

§ 1962d-5c. Non-Federal public bodies, installation construction payments

(a) Annual installments during period of construction in absence of other provision for extended repayment

In connection with any water resource development project, heretofore, herein, or hereafter authorized to be undertaken by the Secretary of the Army, the construction of which has not been initiated as of March 7, 1974, where authorization requires that non-Federal public bodies make an agreed-upon cash contribution as part of their reimbursement to the Federal Government for construction costs, or a specific portion of the construction costs, and where there exists no other provision of law which would permit extended repayment for the construction costs or such specific portion of the construction costs involved, such non-Federal public bodies may make such repayment in annual installments during the period of construction.

(b) Cost sharing; modification

Upon the request of affected non-Federal public bodies, the Secretary of the Army is authorized to modify existing cost sharing agreements in order to effectuate the provisions of subsection (a) of this section.

(Pub. L. 93-251, title I, § 40, Mar. 7, 1974, 88 Stat. 23.)

CODIFICATION

Section was enacted as part of the Water Resources Development Act of 1974, and not as part of the Water Resources Planning Act which comprises this chapter.

§ 1962d-5d. Authorization of Secretary of the Army to contract with States and political subdivisions for increased law enforcement services during peak visitation periods; authorization of appropriations

(a) The Secretary of the Army, acting through the Chief of Engineers, is authorized to contract with States and their political subdivisions for the purpose of obtaining increased law enforcement services at water resources development projects under the jurisdiction of the Secretary of the Army to meet needs during peak visitation periods.

(b) There is authorized to be appropriated \$10,000,000 per fiscal year for each fiscal year beginning after September 30, 1986, to carry out this section.

(Pub. L. 94-587, § 120, Oct. 22, 1976, 90 Stat. 2924; Pub. L. 99-662, title IX, § 920, Nov. 17, 1986, 100 Stat. 4193.)

CODIFICATION

Section was enacted as part of the Water Resources Development Act of 1976, and not as part of the Water Resources Planning Act which comprises this chapter.

AMENDMENTS

1986—Subsec. (b). Pub. L. 99-662 amended subsec. (b) generally, substituting “\$10,000,000 per fiscal year for each fiscal year beginning after September 30, 1986” for “\$6,000,000 per fiscal year for the fiscal years ending September 30, 1978, and September 30, 1979”.

§ 1962d-5e. Wetland areas

(a) Authorization of Secretary of the Army to plan and establish wetland areas; criteria for establishment

The Secretary of the Army, acting through the Chief of Engineers, is authorized to plan and establish wetland areas as part of an authorized water resources development project under his jurisdiction. Establishment of any wetland area in connection with the dredging required for such a water resources development project may be undertaken in any case where the Chief of Engineers in his judgment finds that—

(1) environmental, economic, and social benefits of the wetland area justifies the increased cost thereof above the cost required for alternative methods of disposing of dredged material for such project; and

(2) the increased cost of such wetland area will not exceed \$400,000; and

(3) there is reasonable evidence that the wetland area to be established will not be substantially altered or destroyed by natural or man-made causes.

(b) Reports to Congress

Whenever the Secretary of the Army, acting through the Chief of Engineers, submits to Congress a report on a water resources development project after October 22, 1976, such report shall include, where appropriate, consideration of the establishment of wetland areas.

(c) Cost

In the computation of benefits and cost of any water resources development project the benefits of establishing of any wetland area shall be deemed to be at least equal to the cost of establishing such area. All costs of establishing a wetland area shall be borne by the United States.

(Pub. L. 94-587, § 150, Oct. 22, 1976, 90 Stat. 2931.)

CODIFICATION

Section was enacted as part of the Water Resources Development Act of 1976, and not as part of the Water Resources Planning Act which comprises this chapter.

§ 1962d-5f. Beach nourishment

(a) In general

The Secretary of the Army, acting through the Chief of Engineers, is authorized to provide periodic beach nourishment in the case of each water resources development project where such nourishment has been authorized for a limited period for such additional period as he determines necessary but in no event shall such additional period extend beyond the fiftieth year which begins after the date of initiation of construction of such project.

(b) Review

(1) In general

Notwithstanding subsection (a), the Secretary shall, at the request of the non-Federal interest, carry out a study to determine the feasibility of extending the period of nourishment described in subsection (a) for a period not to exceed 15 additional years beyond the maximum period described in subsection (a).
