

tion 1006 of title 37, United States Code, shall be recorded as obligations only in the fiscal year in which such payments are earned.”

§ 1007. Deductions from pay

(a) The pay of an officer of an armed force may be withheld, under section 5512 of title 5, only for an indebtedness to the United States admitted by the officer or shown by the judgment of a court, or upon a special order issued in the discretion of the Secretary of Defense (or the Secretary of Homeland Security, in the case of an officer of the Coast Guard when the Coast Guard is not operating as a service in the Navy), or upon the denial of relief of an officer pursuant to section 3527 of title 31.

(b) An amount due to the United States from an enlisted member of the Army or the Air Force for articles sold to him on credit under section 4621(a)(1) or 9621(a)(1) of title 10, as the case may be, shall be deducted from the next pay due him after the sale is reported.

(c)(1) Under regulations prescribed by the Secretary concerned, an amount that a member of the uniformed services is administratively determined to owe the United States or any of its instrumentalities may be deducted from the member's pay in monthly installments.

(2) After the deduction of pay forfeited by the sentence of a court-martial, if any, or otherwise authorized by law to be withheld, the deductions authorized by this section may not reduce the pay actually received by a member of the uniformed services for any month to less than one-third of the member's pay for that month.

(3)(A) If the indebtedness of a member of the uniformed services to the United States is due to the overpayment of pay or allowances to the member through no fault of the member, the amount of the overpayment shall be recovered in monthly installments. The amount deducted from the pay of the member for a month to recover the overpayment amount may not exceed 15 percent of the member's pay for that month unless the member requests or consents to collection of the overpayment at an accelerated rate.

(B) In all cases described in subparagraph (A), the Secretary concerned shall provide a reasonable opportunity for the member to request a delay in the imposition of the repayment requirement to recover the indebtedness. Before beginning collection efforts, the Secretary concerned shall consider the reasons provided by the member for the requested delay, including the financial ability of the member to repay the indebtedness, and the hardship that immediate collection would impose on the member and the member's dependents.

(C)(i) In accordance with clause (ii), if the indebtedness of a member of the uniformed services to the United States occurs, through no fault of the member, as a result of the overpayment of pay or allowances to the member or upon the settlement of the member's accounts, the Secretary concerned may not recover the indebtedness from the member, including a retired or former member, using deductions from the pay of the member, deductions from retired or separation pay, or any other collection method

unless recovery of the indebtedness commences before the end of the 10-year period beginning on the date on which the indebtedness was incurred.

(ii) Clause (i) applies with respect to indebtedness incurred on or after the date of the enactment of the National Defense Authorization Act for Fiscal Year 2017.

(D)(i) Not later than January 1 of each of 2017 through 2027, the Director of the Defense Finance and Accounting Service shall review all cases occurring during the 10-year period prior to the date of the review of indebtedness of a member of the uniformed services, including a retired or former member, to the United States in which—

(I) the recovery of the indebtedness commenced after the end of the 10-year period beginning on the date on which the indebtedness was incurred; or

(II) the Director did not otherwise notify the member of such indebtedness during such 10-year period.

(ii) The Director shall submit to the congressional defense committees and the Committees on Veterans' Affairs of the House of Representatives and the Senate each review conducted under clause (i), including the amounts owed to the United States by the members included in such review.

(4)(A) If a member of the uniformed services, through no fault of the member, incurs a wound, injury, or illness while in the line of duty in a combat operation or combat zone designated by the President or the Secretary of Defense, any overpayment of pay or allowances made to the member while the member recovers from the wound, injury, or illness may not be deducted from the member's pay until—

(i) the member is notified of the overpayment; and

(ii) the later of the following occurs:

(I) The end of the 180-day period beginning on the date of the completion of the tour of duty of the member in the combat operation or combat zone.

(II) The end of the 90-day period beginning on the date of the reassignment of the member from a military treatment facility or other medical unit outside of the theater of operations.

(B) Subparagraph (A) shall not apply if the member, after receiving notification of the overpayment, requests or consents to initiation at an earlier date of the collection of the overpayment of the pay or allowances.

(d) Subject to subsection (c), an amount due the United States from an enlisted member of the Army or the Air Force may be deducted from his pay on final statement, or from his savings on his clothing allowance.

(e) The amount of any damage, or cost of repairs, to arms or equipment caused by the abuse or negligence of a member of the Army, Navy, Air Force, or Marine Corps, as the case may be, who had the care of, or was using, the property when it was damaged, shall be deducted from his pay.

(f) If, upon final settlement of the accounts of an officer of the Army or the Air Force charged

with the issue of an article of military supply, there is a deficiency of that article, or if an article of military supply with whose issue an officer is charged is damaged, the value of the lost article or the amount of the damage shall be charged against the officer and deducted from his monthly pay, unless he shows to the satisfaction of the Secretary of the Army or the Secretary of the Air Force, as the case may be, by one or more affidavits setting forth the circumstances, that he was not at fault.

(g) An amount due the United States from an officer of the Army or the Air Force for rations bought on credit, and for articles bought on credit under section 4621(a)(1) or 9621(a)(1) of title 10, shall be deducted from the next pay due that officer after the sale is reported.

(h)(1) Upon request by a service relief society and subject to paragraph (2), an amount owed by a member of the uniformed services to the relief society may be deducted from the pay on final statement of such member and paid to that relief society.

(2) An amount may not be deducted under paragraph (1) from the pay of a member unless the Secretary concerned makes a determination of the amount owed in accordance with the regulations prescribed under subsection (c). Any amount determined to be owed to a service relief society under this paragraph shall be considered an amount that the member is administratively determined to owe the United States under subsection (c) and shall be collectible in accordance with such subsection.

(3) The Secretaries concerned shall prescribe regulations to carry out this subsection.

(4) In this subsection, the term “service relief society” means the Army Emergency Relief, the Air Force Aid Society, the Navy Relief Society, or the Coast Guard Mutual Assistance.

(i)(1) There shall be deducted each month from the pay of each enlisted member, warrant officer, and limited duty officer of the armed forces on active duty an amount (determined under paragraph (3)) not to exceed \$1.00.

(2) Amounts deducted under paragraph (1) shall be deposited in the Armed Forces Retirement Home Trust Fund.

(3) The Secretary of Defense or, in the case of the Coast Guard, the Commandant, after consultation with the Armed Forces Retirement Home Board, shall determine from time to time the amount to be deducted under paragraph (1) from the pay of enlisted members, warrant officers, and limited duty officers on the basis of the financial needs of the Armed Forces Retirement Home. The amount to be deducted may be fixed at different amounts on the basis of grade or length of service, or both.

(4) This subsection does not apply to an enlisted member, warrant officer, or limited duty officer of a reserve component.

§ 1009. Adjustments of monthly basic pay

(a) REQUIREMENT FOR ANNUAL ADJUSTMENT.—Effective on January 1 of each year, the rates of basic pay for members of the uniformed services under section 203(a) of this title shall be increased under this section.

(b) EFFECTIVENESS OF ADJUSTMENT.—An adjustment under this section shall have the force and effect of law.

(c) EQUAL PERCENTAGE INCREASE FOR ALL MEMBERS.—(1) An adjustment made under this section in a year shall provide all eligible members with an increase in the monthly basic pay that is the percentage (rounded to the nearest one-tenth of one percent) by which the ECI for the base quarter of the year before the preceding year exceeds the ECI for the base quarter of the

second year before the preceding calendar year (if at all).

(2) Notwithstanding paragraph (1), but subject to subsection (d), the percentage of the adjustment taking effect under this section during each of fiscal years 2004, 2005, and 2006, shall be one-half of one percentage point higher than the percentage that would otherwise be applicable under such paragraph.

(3) In this subsection:

(A) The term “ECI” means the Employment Cost Index (wages and salaries, private industry workers) published quarterly by the Bureau of Labor Statistics.

(B) The term “base quarter” for any year is the three-month period ending on September 30 of such year.

(d) PROTECTION OF MEMBER’S TOTAL COMPENSATION WHILE PERFORMING CERTAIN DUTY.—(1) The total daily equivalent amount of the elements of compensation described in paragraph (3), together with other pay and allowances under this title, to be paid to a member of the uniformed services who is temporarily assigned to duty away from the member’s permanent duty station or to duty under field conditions at the member’s permanent duty station shall not be less, for any day during the assignment period, than the total amount, for the day immediately preceding the date of the assignment, of the elements of compensation and other pay and allowances of the member.

(2) Paragraph (1) shall not apply with respect to an element of compensation or other pay or allowance of a member during an assignment described in such paragraph to the extent that the element of compensation or other pay or allowance is reduced or terminated due to circumstances unrelated to the assignment.

(3) The elements of compensation referred to in this subsection mean—

(A) the monthly basic pay authorized members of the uniformed services by section 203(a) of this title;

(B) the basic allowance for subsistence authorized members of the uniformed services by section 402 of this title; and

(C) the basic allowance for housing authorized members of the uniformed services by section 403 of this title.

(e) PRESIDENTIAL DETERMINATION OF NEED FOR ALTERNATIVE PAY ADJUSTMENT.—(1) If, because of national emergency or serious economic conditions affecting the general welfare, the President considers the pay adjustment which would otherwise be required by this section in any year to be inappropriate, the President shall prepare and transmit to Congress before September 1 of the preceding year a plan for such alternative pay adjustments as the President considers appropriate, together with the reasons therefor.

(2) In evaluating an economic condition affecting the general welfare under this subsection, the President shall consider pertinent economic measures including the Indexes of Leading Economic Indicators, the Gross Domestic Product, the unemployment rate, the budget deficit, the Consumer Price Index, the Producer Price Index, the Employment Cost Index, and the Implicit
