Each relocation assistance advisory program required by subsection (b) of this section shall include such measures, facilities, or services as may be necessary or appropriate in order to—

If such agreement cannot be reached, then the head of

the lead agency shall designate one of such agencies as the agency whose procedures shall be utilized to implement this subchapter with respect to such activities. Such related activities shall constitute a single program or project for purposes of this chapter.

(f) Tenants occupying property acquired for programs or projects; eligibility for advisory services
