(1) Any State may apply to the Secretary for approval of a conservation plan.

(2) Applications for the approval of conservation plans shall be made and reviewed by the Secretary in such manner as the Secretary shall by regulation prescribe.

(3) As soon as practicable, but not later than 180 days, after the date on which a State submits (or resubmits in the case of prior disapproval) an application for the approval of a conservation plan the Secretary shall—

(A) approve the conservation plan, and designate it as an approved conservation plan, if he determines that the plan—

(i) meets the requirements set forth in section 2903 of this title, and

(d) Nongame conservation actions in the absence of an approved plan

In the absence of an approved conservation plan, and on a showing of need by the State, the
