

(A) data collected through public and private sources; and

(B) data collected by the Bureau of the Census, through the Current Population Survey, or by the Bureau of Labor Statistics, in accordance with paragraph (2).

(4) Demographic characteristics

The partnership shall seek to obtain data for the Civic Health Assessment that will permit the partnership to analyze the data by age group, race and ethnicity, education level, and other demographic characteristics of the individuals involved.

(5) Other issues

In obtaining data for the Civic Health Assessment, the partnership may also obtain such information as may be necessary to analyze—

(A) the role of Internet technology in strengthening and inhibiting civic activities;

(B) the role of specific programs in strengthening civic activities;

(C) the civic attitudes and activities of new citizens and immigrants; and

(D) other areas related to civic activities.

(e) Reporting of data

(1) In general

The partnership shall, not less often than once each year, prepare a report containing—

(A) detailed data obtained under subsection (d), including data on the indicators comprising the Civic Health Assessment; and

(B) the analyses described in paragraphs (4) and (5) of subsection (d), to the extent practicable based on the data the partnership is able to obtain.

(2) Aggregation and presentation

The partnership shall, to the extent practicable, aggregate the data on the civic health indicators comprising the Civic Health Assessment by community, by State, and nationally. The report described in paragraph (1) shall present the aggregated data in a form that enables communities and States to assess their civic health, as measured on each of the indicators comprising the Civic Health Assessment, and compare those measures with comparable measures of other communities and States.

(3) Submission

The partnership shall submit the report to the authorizing committees, and make the report available to the general public on the Corporation's website.

(f) Public input

The partnership shall—

(1) identify opportunities for public dialogue and input on the Civic Health Assessment; and

(2) hold conferences and forums to discuss the implications of the data and analyses reported under subsection (e).

(g) Volunteering research and evaluation

(1) Research

The partnership shall provide for baseline research and tracking of domestic and inter-

national volunteering, and baseline research and tracking related to relevant data on the indicators described in subsection (d). In providing for the research and tracking under this subsection, the partnership shall consider data from the Supplements to the Current Populations Surveys conducted by the Bureau of the Census for the Bureau of Labor Statistics, and data from other public and private sources, including other data collected by the Bureau of the Census and the Bureau of Labor Statistics.

(2) Impact research and evaluation

The partnership shall sponsor an independent evaluation of the impact of domestic and international volunteering, including an assessment of best practices for such volunteering, and methods of improving such volunteering through enhanced collaboration among—

(A) entities that recruit, manage, support, and utilize volunteers;

(B) institutions of higher education; and

(C) research institutions.

(h) Database prohibition

Nothing in this chapter shall be construed to authorize the development, implementation, or maintenance of a Federal database of personally identifiable information on individuals participating in data collection for sources of information under this section.
