(b) Types of procedures

The procedures required by this section shall include the following:

(1) An opportunity for the parents of a child with a disability to examine all records relating to such child and to participate in meetings with respect to the identification, evaluation, and educational placement of the child, and the provision of a free appropriate public education to such child, and to obtain an independent educational evaluation of the child.

(2)(A) Procedures to protect the rights of the child whenever the parents of the child are not known, the agency cannot, after reasonable ef-

(3) Written prior notice to the parents of the child, in accordance with subsection (c)(1), whenever the local educational agency—

(A) proposes to initiate or change; or

(B) refuses to initiate or change,

the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education to the child.

(5) An opportunity for mediation, in accordance with subsection (e).

(6) An opportunity for any party to present a complaint—

(A) with respect to any matter relating to the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education to such child; and

(B) which sets forth an alleged violation that occurred not more than 2 years before the date the parent or public agency knew or should have known about the alleged action that forms the basis of the complaint, or, if the State has an explicit time limitation for presenting such a complaint under this subchapter, in such time as the State law allows, except that the exceptions to the timeline described in subsection (f)(3)(D) shall apply to the timeline described in this subparagraph.

(7)(A) Procedures that require either party, or the attorney representing a party, to provide due process complaint notice in accordance with subsection (c)(2) (which shall remain confidential)—

(i) to the other party, in the complaint filed under paragraph (6), and forward a copy of such notice to the State educational agency; and

(IV) a proposed resolution of the problem to the extent known and available to the party at the time.

(B) A requirement that a party may not have a due process hearing until the party, or the attorney representing the party, files a notice that meets the requirements of subparagraph (A)(ii).

(8) Procedures that require the State educational agency to develop a model form to assist parents in filing a complaint and due process complaint notice in accordance with paragraphs (6) and (7), respectively.

(c) Notification requirements

(1) Content of prior written notice

The notice required by subsection (b)(3) shall include—

(C) a statement that the parents of a child with a disability have protection under the procedural safeguards of this subchapter and, if this notice is not an initial referral for evaluation, the means by which a copy of a description of the procedural safeguards can be obtained;

(D) sources for parents to contact to obtain assistance in understanding the provisions of this subchapter;

(E) a description of other options considered by the IEP Team and the reason why those options were rejected; and

In any action or proceeding brought under this section, the court, in its discretion, may award reasonable attorneys' fees as part of the costs—

(I) to a prevailing party who is the parent of a child with a disability;

(II) to a prevailing party who is a State educational agency or local educational agency against the attorney of a parent who files a complaint or subsequent cause of action that is frivolous, unreasonable, or without foundation, or against the attorney of a parent who continued to litigate after the litigation clearly became frivolous, unreasonable, or without foundation; or

(III) to a prevailing State educational agency or local educational agency

against the attorney of a parent, or against the parent, if the parent's complaint or subsequent cause of action was presented for any improper purpose, such as to harass, to cause unnecessary delay, or to needlessly increase the cost of litigation.

(ii) Rule of construction

Nothing in this subparagraph shall be construed to affect section 327 of the District of Columbia Appropriations Act, 2005.

(C) Determination of amount of attorneys' fees

Fees awarded under this paragraph shall be based on rates prevailing in the community in which the action or proceeding arose for the kind and quality of services furnished. No bonus or multiplier may be used in calculating the fees awarded under this subsection.

(D) Prohibition of attorneys' fees and related costs for certain services

(i) In general

Attorneys' fees may not be awarded and related costs may not be reimbursed in any action or proceeding under this section for services performed subsequent to the time of a written offer of settlement to a parent if—

(I) the offer is made within the time prescribed by Rule 68 of the Federal Rules of Civil Procedure or, in the case of an administrative proceeding, at any time more than 10 days before the proceeding begins;

(II) the offer is not accepted within 10 days; and

(III) the court or administrative hearing officer finds that the relief finally obtained by the parents is not more favorable to the parents than the offer of settlement.

(ii) IEP Team meetings

Attorneys' fees may not be awarded relating to any meeting of the IEP Team unless such meeting is convened as a result of an administrative proceeding or judicial action, or, at the discretion of the State, for a mediation described in subsection (e).

(iii) Opportunity to resolve complaints

A meeting conducted pursuant to subsection (f)(1)(B)(i) shall not be considered—

(ii) the amount of the attorneys' fees otherwise authorized to be awarded unreasonably exceeds the hourly rate prevailing in the community for similar services by attorneys of reasonably comparable skill, reputation, and experience;

(iii) the time spent and legal services furnished were excessive considering the nature of the action or proceeding; or

(iv) the attorney representing the parent did not provide to the local educational agency the appropriate information in the notice of the complaint described in subsection (b)(7)(A),

the court shall reduce, accordingly, the amount of the attorneys' fees awarded under this section.

(G) Exception to reduction in amount of attorneys' fees

The provisions of subparagraph (F) shall not apply in any action or proceeding if the court finds that the State or local educational agency unreasonably protracted the final resolution of the action or proceeding or there was a violation of this section.

(j) Maintenance of current educational placement

Except as provided in subsection (k)(4), during the pendency of any proceedings conducted pursuant to this section, unless the State or local educational agency and the parents otherwise agree, the child shall remain in the then-current educational placement of the child, or, if applying for initial admission to a public school, shall, with the consent of the parents, be placed in the public school program until all such proceedings have been completed.

(k) Placement in alternative educational setting

(1) Authority of school personnel

(A) Case-by-case determination

School personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

(B) Authority

School personnel under this subsection may remove a child with a disability who violates a code of student conduct from their current placement to an appropriate interim alternative educational setting, another setting, or suspension, for not more than 10 school days (to the extent such alternatives are applied to children without disabilities).

(C) Additional authority

If school personnel seek to order a change in placement that would exceed 10 school days and the behavior that gave rise to the violation of the school code is determined not to be a manifestation of the child's disability pursuant to subparagraph (E), the relevant disciplinary procedures applicable to children without disabilities may be ap-

plied to the child in the same manner and for the same duration in which the procedures would be applied to children without disabilities, except as provided in section 1412(a)(1) of this title although it may be provided in an interim alternative educational setting.

(D) Services

A child with a disability who is removed from the child's current placement under subparagraph (G) (irrespective of whether the behavior is determined to be a manifestation of the child's disability) or subparagraph (C) shall—

(i) continue to receive educational services, as provided in section 1412(a)(1) of this title, so as to enable the child to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's IEP; and

(ii) receive, as appropriate, a functional behavioral assessment, behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

(E) Manifestation determination

(i) In general

Except as provided in subparagraph (B), within 10 school days of any decision to change the placement of a child with a disability because of a violation of a code of student conduct, the local educational agency, the parent, and relevant members of the IEP Team (as determined by the parent and the local educational agency) shall review all relevant information in the student's file, including the child's IEP, any teacher observations, and any relevant information provided by the parents to determine—

(I) if the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or

(II) if the conduct in question was the direct result of the local educational agency's failure to implement the IEP.

(ii) Manifestation

If the local educational agency, the parent, and relevant members of the IEP Team determine that either subclause (I) or (II) of clause (i) is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

(F) Determination that behavior was a manifestation

If the local educational agency, the parent, and relevant members of the IEP Team make the determination that the conduct was a manifestation of the child's disability, the IEP Team shall—

(i) conduct a functional behavioral assessment, and implement a behavioral intervention plan for such child, provided that the local educational agency had not conducted such assessment prior to such determination before the behavior that re-

sulted in a change in placement described in subparagraph (C) or (G);

(ii) in the situation where a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and

(iii) except as provided in subparagraph (G), return the child to the placement from which the child was removed, unless the parent and the local educational agency agree to a change of placement as part of the modification of the behavioral intervention plan.

(G) Special circumstances

School personnel may remove a student to an interim alternative educational setting for not more than 45 school days without regard to whether the behavior is determined to be a manifestation of the child's disability, in cases where a child—

(i) carries or possesses a weapon to or at school, on school premises, or to or at a school function under the jurisdiction of a State or local educational agency;

(ii) knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function under the jurisdiction of a State or local educational agency; or

(iii) has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of a State or local educational agency.

(H) Notification

Not later than the date on which the decision to take disciplinary action is made, the local educational agency shall notify the parents of that decision, and of all procedural safeguards accorded under this section.

(2) Determination of setting

The interim alternative educational setting in subparagraphs (C) and (G) of paragraph (1) shall be determined by the IEP Team.

(3) Appeal

(A) In general

The parent of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination under this subsection, or a local educational agency that believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request a hearing.

(B) Authority of hearing officer

(i) In general

A hearing officer shall hear, and make a determination regarding, an appeal requested under subparagraph (A).

(ii) Change of placement order

In making the determination under clause (i), the hearing officer may order a

change in placement of a child with a disability. In such situations, the hearing officer may—

(I) return a child with a disability to the placement from which the child was removed; or

(II) order a change in placement of a child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or to others.

(4) Placement during appeals

When an appeal under paragraph (3) has been requested by either the parent or the local educational agency—
