L. 95-452, set out in the Appendix to Title 5, and renumbering another section 8G of the Inspector General Act of 1978 as 8H].

“(2) POSTAL INSPECTION SERVICE.—The Chief Postal Inspector shall, with respect to the Postal Inspection Service, prepare a strategic plan similar in content to that required under paragraph (1)(A) with respect to the Office of Inspector General of the United States Postal Service. Such plan shall be prepared in time to be included with the annual budget under section 2009 of such title 39 next due to be submitted after the end of the 30-day period beginning on the date of the enactment of this Act [Sept. 30, 1996].”

§ 2803. Performance plans

(a) The Postal Service shall prepare an annual performance plan covering each program activity set forth in the Postal Service budget, which shall be included in the comprehensive statement presented under section 2401(e) of this title. Such plan shall—

(1) establish performance goals to define the level of performance to be achieved by a program activity;

(2) express such goals in an objective, quantifiable, and measurable form unless an alternative form is used under subsection (b);

(3) briefly describe the operational processes, skills and technology, and the human, capital, information, or other resources required to meet the performance goals;

(4) establish performance indicators to be used in measuring or assessing the relevant outputs, service levels, and outcomes of each program activity;

(5) provide a basis for comparing actual program results with the established performance goals; and

(6) describe the means to be used to verify and validate measured values.

(b) If the Postal Service determines that it is not feasible to express the performance goals for a particular program activity in an objective, quantifiable, and measurable form, the Postal Service may use an alternative form. Such alternative form shall—

(1) include separate descriptive statements of—

- (A) a minimally effective program, and
- (B) a successful program,

with sufficient precision and in such terms that would allow for an accurate, independent determination of whether the program activity's performance meets the criteria of either description; or

(2) state why it is infeasible or impractical to express a performance goal in any form for the program activity.

(c) In preparing a comprehensive and informative plan under this section, the Postal Service may aggregate, disaggregate, or consolidate program activities, except that any aggregation or consolidation may not omit or minimize the significance of any program activity constituting a major function or operation.

(d) The Postal Service may prepare a non-public annex to its plan covering program activities or parts of program activities relating to—

(1) the avoidance of interference with criminal prosecution; or

(2) matters otherwise exempt from public disclosure under section 410(c) of this title.

(Added Pub. L. 103-62, §7, Aug. 3, 1993, 107 Stat. 293; amended Pub. L. 109-435, title X, §1010(d)(2), Dec. 20, 2006, 120 Stat. 3261.)

AMENDMENTS

2006—Subsec. (a). Pub. L. 109-435 substituted “section 2401(e)” for “section 2401(g)” in introductory provisions.

§ 2804. Program performance reports

(a) The Postal Service shall prepare a report on program performance for each fiscal year, which shall be included in the annual comprehensive statement presented under section 2401(e) of this title.

(b)(1) The program performance report shall set forth the performance indicators established in the Postal Service performance plan, along with the actual program performance achieved compared with the performance goals expressed in the plan for that fiscal year.

(2) If performance goals are specified by descriptive statements of a minimally effective program activity and a successful program activity, the results of such program shall be described in relationship to those categories, including whether the performance failed to meet the criteria of either category.

(c) The report for fiscal year 2000 shall include actual results for the preceding fiscal year, the report for fiscal year 2001 shall include actual results for the two preceding fiscal years, and the report for fiscal year 2002 and all subsequent reports shall include actual results for the three preceding fiscal years.

(d) Each report shall—

(1) review the success of achieving the performance goals of the fiscal year;

(2) evaluate the performance plan for the current fiscal year relative to the performance achieved towards the performance goals in the fiscal year covered by the report;

(3) explain and describe, where a performance goal has not been met (including when a program activity's performance is determined not to have met the criteria of a successful program activity under section 2803(b)(2))—

(A) why the goal was not met;

(B) those plans and schedules for achieving the established performance goal; and

(C) if the performance goal is impractical or infeasible, why that is the case and what action is recommended; and

(4) include the summary findings of those program evaluations completed during the fiscal year covered by the report.

(Added Pub. L. 103-62, §7, Aug. 3, 1993, 107 Stat. 294; amended Pub. L. 109-435, title X, §1010(d)(2), Dec. 20, 2006, 120 Stat. 3261.)

2006—Subsec. (a). Pub. L. 109-435 substituted “section 2401(e)” for “section 2401(g)”.

§ 2805. Inherently Governmental functions

The functions and activities of this chapter shall be considered to be inherently Governmental functions. The drafting of strategic plans, performance plans, and program performance reports under this section shall be performed only by employees of the Postal Service. (Added Pub.
