(6) De minimis exception

(A) In general

For purposes of assistance under subsection (b), at the option of an eligible producer on a farm, the Secretary shall waive paragraph (1)—

(i) in the case of a portion of the total acreage of a farm of the eligible producer that is not of economic significance on the farm, as established by the Secretary; or

(ii) in the case of a crop for which the administrative fee required for the purchase of noninsured crop disaster assistance coverage exceeds 10 percent of the value of that coverage.

(B) Treatment of acreage

The Secretary shall not consider the value of any crop exempted under subparagraph (A) in calculating the supplemental revenue assistance program guarantee under subsection (b)(3) and the total farm revenue under subsection (b)(4).

(7) 2008 transition assistance

(A) In general

Eligible producers on a farm described in subparagraph (A) of paragraph (4) that failed to timely pay the appropriate fee described in that subparagraph shall be eligible for assistance under this section in accordance with subparagraph (B) if the eligible producers on the farm—

(ii) in the case of each noninsurable commodity of the eligible producers on the farm, had filed the required paperwork, and paid the administrative fee by the applicable State filing deadline, for the noninsured crop assistance program for the 2008 crop year, except that in determining the level of coverage, the Secretary shall use 70 percent of the applicable yield.

(C) Equitable relief

Except as provided in subparagraph (D), eligible producers on a farm that met the requirements of paragraph (1) before the deadline described in paragraph (4)(A) and are eligible to receive, a disaster assistance payment under this section for a production loss during the 2008 crop year shall be eligible to receive an amount equal to the greater of—

(i) the amount that would have been calculated under subparagraph (B) if the eligible producers on the farm had paid the appropriate fee under that subparagraph; or

(E) Authority of the Secretary

The Secretary may provide such additional assistance as the Secretary considers appropriate to provide equitable treatment for eligible producers on a farm that suffered production losses in the 2008 crop year that result in multiyear production losses, as determined by the Secretary.

(F) Lack of access

Notwithstanding any other provision of this section, the Secretary may provide assistance (including multiyear assistance) under this section to eligible producers on a farm that—

(i) suffered a production loss or multiyear production losses due to a natural cause during the 2008 crop year; and

(ii) as determined by the Secretary—

(I)(aa) except as provided in item (bb), lack access to a policy or plan of insurance under subtitle A³; or
