and contracts for water supply for municipal or miscellaneous purposes shall be for such periods as the Secretary may determine and may include such renewal options as the Secretary deems desirable: *And provided further*, That in sales or leases of such power, preference shall be given to municipalities and other public corporations or agencies; and also to cooperatives and other nonprofit organizations financed in whole or in part by loans made pursuant to the Rural Electrification Act of 1936 [7 U.S.C. 901 et seq.] and any amendments thereof.
