§ 2710. Tribal gaming ordinances

(a) Jurisdiction over class I and class II gaming activity

(1) Class I gaming on Indian lands is within the exclusive jurisdiction of the Indian tribes and shall not be subject to the provisions of this chapter.

(2) Any class II gaming on Indian lands shall continue to be within the jurisdiction of the Indian tribes, but shall be subject to the provisions of this chapter.

(b) Regulation of class II gaming activity; net revenue allocation; audits; contracts

(1) An Indian tribe may engage in, or license and regulate, class II gaming on Indian lands within such tribe's jurisdiction, if—

(A) such Indian gaming is located within a State that permits such gaming for any purpose by any person, organization or entity (and such gaming is not otherwise specifically prohibited on Indian lands by Federal law), and

(B) the governing body of the Indian tribe adopts an ordinance or resolution which is approved by the Chairman.

A separate license issued by the Indian tribe shall be required for each place, facility, or location on Indian lands at which class II gaming is conducted.

(2) The Chairman shall approve any tribal ordinance or resolution concerning the conduct, or regulation of class II gaming on the Indian lands within the tribe's jurisdiction if such ordinance or resolution provides that—

(A) except as provided in paragraph (4), the Indian tribe will have the sole proprietary interest and responsibility for the conduct of any gaming activity;

(B) net revenues from any tribal gaming are not to be used for purposes other than—

(i) to fund tribal government operations or programs;

(ii) to provide for the general welfare of the Indian tribe and its members;

(iii) to promote tribal economic development;

(iv) to donate to charitable organizations; or

(v) to help fund operations of local government agencies;

(C) annual outside audits of the gaming, which may be encompassed within existing independent tribal audit systems, will be provided by the Indian tribe to the Commission;

(D) all contracts for supplies, services, or concessions for a contract amount in excess of \$25,000 annually (except contracts for professional legal or accounting services) relating to such gaming shall be subject to such independent audits;

(E) the construction and maintenance of the gaming facility, and the operation of that gaming is conducted in a manner which adequately protects the environment and the public health and safety; and

(F) there is an adequate system which—

(i) ensures that background investigations are conducted on the primary management officials and key employees of the gaming

enterprise and that oversight of such officials and their management is conducted on an ongoing basis; and

(ii) includes—

(I) tribal licenses for primary management officials and key employees of the gaming enterprise with prompt notification to the Commission of the issuance of such licenses;

(II) a standard whereby any person whose prior activities, criminal record, if any, or reputation, habits and associations pose a threat to the public interest or to the effective regulation of gaming, or create or enhance the dangers of unsuitable, unfair, or illegal practices and methods and activities in the conduct of gaming shall not be eligible for employment; and

(III) notification by the Indian tribe to the Commission of the results of such background check before the issuance of any of such licenses.

(3) Net revenues from any class II gaming activities conducted or licensed by any Indian tribe may be used to make per capita payments to members of the Indian tribe only if—

(A) the Indian tribe has prepared a plan to allocate revenues to uses authorized by paragraph (2)(B);

(B) the plan is approved by the Secretary as adequate, particularly with respect to uses described in clause (i) or (iii) of paragraph (2)(B);

(D) the per capita payments are subject to Federal taxation and tribes notify members of such tax liability when payments are made.

(4)(A) A tribal ordinance or resolution may provide for the licensing or regulation of class II gaming activities owned by any person or entity other than the Indian tribe and conducted on Indian lands, only if the tribal licensing requirements include the requirements described in the subclauses of subparagraph (B)(i) and are at least as restrictive as those established by State law governing similar gaming within the jurisdiction of the State within which such Indian lands are located. No person or entity, other than the Indian tribe, shall be eligible to receive a tribal license to own a class II gaming activity conducted on Indian lands within the jurisdiction of the Indian tribe if such person or entity would not be eligible to receive a State license to conduct the same activity within the jurisdiction of the State.
