### § 9543. Duties

#### (a) General duties

The Statistics Center shall collect, report, analyze, and disseminate statistical data related to education in the United States and in other nations, including—

(1) collecting, acquiring, compiling (where appropriate, on a State-by-State basis), and disseminating full and complete statistics (disaggregated by the population characteristics described in paragraph (3)) on the condition and progress of education, at the pre-school, elementary, secondary, postsecondary, and adult levels in the United States, including data on—

(A) State and local education reform activities;

(B) State and local early childhood school readiness activities;

(C) student achievement in, at a minimum, the core academic areas of reading, mathematics, and science at all levels of education;

(D) secondary school completions, dropouts, and adult literacy and reading skills;

(E) access to, and opportunity for, postsecondary education, including data on financial aid to postsecondary students;

(F) teaching, including—

(i) data on in-service professional development, including a comparison of courses taken in the core academic areas of reading, mathematics, and science with courses in noncore academic areas, including technology courses; and

(ii) the percentage of teachers who meet the applicable State certification and licensure requirements, including any requirements for certification obtained through alternative routes to certification, or, with regard to special education teachers, the qualifications described in section 1412(a)(14)(C) of this title.<sup>1</sup> in each State and, where feasible, in each local educational agency and school;

(G) instruction, the conditions of the education workplace, and the supply of, and demand for, teachers;

(H) the incidence, frequency, seriousness, and nature of violence affecting students, school personnel, and other individuals participating in school activities, as well as other indices of school safety, including information regarding—

(i) the relationship between victims and perpetrators;

(ii) demographic characteristics of the victims and perpetrators; and

(iii) the type of weapons used in incidents, as classified in the Uniform Crime Reports of the Federal Bureau of Investigation;

(I) the financing and management of education, including data on revenues and expenditures;

(J) the social and economic status of children, including their academic achievement;

(K) the existence and use of educational technology and access to the Internet by students and teachers in elementary schools and secondary schools;

(L) access to, and opportunity for, early childhood education;

(M) the availability of, and access to, before-school and after-school programs (including such programs during school recesses);

(N) student participation in and completion of secondary and postsecondary vocational and technical education programs by specific program area; and

(O) the existence and use of school libraries;

(2) conducting and publishing reports on the meaning and significance of the statistics described in paragraph (1);

(3) collecting, analyzing, cross-tabulating, and reporting, to the extent feasible, information by gender, race, ethnicity, socioeconomic status, limited English proficiency, mobility, disability, urban, rural, suburban districts, and other population characteristics, when such disaggregated information will facilitate educational and policy decisionmaking;

(4) assisting public and private educational agencies, organizations, and institutions in improving and automating statistical and data collection activities, which may include assisting State educational agencies and local educational agencies with the disaggregation of data and with the development of longitudinal student data systems;

(5) determining voluntary standards and guidelines to assist State educational agencies in developing statewide longitudinal data systems that link individual student data consistent with the requirements of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 6301 et seq.), promote linkages across States, and protect student privacy consistent with section 9573 of this title, to improve student academic achievement and close achievement gaps;

(6) acquiring and disseminating data on educational activities and student achievement (such as the Third International Math and Science Study) in the United States compared with foreign nations;

(7) conducting longitudinal and special data collections necessary to report on the condition and progress of education;

(8) assisting the Director in the preparation of a biennial report, as described in section 9519 of this title; and

(9) determining, in consultation with the National Research Council of the National Academies, methodology by which States may accurately measure graduation rates (defined as the percentage of students who graduate from secondary school with a regular diploma in the standard number of years), school completion rates, and dropout rates.

## AMENDMENTS

2015—Subsec. (a)(1)(F)(ii). Pub. L. 114-95 substituted “teachers who meet the applicable State certification and licensure requirements, including any requirements for certification obtained through alternative routes to certification, or, with regard to special education teachers, the qualifications described in section 1412(a)(14)(C) of this title.” for “teachers who are highly qualified (as such term is defined in section 9101 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7801))”.

## EFFECTIVE DATE OF 2015 AMENDMENT

Amendment by Pub. L. 114-95 effective Dec. 10, 2015, except with respect to certain noncompetitive programs and competitive programs, see section 5 of Pub. L. 114-95, set out as a note under section 6301 of this title.

## STUDY BY NATIONAL CENTER FOR EDUCATION STATISTICS RESPECTING CONDITION OF EDUCATION FOR HISPANIC AMERICANS

Pub. L. 98-211, §24(b), Dec. 8, 1983, 97 Stat. 1419, provided that: “The National Center for Education Statistics shall not terminate the study of the condition of education for Hispanic Americans unless specifically required or authorized to do so by law.”

**§ 9544. Performance of duties****(a) Grants, contracts, and cooperative agreements**

In carrying out the duties under this part, the Statistics Commissioner,<sup>1</sup> may award grants, enter into contracts and cooperative agreements, and provide technical assistance.

**(b) Gathering information****(1) Sampling**

The Statistics Commissioner may use the statistical method known as sampling (including random sampling) to carry out this part.

**(2) Source of information**

The Statistics Commissioner may, as appropriate, use information collected—

(A) from States, local educational agencies, public and private schools, preschools, institutions of higher education, vocational and adult education programs, libraries, ad-

ministrators, teachers, students, the general public, and other individuals, organizations, agencies, and institutions (including information collected by States and local educational agencies for their own use); and

(B) by other offices within the Institute and by other Federal departments, agencies, and instrumentalities.

**(3) Collection**

The Statistics Commissioner may—

(A) enter into interagency agreements for the collection of statistics;

(B) arrange with any agency, organization, or institution for the collection of statistics; and

(C) assign employees of the Statistics Center to any such agency, organization, or institution to assist in such collection.

**(4) Technical assistance and coordination**

In order to maximize the effectiveness of Department efforts to serve the educational needs of children and youth, the Statistics Commissioner shall—

(A) provide technical assistance to the Department offices that gather data for statistical purposes; and

(B) coordinate with other Department offices in the collection of data.

**(c) Duration**

Notwithstanding any other provision of law, the grants, contracts, and cooperative agreements under this section may be awarded, on a competitive basis, for a period of not more than 5 years, and may be renewed at the discretion of the Statistics Commissioner for an additional period of not more than 5 years.

(Pub. L. 107-279, title I, §154, Nov. 5, 2002, 116 Stat. 1960.)

**§ 9545. Reports****(a) Procedures for issuance of reports**

The Statistics Commissioner,<sup>1</sup> shall establish procedures, in accordance with section 9576 of this title, to ensure that the reports issued under this section are relevant, of high quality, useful to customers, subject to rigorous peer review, produced in a timely fashion, and free from any partisan political influence.

**(b) Report on condition and progress of education**

Not later than June 1, 2003, and each June 1 thereafter, the Statistics Commissioner,<sup>1</sup> shall submit to the President and the appropriate congressional committees a statistical report on the condition and progress of education in the United States.

**(c) Statistical reports**

The Statistics Commissioner shall issue regular and, as necessary, special statistical reports on education topics, particularly in the core academic areas of reading, mathematics, and science, consistent with the priorities and the mission of the Statistics Center.
