§ 6645. National evaluation and information dissemination

(a) National evaluation

From funds reserved under section 6642(b)(1) of this title, the Director of the Institute of Education Sciences shall conduct a national evaluation of the grant and subgrant programs assisted under this subpart. Such evaluation shall include high-quality research that applies rigorous and systematic procedures to obtain valid knowledge relevant to the implementation and effect of the programs and shall directly coordinate with individual State evaluations of the programs' implementation and impact.

(b) Program improvement

The Secretary shall—

(1) provide the findings of the evaluation conducted under this section to State educational agencies and subgrant recipients for use in program improvement;

(2) make such findings publicly available, including on the websites of the Department and the Institute of Education Sciences;

(3) submit such findings to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Education and the Workforce of the House of Representatives; and

(4) make publicly available, in a manner consistent with paragraph (2), best practices for implementing evidence-based activities under this subpart, including evidence-based activities, defined for the purpose of this paragraph as activities meeting the requirements of section 7801(21)(A)(i) of this title.

(Pub. L. 89-10, title II, §2225, as added Pub. L. 114-95, title II, §2002, Dec. 10, 2015, 129 Stat. 1943.)

PRIOR PROVISIONS

§ 6646. Innovative approaches to literacy

(a) In general

From amounts reserved under section 6621(2) of this title, the Secretary may award grants,

contracts, or cooperative agreements, on a competitive basis, to eligible entities for the purposes of promoting literacy programs that support the development of literacy skills in low-income communities, including—

(1) developing and enhancing effective school library programs, which may include providing professional development for school librarians, books, and up-to-date materials to high-need schools;

(2) early literacy services, including pediatric literacy programs through which, during well-child visits, medical providers trained in research-based methods of early language and literacy promotion provide developmentally appropriate books and recommendations to parents to encourage them to read aloud to their children starting in infancy; and

(3) programs that provide high-quality books on a regular basis to children and adolescents from low-income communities to increase reading motivation, performance, and frequency.

(b) Definitions

In this section:

(1) Eligible entity

The term “eligible entity” means—

(A) a local educational agency in which 20 percent or more of the students served by the local educational agency are from families with an income below the poverty line;

(B) a consortium of such local educational agencies;

(C) the Bureau of Indian Education; or

(D) an eligible national nonprofit organization.

(2) Eligible national nonprofit organization

The term “eligible national nonprofit organization” means an organization of national scope that—

(A) is supported by staff, which may include volunteers, or affiliates at the State and local levels; and

(B) demonstrates effectiveness or high-quality plans for addressing childhood literacy activities for the population targeted by the grant.
