§ 10593. Program requirements

(a) In general

A program for which a grant is made under section 10591(1) of this title shall comply with the following requirements:

(1) The program shall ensure that all providers of substance abuse treatment are approved by the State or Indian Tribe and are licensed, if necessary, to provide medical and other health services.

(2) The program shall ensure appropriate coordination and consultation with the Single State Authority for Substance Abuse of the State (as that term is defined in section 60521(e) of this title).

(3) The program shall consist of clinically-appropriate, comprehensive, and long-term family treatment, including the treatment of the nonviolent parent drug offender, the child of such offender, and any other appropriate member of the family of the offender.

(4) The program shall be provided in a residential setting that is not a hospital setting or an intensive outpatient setting.

(5) The program shall provide that if a nonviolent parent drug offender who participates in that program does not successfully complete the program the offender shall serve an appropriate sentence of imprisonment with respect to the underlying crime involved.

(6) The program shall ensure that a determination is made as to whether a nonviolent drug offender has completed the substance abuse treatment program.

(7) The program shall include the implementation of a system of graduated sanctions (including incentives) that are applied based on the accountability of the nonviolent parent
