

sion thereto, under subsection (c), the Secretary, in consultation with the Secretary of the Interior, shall review the report and, if he finds that the management structure recommended in the report would, if implemented, meet the objectives and standards specified in this section and be consistent with this chapter, approve the report. If the Secretary, in consultation with the Secretary of the Interior, finds that such structure is not in conformity with the standards and objectives set forth in this section, the provisions of this chapter, or other applicable law, he shall return the report to the Commission together with a written statement of the reasons for not approving the report. If the Commission submits a revised report to the Secretary within 2 months after the date of return, the Secretary shall approve the report if he finds that the objections on which the prior disapproval was based are overcome.

(f) Per diem and travel allowances

The members of the Commission (other than those who are full-time employees of the Federal or a State government), while away from their homes or regular places of business for purposes of carrying out their duties as members, shall be allowed travel expenses, including per diem in lieu of subsistence, as authorized by law for persons intermittently employed in Government service.

(g) Administrative support

The Secretary shall provide such clerical and technical support as may be necessary to enable the Commission to carry out its functions.

(h) Termination of Commission

Unless otherwise agreed to by the voting members of the Commission and approved by the Secretary, the Commission shall terminate upon the Secretary's approval of the Commission's report pursuant to subsection (e).

§ 3312. Eligibility for financial assistance under approved enhancement plans

Upon approval by the Secretary of the Commission's report under section 3311 of this title, a State represented by a voting member on the Commission and any treaty tribe represented by a tribal coordinating body shall be eligible for financial assistance under subchapter III if the State or treaty tribe enters into an agreement with the Secretary under which that State or treaty tribe obligates itself—

(1) to implement and enforce the provisions of the report and revisions thereto, through laws, regulations, ordinances, or other appropriate means, within such geographical areas and with respect to such persons as may be subject to its jurisdiction and to the extent of its enforcement power; and

(2) to engage in such coordination and consultation as may be necessary or appropriate to ensure, to the maximum extent practicable, that the report and revisions thereto are fully and effectively implemented.

(Pub. L. 96-561, title I, § 111, Dec. 22, 1980, 94 Stat. 3279.)

§ 3313. Grants for reports and plans for coordinated research, enforcement, etc.

The Secretary, in consultation with the Secretary of the Interior, is authorized to establish a program to provide grants to prepare reports and plans provided for in this subchapter and subchapter III in order to promote coordinated research, enforcement, enhancement, and management of the salmon and steelhead resources within the Washington and Columbia River conservation areas consistent with the purposes of this chapter. Such grants shall be available for use by the State of Washington, the State of Oregon, appropriate tribal coordinating bodies, or any joint governmental entity established for undertaking research, or providing advice on or mechanisms for coordinating management or enforcement, or preparing the reports and plans described in this subchapter and subchapter III.

(Pub. L. 96-561, title I, § 112, Dec. 22, 1980, 94 Stat. 3279.)

§ 3314. Discontinuance of funding

If the Secretary finds that as of the close of the 18th month after secretarial approval of the Commission report under section 3311(e) of this title, the number of parties which have adopted and implemented the Commission's management program in accordance with the provisions of this chapter and the report is insufficient to ensure that the management structure is effective and consistent with the standards and objectives in section 3311(c) of this title, he shall discontinue any further funding under this subchapter or subchapter III of this chapter.

(Pub. L. 96-561, title I, § 113, Dec. 22, 1980, 94 Stat. 3279.)

§ 3315. Authorization of appropriations

There are authorized to be appropriated to the Secretary for the purposes of carrying out the provisions of this subchapter in fiscal years commencing after September 30, 1981, an aggregate amount of \$3,000,000. Funds appropriated pursuant to this section remain available to the Secretary until expended.

SUBCHAPTER III—RESOURCE
ENHANCEMENT

§ 3321. Grants for projects under approved enhancement plans

(a) Authority

The Secretary of the Interior (hereinafter referred to in this subchapter as the "Secretary"), in consultation with the Secretary of Commerce, is authorized to establish a program to provide grants for projects for the enhancement of the salmon and steelhead resources of the Washington conservation area and the Columbia River conservation area.

(b) Plans

Any such project in the Washington conservation area must be in accordance with a comprehensive enhancement plan developed and agreed
