

PRIOR PROVISIONS

A prior section 12 of Pub. L. 95-313, which amended section 1606 of this title and enacted provisions set out as a note under that section, was renumbered section 15.

AMENDMENTS

1990—Subsec. (f). Pub. L. 101-624, § 1224(2), made technical amendment to reference to section 2111 of this title to reflect renumbering of corresponding section of original act.

§ 2109. General provisions**(a) Cooperative and coordinating requirements for implementation of programs, etc.**

In implementing this chapter, the Secretary shall, to the maximum extent practicable—

- (1) work through, cooperate with, and assist State foresters or equivalent State officials;
- (2) encourage cooperation and coordination between State foresters or equivalent State officials and other State agencies that manage renewable natural resources;
- (3) use and encourage cooperators under this chapter to use, private agencies, consultants, organizations, firms, and individuals to furnish necessary materials and services; and
- (4) promote effectiveness and economy by coordinating the direct actions and assistance authorized under this chapter with related programs the Secretary administers, and with cooperative programs of other agencies.

(b) Availability of appropriations

Money appropriated under this chapter shall remain available until expended.

(c) Consultation requirements for implementation of programs, etc.

Requirements for the development of State forest resources programs and State participation in management assistance, planning assistance, and technology implementation, the apportionment of funds among States participating under this chapter, the administrative expenses in connection with activities and programs under this chapter, and the amounts to be expended by the Secretary to assist non-State cooperators under this chapter, shall be determined by the Secretary in consultation with a committee of not less than five State foresters or equivalent State officials selected by a majority of the State foresters or equivalent State officials from States participating in programs under this chapter. However, the Secretary need not consult with such committee regarding funds to be expended under emergency conditions that the Secretary may determine.

(d) Definitions

For the purposes of this chapter—

- (1) The terms “United States” and “State” shall include each of the several States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands of the United States, the Commonwealth of the Northern Mariana Islands, the Federated States of Micronesia, the Republic of the Marshall Islands, the Republic of Palau, and the territories and possessions of the United States;
- (2) The term “forest resources” shall include esthetics, fish and wildlife, forage, outdoor

recreation opportunities, timber, and water; and

- (3) The term “urban forestry” means the planning, establishment, protection, and management of trees and associated plants, individually, in small groups, or under forest conditions within cities, their suburbs, and towns.

(e) Rules and regulations

The Secretary may prescribe rules and regulations, as the Secretary deems appropriate, to implement the provisions of this chapter.

(f) Granting, etc., authorities

The Secretary is authorized to make grants, agreements, contracts, and other arrangements the Secretary deems necessary to implement this chapter.

(g) Construction of statutory provisions

This chapter shall be construed as supplementing all other laws relating to the Department of Agriculture and shall not be construed as limiting or repealing any existing law or authority of the Secretary, except as specifically cited in section 2111 of this title.

(h) Additional assistance

In addition to the authority provided elsewhere in this chapter, the Secretary may provide assistance to other countries with respect to the activities described in paragraphs (1) through (10) of section 2102(b) of this title, paragraphs (1) through (5) of section 2104(b)¹ of this title, and paragraphs (1) through (3) of section 2105(b) of this title. For the purposes of providing assistance to other countries under this subsection, the term “non-Federal forest land” shall mean any forest land and related renewable natural resources in such countries. In providing the assistance authorized under this subsection, the Secretary shall coordinate with other Federal officials, departments, agencies, or international organizations, as the President may direct. The references to “State foresters or equivalent State officials” in this chapter shall not apply to the assistance provided by the Secretary to other countries under this subsection.

REFERENCES IN TEXT

Section 2104(b) of this title, referred to in subsec. (h), was in the original a reference to section 7(b), meaning section 7(b) of Pub. L. 95-313, which has been translated as reading section 8(b) of Pub. L. 95-313 as the probable intent of Congress. Section 7(b) of Pub. L. 95-313, which is classified to section 2103c of this title, does not contain pars. (1) to (5).

CODIFICATION

Pub. L. 110-234 and Pub. L. 110-246 made identical amendments to this section. The amendments by Pub.

¹ See References in Text note below.

L. 110-234 were repealed by section 4(a) of Pub. L. 110-246.

PRIOR PROVISIONS

A prior section 13 of Pub. L. 95-313 was renumbered section 16 and is classified to section 2111 of this title.

AMENDMENTS

2008—Subsec. (d)(1). Pub. L. 110-246, §8004, substituted “the Federated States of Micronesia, the Republic of the Marshall Islands, the Republic of Palau,” for “the Trust Territory of the Pacific Islands.”

1990—Subsec. (g). Pub. L. 101-624, §1224(3), made technical amendment to reference to section 2111 of this title to reflect renumbering of corresponding section of original act.

Subsec. (h). Pub. L. 101-513, which directed amendment of section 12 of Pub. L. 95-313 by adding a new subsec. (h), was executed to this section to reflect the probable intent of Congress.

EFFECTIVE DATE OF 2008 AMENDMENT

Amendment of this section and repeal of Pub. L. 110-234 by Pub. L. 110-246 effective May 22, 2008, the date of enactment of Pub. L. 110-234, see section 4 of Pub. L. 110-246, set out as an Effective Date note under section 8701 of Title 7, Agriculture.

§ 2109a. State and private forest landscape-scale restoration program

(a) Purpose

The purpose of this section is to encourage collaborative, science-based restoration of priority forest landscapes.

(b) Definitions

In this section:

(1) Indian tribe

The term “Indian tribe” has the meaning given the term in section 5304 of title 25.

(2) Nonindustrial private forest land

The term “nonindustrial private forest land” means land that—

(A) is rural, as determined by the Secretary;

(B) has existing tree cover or is suitable for growing trees; and

(C) is owned by any private individual, group, association, corporation, Indian tribe, or other private legal entity.

(3) State forest land

The term “State forest land” means land that—

(A) is rural, as determined by the Secretary; and

(B) is under State or local governmental ownership and considered to be non-Federal forest land.

(c) Establishment

The Secretary, in consultation with State foresters or appropriate State agencies, shall establish a competitive grant program to provide financial and technical assistance to encourage collaborative, science-based restoration of priority forest landscapes.

(d) Eligibility

To be eligible to receive a grant under this section, an applicant shall submit to the Secretary, through the State forester or appropriate State agency, a State and private forest

landscape-scale restoration proposal based on a restoration strategy that—

(1) is complete or substantially complete;

(2) is for a multiyear period;

(3) covers nonindustrial private forest land or State forest land;

(4) is accessible by wood-processing infrastructure; and

(5) is based on the best available science.

(e) Plan criteria

A State and private forest landscape-scale restoration proposal submitted under this section shall include plans—

(1) to reduce the risk of uncharacteristic wildfires;

(2) to improve fish and wildlife habitats, including the habitats of threatened and endangered species;

(3) to maintain or improve water quality and watershed function;

(4) to mitigate invasive species, insect infestation, and disease;

(5) to improve important forest ecosystems;

(6) to measure ecological and economic benefits, including air quality and soil quality and productivity; and

(7) to take other relevant actions, as determined by the Secretary.

(f) Priorities

In making grants under this section, the Secretary shall give priority to plans that—

(1) further a statewide forest assessment and resource strategy;

(2) promote cross boundary landscape collaboration; and

(3) leverage public and private resources.

(g) Collaboration and consultation

The Chief of the Forest Service, the Chief of the Natural Resources Conservation Service, and relevant stakeholders shall collaborate and consult on an ongoing basis regarding—

(1) administration of the program established under this section; and

(2) identification of other applicable resources for landscape-scale restoration.

(h) Matching funds required

As a condition of receiving a grant under this section, the Secretary shall require the recipient of the grant to provide funds or in-kind support from non-Federal sources in an amount that is at least equal to the amount of Federal funds.

(i) Coordination and proximity encouraged

In making grants under this section, the Secretary may consider coordination with and proximity to other landscape-scale projects on other land under the jurisdiction of the Secretary, the Secretary of the Interior, or a Governor of a State, including under—

(1) the Collaborative Forest Landscape Restoration Program established under section 7303 of this title;

(2) landscape areas designated for insect and disease treatments under section 6591a of this title;

(3) good neighbor authority under section 2113¹ of this title;

¹ So in original. See section 2113a of this title.
