(b) *Qualification Requirements for Multiple Employer Plans.* Within 180 days of the date of this order, the Secretary of the Treasury shall consider proposing amendments to regulations or other guidance, consistent with applicable law and the policy set forth in section 1 of this order, regarding the circumstances under which a MEP may satisfy the tax qualification requirements set forth in the Internal Revenue Code of 1986 [26 U.S.C. 1 et seq.], including the consequences if one or more employers that sponsored or adopted the plan fails to take one or more actions necessary to meet those requirements. The Secretary of the Treasury shall consult with the Secretary of Labor in advance of issuing any such proposed guidance, and the Secretary of Labor shall take steps to facilitate the implementation of any guidance, as appropriate and consistent with applicable law.

(c) *Improving the Effectiveness of and Reducing the Cost of Furnishing Required Notices and Disclosures.* Within 1 year of the date of this order, the Secretary of Labor shall, in consultation with the Secretary of the Treasury, complete a review of actions that could be taken through regulation or guidance, or both, to make retirement plan disclosures required under ERISA [Pub. L. 93-406, 29 U.S.C. 1001 et seq.] and the Internal Revenue Code of 1986 more understandable and useful for participants and beneficiaries, while also reducing the costs and burdens they impose on employers and other plan fiduciaries responsible for their production and distribution. This review shall include an exploration of the potential for broader use of electronic delivery as a way to improve the effectiveness of disclosures and to reduce their associated costs and burdens. If the Secretary of Labor finds that action should be taken, the Secretary shall, in consultation with the Secretary of the Treasury, consider proposing appropriate regulations or guidance, consistent with applicable law and the policy set forth in section 1 of this order.

(d) *Updating Life Expectancy and Distribution Period Tables for Purposes of Required Minimum Distribution Rules.* Within 180 days of the date of this order, the Secretary of the Treasury shall, consistent with applicable law and the policy set forth in section 1 of this order, examine the life expectancy and distribution period tables in the regulations on required minimum distributions from retirement plans (67 Fed. Reg. 18988) and determine whether they should be updated to reflect current mortality data and whether such updates should be made annually or on another periodic basis.

SEC. 3. *General Provisions.* (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

§ 1001a. Additional Congressional findings and declaration of policy

(a) Effects of multiemployer pension plans

The Congress finds that—

(1) multiemployer pension plans have a substantial impact on interstate commerce and are affected with a national public interest;

(2) multiemployer pension plans have accounted for a substantial portion of the in-

crease in private pension plan coverage over the past three decades;

(3) the continued well-being and security of millions of employees, retirees, and their dependents are directly affected by multiemployer pension plans; and

(4)(A) withdrawals of contributing employers from a multiemployer pension plan frequently result in substantially increased funding obligations for employers who continue to contribute to the plan, adversely affecting the plan, its participants and beneficiaries, and labor-management relations, and

(B) in a declining industry, the incidence of employer withdrawals is higher and the adverse effects described in subparagraph (A) are exacerbated.

(b) Modification of multiemployer plan termination insurance provisions and replacement of program

The Congress further finds that—

(1) it is desirable to modify the current multiemployer plan termination insurance provisions in order to increase the likelihood of protecting plan participants against benefit losses; and

(2) it is desirable to replace the termination insurance program for multiemployer pension plans with an insolvency-based benefit protection program that will enhance the financial soundness of such plans, place primary emphasis on plan continuation, and contain program costs within reasonable limits.

(c) Policy

It is hereby declared to be the policy of this Act—

(1) to foster and facilitate interstate commerce,

(2) to alleviate certain problems which tend to discourage the maintenance and growth of multiemployer pension plans,

(3) to provide reasonable protection for the interests of participants and beneficiaries of financially distressed multiemployer pension plans, and

(4) to provide a financially self-sufficient program for the guarantee of employee benefits under multiemployer plans.

STUDY AND REPORT RESPECTING COLLECTIVE BARGAINING FOR CONTRIBUTIONS TO, AND BENEFITS FROM, MULTIEMPLOYER PLANS

Pub. L. 96-364, title IV, § 412(b), Sept. 26, 1980, 94 Stat. 1309, directed Secretary of Labor to study feasibility of

requiring collective bargaining on both issues of contributions to, and benefits from, multiemployer plans, and submit a report on the study to Congress within 3 years of Sept. 26, 1980.

§ 1001b. Findings and declaration of policy

(a) Findings

The Congress finds that—

(1) single-employer defined benefit pension plans have a substantial impact on interstate commerce and are affected with a national interest;

(2) the continued well-being and retirement income security of millions of workers, retirees, and their dependents are directly affected by such plans;

(3) the existence of a sound termination insurance system is fundamental to the retirement income security of participants and beneficiaries of such plans; and

(4) the current termination insurance system in some instances encourages employers to terminate pension plans, evade their obligations to pay benefits, and shift unfunded pension liabilities onto the termination insurance system and the other premium-payers.

(b) Additional findings

The Congress further finds that modification of the current termination insurance system and an increase in the insurance premium for single-employer defined benefit pension plans—

(1) is desirable to increase the likelihood that full benefits will be paid to participants and beneficiaries of such plans;

(2) is desirable to provide for the transfer of liabilities to the termination insurance system only in cases of severe hardship;

(3) is necessary to maintain the premium costs of such system at a reasonable level; and

(4) is necessary to finance properly current funding deficiencies and future obligations of the single-employer pension plan termination insurance system.

(c) Declaration of policy

It is hereby declared to be the policy of this title—

(1) to foster and facilitate interstate commerce;

(2) to encourage the maintenance and growth of single-employer defined benefit pension plans;

(3) to increase the likelihood that participants and beneficiaries under single-employer defined benefit pension plans will receive their full benefits;

(4) to provide for the transfer of unfunded pension liabilities onto the single-employer pension plan termination insurance system only in cases of severe hardship;

(5) to maintain the premium costs of such system at a reasonable level; and

(6) to assure the prudent financing of current funding deficiencies and future obligations of the single-employer pension plan termination insurance system by increasing termination insurance premiums.

§ 1002. Definitions

For purposes of this subchapter:

(1) The terms “employee welfare benefit plan” and “welfare plan” mean any plan, fund, or program which was heretofore or is hereafter established or maintained by an employer or by an employee organization, or by both, to the extent that such plan, fund, or program was established or is maintained for the purpose of providing for its participants or their beneficiaries, through the purchase of insurance or otherwise, (A) medical, surgical, or hospital care or benefits, or benefits in the event of sickness, accident, disability, death or unemployment, or vacation benefits, apprenticeship or other training programs, or day care centers, scholarship funds, or prepaid legal services, or (B) any benefit described in section 186(c) of this title (other than pensions on retirement or death, and insurance to provide such pensions).

(2)(A) Except as provided in subparagraph (B), the terms “employee pension benefit plan” and “pension plan” mean any plan, fund, or program which was heretofore or is hereafter established or maintained by an employer or by an employee organization, or by both, to the extent that by its express terms or as a result of surrounding circumstances such plan, fund, or program—

(i) provides retirement income to employees,

or

(ii) results in a deferral of income by employees for periods extending to the termination of covered employment or beyond,

regardless of the method of calculating the contributions made to the plan, the method of calculating the benefits under the plan or the method of distributing benefits from the plan. A distribution from a plan, fund, or program shall not be treated as made in a form other than retirement income or as a distribution prior to termination of covered employment solely because such distribution is made to an employee who has attained age 62 and who is not separated from employment at the time of such distribution.

(B) The Secretary may by regulation prescribe rules consistent with the standards and purposes of this chapter providing one or more exempt categories under which—

(i) severance pay arrangements, and

(ii) supplemental retirement income payments, under which the pension benefits of retirees or their beneficiaries are supplemented to take into account some portion or all of the
