

**(2) Effective date**

Paragraph (1) shall take effect 3 years after October 23, 2018.

**(3) Limitation**

Paragraph (1) shall take effect unless the Administrator determines that there is not sufficient laboratory capacity to accommodate the analysis necessary to carry out monitoring required under such paragraph.

**(4) Limitation on enforcement**

The Administrator may not enforce a requirement to monitor pursuant to paragraph (1) with respect to any public water system serving fewer than 3,300 persons, including by subjecting such a public water system to any civil penalty.

**(5) Authorization of appropriations**

There are authorized to be appropriated \$15,000,000 in each fiscal year for which monitoring is required to be carried out under this subsection for the Administrator to pay the reasonable cost of such testing and laboratory analysis as are necessary to carry out monitoring required under this subsection.

## AMENDMENTS

2018—Subsec. (a)(2)(H). Pub. L. 115-270, §2021(b), substituted “2019 through 2021” for “1997 through 2003”.

Subsec. (g)(7)(C), (D). Pub. L. 115-270, §2021(c), added subpar. (C) and redesignated former subpar. (C) as (D).

Subsec. (j). Pub. L. 115-270, §2021(a), added subsec. (j).

1996—Subsec. (a)(1). Pub. L. 104-182, §125(a), amended par. (1) generally. Prior to amendment, par. (1) read as follows: “Every person who is a supplier of water, who is or may be otherwise subject to a primary drinking water regulation prescribed under section 300g-1 of this title or to an applicable underground injection control program (as defined in section 300h-1(c) of this title), who is or may be subject to the permit requirement of section 300h-3 of this title, or to an order issued under section 300j of this title, or who is a grantee, shall establish and maintain such records, make such reports, conduct such monitoring, and provide such information as the Administrator may reasonably require by regulation to assist him in establishing regulations under this subchapter, in determining whether such person has acted or is acting in compliance with this subchapter in administering any program of financial assistance under this subchapter, in evaluating the health risks of unregulated contaminants, or in advising the public of such risks. In requiring a public water system to monitor under this subsection, the Administrator may take into consideration the system size and the contaminants likely to be found in the system’s drinking water.”

Subsec. (a)(2) to (8). Pub. L. 104-182, §125(c), added heading and text of par. (2) and struck out former pars. (2) to (8) which directed Administrator, not later than 18 months after June 19, 1986, to promulgate regulations requiring every public water system to conduct a monitoring program for unregulated contaminants, specified contents of regulations, provided for reporting

and notification of availability of results of monitoring, waiver of monitoring requirements, and compliance by small systems, and authorized appropriations for fiscal year ending Sept. 30, 1987.

Subsec. (g). Pub. L. 104-182, §126, added subsec. (g).

Subsec. (h). Pub. L. 104-182, §111(b), added subsec. (h).

Subsec. (i). Pub. L. 104-182, §125(d), added subsec. (i).

1988—Subsec. (f). Pub. L. 100-572 added subsec. (f).

1986—Subsec. (a)(1). Pub. L. 99-339, §106(a), (b), designated existing provisions as par. (1) and inserted provisions permitting Administrator to consider size of system and contaminants likely to be found.

Subsec. (a)(2) to (7). Pub. L. 99-339, §106(b), added pars. (2) to (7).

Subsec. (a)(8). Pub. L. 99-339, §301(h), added par. (8).

Subsec. (c). Pub. L. 99-339, §106(c), substituted “shall be subject to a civil penalty of not to exceed \$25,000” for “may be fined not more than \$5,000”.

1977—Subsec. (a). Pub. L. 95-190, §12(c), inserted provisions relating to evaluating and advising of health risks of unregulated contaminants.

Subsec. (b)(1). Pub. L. 95-190, §12(d), designated existing provisions as cls. (A) and (B) and added cl. (C) and reference to such cls. (A) to (C).

**§ 300j-5. National Drinking Water Advisory Council****(a) Establishment; membership; representation of interests; term of office, vacancies; reappointment**

There is established a National Drinking Water Advisory Council which shall consist of fifteen members appointed by the Administrator after consultation with the Secretary. Five members shall be appointed from the general public; five members shall be appointed from appropriate State and local agencies concerned with water hygiene and public water supply; and five members shall be appointed from representatives of private organizations or groups demonstrating an active interest in the field of water hygiene and public water supply, of which two such members shall be associated with small, rural public water systems. Each member of the Council shall hold office for a term of three years, except that—

(1) any member appointed to fill a vacancy occurring prior to the expiration of the term for which his predecessor was appointed shall be appointed for the remainder of such term; and

(2) the terms of the members first taking office shall expire as follows: Five shall expire three years after December 16, 1974, five shall expire two years after such date, and five shall expire one year after such date, as designated by the Administrator at the time of appointment.

The members of the Council shall be eligible for reappointment.

**(b) Functions**

The Council shall advise, consult with, and make recommendations to, the Administrator on matters relating to activities, functions, and policies of the Agency under this subchapter.

**(c) Compensation and allowances; travel expenses**

Members of the Council appointed under this section shall, while attending meetings or conferences of the Council or otherwise engaged in business of the Council, receive compensation

and allowances at a rate to be fixed by the Administrator, but not exceeding the daily equivalent of the annual rate of basic pay in effect for grade GS-18 of the General Schedule for each day (including traveltime) during which they are engaged in the actual performance of duties vested in the Council. While away from their homes or regular places of business in the performance of services for the Council, members of the Council shall be allowed travel expenses, including per diem in lieu of subsistence, in the same manner as persons employed intermittently in the Government service are allowed expenses under section 5703(b)<sup>1</sup> of title 5.

**(d) Advisory committee termination provision inapplicable**

Section 14(a) of the Federal Advisory Committee Act (relating to termination) shall not apply to the Council.

(July 1, 1944, ch. 373, title XIV, §1446, as added Pub. L. 93-523, §2(a), Dec. 16, 1974, 88 Stat. 1688; amended Pub. L. 104-182, title I, §127, Aug. 6, 1996, 110 Stat. 1659.)

REFERENCES IN TEXT

Section 5703 of title 5, referred to in subsec. (c), was amended generally by Pub. L. 94-22, §4, May 19, 1975, 89 Stat. 85, and, as so amended, does not contain a subsec. (b).

Section 14(a) of the Federal Advisory Committee Act, referred to in subsec. (d), is section 14(a) of Pub. L. 92-463, which is set out in the Appendix to Title 5, Government Organization and Employees.

AMENDMENTS

1996—Subsec. (a). Pub. L. 104-182 inserted “, of which two such members shall be associated with small, rural public water systems” before period at end of second sentence.

TERMINATION OF ADVISORY COMMITTEES

Pub. L. 93-641, §6, Jan. 4, 1975, 88 Stat. 2275, set out as a note under section 217a of this title, provided that an advisory committee established pursuant to the Public Health Service Act shall terminate at such time as may be specifically prescribed by an Act of Congress enacted after Jan. 4, 1975.

L. 101-509, set out in a note under section 5376 of Title 5.

**§ 300j-6. Federal agencies**

**(a) In general**

Each department, agency, and instrumentality of the executive, legislative, and judicial branches of the Federal Government—

- (1) owning or operating any facility in a wellhead protection area;
- (2) engaged in any activity at such facility resulting, or which may result, in the contamination of water supplies in any such area;
- (3) owning or operating any public water system; or

(4) engaged in any activity resulting, or which may result in, underground injection which endangers drinking water (within the meaning of section 300h(d)(2) of this title),

shall be subject to, and comply with, all Federal, State, interstate, and local requirements, both substantive and procedural (including any requirement for permits or reporting or any provisions for injunctive relief and such sanctions as may be imposed by a court to enforce such relief), respecting the protection of such wellhead areas, respecting such public water systems, and respecting any underground injection in the same manner and to the same extent as any person is subject to such requirements, including the payment of reasonable service charges. The Federal, State, interstate, and local substantive and procedural requirements referred to in this subsection include, but are not limited to, all administrative orders and all civil and administrative penalties and fines, regardless of whether such penalties or fines are punitive or coercive in nature or are imposed for isolated, intermittent, or continuing violations. The United States hereby expressly waives any immunity otherwise applicable to the United States with respect to any such substantive or procedural requirement (including, but not limited to, any injunctive relief, administrative order or civil or administrative penalty or fine referred to in the preceding sentence, or reasonable service charge). The reasonable service charges referred to in this subsection include, but are not limited to, fees or charges assessed in connection with the processing and issuance of permits, renewal of permits, amendments to permits, review of plans, studies, and other documents, and inspection and monitoring of facilities, as well as any other nondiscriminatory charges that are assessed in connection with a Federal, State, interstate, or local regulatory program respecting the protection of wellhead areas or public water systems or respecting any underground injection. Neither the United States, nor any agent, employee, or officer thereof, shall be immune or exempt from any process or sanction of any State or Federal Court<sup>1</sup> with respect to the enforcement of any such injunctive relief. No agent, employee, or officer of the United States shall be personally liable for any civil penalty under any Federal, State, interstate, or local law concerning the protection of wellhead areas or public water systems or concerning underground injection with respect to any act or omission within the scope of the official duties of the agent, employee, or officer. An agent, employee, or officer of the United States shall be subject to any criminal sanction (including, but not limited to, any fine or imprisonment) under any Federal or State requirement adopted pursuant to this subchapter, but no department, agency, or instrumentality of the executive, legislative, or judicial branch of the Federal Government shall be subject to any such sanction. The President may exempt any facility of any department, agency, or instrumentality in the executive branch from compliance with such a requirement if he determines it to be in the
