§ 30104. Improved investigative and forensic resources for enforcement of laws related to intellectual property crimes

(a) In general

Subject to the availability of appropriations to carry out this subsection, the Attorney General, in consultation with the Director of the Federal Bureau of Investigation, shall, with respect to crimes related to the theft of intellectual property—

(1) ensure that there are at least 10 additional operational agents of the Federal Bureau of Investigation designated to support the Computer Crime and Intellectual Property Section of the Criminal Division of the Department of Justice in the investigation and coordination of intellectual property crimes;

(2) ensure that any Computer Hacking and Intellectual Property Crime Unit in the Department of Justice is supported by at least 1 agent of the Federal Bureau of Investigation (in addition to any agent supporting such unit as of October 13, 2008) to support such unit for the purpose of investigating or prosecuting intellectual property crimes;

(3) ensure that all Computer Hacking and Intellectual Property Crime Units located at an office of a United States Attorney are assigned at least 2 Assistant United States Attorneys responsible for investigating and prosecuting computer hacking or intellectual property crimes; and

(4) ensure the implementation of a regular and comprehensive training program—

(A) the purpose of which is to train agents of the Federal Bureau of Investigation in the investigation and prosecution of such crimes and the enforcement of laws related to intellectual property crimes; and

(B) that includes relevant forensic training related to investigating and prosecuting intellectual property crimes.

(b) Organized crime plan

Subject to the availability of appropriations to carry out this subsection, and not later than 180 days after October 13, 2008, the Attorney General, through the United States Attorneys' Offices, the Computer Crime and Intellectual Property section, and the Organized Crime and Racketeering section of the Department of Justice, and in consultation with the Federal Bu-

reau of Investigation and other Federal law enforcement agencies, such as the Department of Homeland Security, shall create and implement a comprehensive, long-range plan to investigate and prosecute international organized crime syndicates engaging in or supporting crimes relating to the theft of intellectual property.

(c) Authorization

There are authorized to be appropriated to carry out this section \$10,000,000 for each of fiscal years 2009 through 2013.

(Pub. L. 110-403, title IV, §402, Oct. 13, 2008, 122 Stat. 4272.)

§ 30105. Additional funding for resources to investigate and prosecute intellectual property crimes and other criminal activity involving computers

(a) Additional funding for resources

(1) Authorization

In addition to amounts otherwise authorized for resources to investigate and prosecute intellectual property crimes and other criminal activity involving computers, there are authorized to be appropriated for each of the fiscal years 2009 through 2013—

(A) \$10,000,000 to the Director of the Federal Bureau of Investigation; and

(B) \$10,000,000 to the Attorney General for the Criminal Division of the Department of Justice.

(2) Availability

Any amounts appropriated under paragraph (1) shall remain available until expended.

(b) Use of additional funding

Funds made available under subsection (a) shall be used by the Director of the Federal Bureau of Investigation and the Attorney General, for the Federal Bureau of Investigation and the Criminal Division of the Department of Justice, respectively, to—

(1) hire and train law enforcement officers to—

(A) investigate intellectual property crimes and other crimes committed through the use of computers and other information technology, including through the use of the Internet; and

(B) assist in the prosecution of such crimes; and

(2) enable relevant units of the Department of Justice, including units responsible for investigating computer hacking or intellectual property crimes, to procure advanced tools of forensic science and expert computer forensic assistance, including from non-governmental entities, to investigate, prosecute, and study such crimes.

(Pub. L. 110-403, title IV, §403, Oct. 13, 2008, 122 Stat. 4273.)

§ 30106. Annual reports**(a) Report of the Attorney General**

Not later than 1 year after October 13, 2008, and annually thereafter, the Attorney General shall submit a report to Congress on actions taken to carry out sections 30103 to 30106 of this title. The initial report required under this subsection shall be submitted by May 1, 2009. All subsequent annual reports shall be submitted by May 1st of each fiscal year thereafter. The report required under this subsection may be submitted as part of the annual performance report of the Department of Justice, and shall include the following:

(1) With respect to grants issued under section 30103 of this title, the number and identity of State and local law enforcement grant applicants, the number of grants issued, the dollar value of each grant, including a break down of such value showing how the recipient used the funds, the specific purpose of each grant, and the reports from recipients of the grants on the efficacy of the program supported by the grant. The Department of Justice shall use the information provided by the grant recipients to produce a statement for each individual grant. Such statement shall state whether each grantee has accomplished the purposes of the grant as established in section 30103(b) of this title. Those grantees not in compliance with the requirements of sections 30103 to 30106 of this title shall be subject, but not limited to, sanctions as described in the Financial Guide issued by the Office of Justice Programs at the Department of Justice.

(2) With respect to the additional agents of the Federal Bureau of Investigation authorized under paragraphs (1) and (2) of section 30104(a) of this title, the number of investigations and actions in which such agents were engaged, the type of each action, the resolution of each action, and any penalties imposed in each action.

(3) With respect to the training program authorized under section 30104(a)(4) of this title, the number of agents of the Federal Bureau of Investigation participating in such program, the elements of the training program, and the subject matters covered by the program.

(4) With respect to the organized crime plan authorized under section 30104(b) of this title, the number of organized crime investigations and prosecutions resulting from such plan.

(5) With respect to the authorizations under section 30105 of this title—

(A) the number of law enforcement officers hired and the number trained;

(B) the number and type of investigations and prosecutions resulting from the hiring and training of such law enforcement officers;

(C) the defendants involved in any such prosecutions;

(D) any penalties imposed in each such successful prosecution;

(E) the advanced tools of forensic science procured to investigate, prosecute, and study computer hacking or intellectual property crimes; and

(F) the number and type of investigations and prosecutions in such tools were used.

(6) Any other information that the Attorney General may consider relevant to inform Congress on the effective use of the resources authorized under sections 30103, 30104, and 30105 of this title.

(7) A summary of the efforts, activities, and resources the Department of Justice has allocated to the enforcement, investigation, and prosecution of intellectual property crimes, including—

(A) a review of the policies and efforts of the Department of Justice related to the prevention and investigation of intellectual property crimes, including efforts at the Office of Justice Programs, the Criminal Division of the Department of Justice, the Executive Office of United States Attorneys, the Office of the Attorney General, the Office of the Deputy Attorney General, the Office of Legal Policy, and any other agency or bureau of the Department of Justice whose activities relate to intellectual property;

(B) a summary of the overall successes and failures of such policies and efforts;

(C) a review of the investigative and prosecution activity of the Department of Justice with respect to intellectual property crimes, including—

(i) the number of investigations initiated related to such crimes;

(ii) the number of arrests related to such crimes; and

(iii) the number of prosecutions for such crimes, including—

(I) the number of defendants involved in such prosecutions;

(II) whether the prosecution resulted in a conviction; and

(III) the sentence and the statutory maximum for such crime, as well as the average sentence imposed for such crime; and

(D) a Department-wide assessment of the staff, financial resources, and other resources (such as time, technology, and training) devoted to the enforcement, investigation, and prosecution of intellectual property crimes, including the number of investigators, prosecutors, and forensic specialists dedicated to investigating and prosecuting intellectual property crimes.

(8) A summary of the efforts, activities, and resources that the Department of Justice has taken to—

(A) minimize duplicating the efforts, materials, facilities, and procedures of any other Federal agency responsible for the enforcement, investigation, or prosecution of intellectual property crimes; and

(B) enhance the efficiency and consistency with which Federal funds and resources are expended to enforce, investigate, or prosecute intellectual property crimes, including the extent to which the Department has utilized existing personnel, materials, technologies, and facilities.

(b) Initial report of the Attorney General

The first report required to be submitted by the Attorney General under subsection (a) shall
