

Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the Environmental Protection Agency, employee organizations in the building and construction trades industry, landlords, tenants, primary lending institutions, private mortgage insurers, single-family and multifamily real estate interests, nonprofit housing developers, property liability insurers, public housing agencies, low-income housing advocacy organizations, national, State and local lead-poisoning prevention advocates and experts, and community-based organizations located in areas with substantial rental housing.

(c) Responsibilities

The task force shall make recommendations to the Secretary and the Administrator of the Environmental Protection Agency concerning—

- (1) incorporating the need to finance lead-based paint hazard reduction into underwriting standards;
- (2) developing new loan products and procedures for financing lead-based paint hazard evaluation and reduction activities;
- (3) adjusting appraisal guidelines to address lead safety;
- (4) incorporating risk assessments or inspections for lead-based paint as a routine procedure in the origination of new residential mortgages;
- (5) revising guidelines, regulations, and educational pamphlets issued by the Department of Housing and Urban Development and other Federal agencies relating to lead-based paint poisoning prevention;
- (6) reducing the current uncertainties of liability related to lead-based paint in rental housing by clarifying standards of care for landlords and lenders, and by exploring the “safe harbor” concept;
- (7) increasing the availability of liability insurance for owners of rental housing and certified contractors and establishing alternative systems to compensate victims of lead-based paint poisoning; and
- (8) evaluating the utility and appropriateness of requiring risk assessments or inspections and notification to prospective lessees of rental housing.

(d) Compensation

The members of the task force shall not receive Federal compensation for their participation.

§ 4852d. Disclosure of information concerning lead upon transfer of residential property

(a) Lead disclosure in purchase and sale or lease of target housing

(1) Lead-based paint hazards

Not later than 2 years after October 28, 1992, the Secretary and the Administrator of the Environmental Protection Agency shall promulgate regulations under this section for the disclosure of lead-based paint hazards in target housing which is offered for sale or lease. The regulations shall require that, before the purchaser or lessee is obligated under any contract to purchase or lease the housing, the seller or lessor shall—

(A) provide the purchaser or lessee with a lead hazard information pamphlet, as prescribed by the Administrator of the Environmental Protection Agency under section 406 of the Toxic Substances Control Act [15 U.S.C. 2686];

(B) disclose to the purchaser or lessee the presence of any known lead-based paint, or any known lead-based paint hazards, in such housing and provide to the purchaser or lessee any lead hazard evaluation report available to the seller or lessor; and

(C) permit the purchaser a 10-day period (unless the parties mutually agree upon a different period of time) to conduct a risk assessment or inspection for the presence of lead-based paint hazards.

(2) Contract for purchase and sale

Regulations promulgated under this section shall provide that every contract for the pur-
