

regarding the contract health service program, including the distribution of funds pursuant to the program—

(1) to determine whether the current distribution formula would require modification if the contract health service program were funded at the level recommended by the Comptroller General;

(2) to identify any inequities in the current distribution formula under the current funding level or inequitable results for any Indian tribe under the funding level recommended by the Comptroller General;

(3) to identify any areas of program administration that may result in the inefficient or ineffective management of the program; and

(4) to identify any other issues and recommendations to improve the administration of the contract health services program and correct any unfair results or funding disparities identified under paragraph (2).

(c) Subsequent action by Secretary

If, after consultation with Indian tribes under subsection (b), the Secretary determines that any issue described in subsection (b)(2) exists, the Secretary may initiate procedures under subchapter III of chapter 5 of title 5 to negotiate or promulgate regulations to establish a disbursement formula for the contract health service program funding.

SUBCHAPTER III—HEALTH FACILITIES

§ 1631. Consultation; closure of facilities; reports

(a) Consultation; standards for accreditation

Prior to the expenditure of, or the making of any firm commitment to expend, any funds appropriated for the planning, design, construction, or renovation of facilities pursuant to section 13 of this title, the Secretary, acting through the Service, shall—

(1) consult with any Indian tribe that would be significantly affected by such expenditure for the purpose of determining and, whenever practicable, honoring tribal preferences concerning size, location, type, and other characteristics of any facility on which such expenditure is to be made, and

(2) ensure, whenever practicable, that such facility meets the standards of the Joint Commission on Accreditation of Health Care Organizations by not later than 1 year after the date on which the construction or renovation of such facility is completed.

(b) Closure; report on proposed closure

(1) Notwithstanding any provision of law other than this subsection, no Service hospital or outpatient health care facility of the Service, or any portion of such a hospital or facility, may be closed if the Secretary has not submitted to the Congress at least 1 year prior to the date such hospital or facility (or portion thereof) is proposed to be closed an evaluation of the impact of such proposed closure which specifies, in addition to other considerations—

(A) the accessibility of alternative health care resources for the population served by such hospital or facility;

(B) the cost effectiveness of such closure;

(C) the quality of health care to be provided to the population served by such hospital or facility after such closure;

(D) the availability of contract health care funds to maintain existing levels of service;

(E) the views of the Indian tribes served by such hospital or facility concerning such closure;

(F) the level of utilization of such hospital or facility by all eligible Indians; and

(G) the distance between such hospital or facility and the nearest operating Service hospital.

(2) Paragraph (1) shall not apply to any temporary closure of a facility or of any portion of a facility if such closure is necessary for medical, environmental, or safety reasons.

(c) Health care facility priority system

(1) In general

(A) Priority system

The Secretary, acting through the Service, shall maintain a health care facility priority system, which—
