(ii) Allocation of surplus through pro rata increase

(2) Shortfall States described**(A) In general**

For purposes of paragraph (1), with respect to a fiscal year, a shortfall State described in this subparagraph is a State with a State child health plan approved under this subchapter for which the Secretary estimates on the basis of the most recent data available to the Secretary, that the projected expenditures under such plan for the State for the fiscal year will exceed the sum of—

(IV) Proration rule

If the amounts available for redistribution under paragraph (1) for a month during the period described in subclause

the State in such preceding fiscal year), but determined as if the last two sentences of section 1397ee(b) of this title were in effect in such preceding fiscal year and then multiplying the result by the allotment increase factor under paragraph (6) for fiscal year 2016.

(iv) Reduction in 2018

For fiscal year 2018, with respect to the allotment of the State for fiscal year 2017, any amounts of such allotment that remain available for expenditure by the State in fiscal year 2018 shall be reduced by one-third.

(3) For fiscal year 2015**(A) First half**

(I) amount described in clause (i); and

(II) the³ amount made available under subsection (a)(18)(B).

(4) For fiscal year 2017

(A) First half

Subject to paragraphs (5) and (7), from the amount made available under subparagraph (A) of paragraph (20) of subsection (a) for the semi-annual period described in such paragraph, increased by the amount of the appropriation for such period under section 301(b)(3) of the Medicare Access and CHIP Reauthorization Act of 2015, the Secretary shall compute a State allotment for each State (including the District of Columbia and each commonwealth and territory) for such semi-annual period in an amount equal to the first half ratio (described in subparagraph (D)) of the amount described in subparagraph (C).

(B) Second half

Subject to paragraphs (5) and (7), from the amount made available under subparagraph (B) of paragraph (20) of subsection (a) for the semi-annual period described in such paragraph, the Secretary shall compute a State allotment for each State (including the District of Columbia and each commonwealth and territory) for such semi-annual period in an amount equal to the amount made available under such subparagraph, multiplied by the ratio of—

(ii) the sum of the³—

(I) amount described in clause (i); and

(5) Proration rule

If, after the application of this subsection without regard to this paragraph, the sum of the allotments determined under paragraph (1), (2), (3), (4), (10), or (11) for a fiscal year (or, in the case of fiscal year 2015, 2017, 2023, or 2027, for a semi-annual period in such fiscal year) exceeds the amount available under subsection (a) for such fiscal year or period, the Secretary shall reduce each allotment for any State under such paragraph for such fiscal year or period on a proportional basis.

(6) Allotment increase factor

The allotment increase factor under this paragraph for a fiscal year is equal to the product of the following:

(A) Per capita health care growth factor

1 plus the percentage increase in the projected per capita amount of National Health Expenditures from the calendar year in which the previous fiscal year ends to the calendar year in which the fiscal year involved ends, as most recently published by the Secretary before the beginning of the fiscal year.

(B) Child population growth factor

1 plus the percentage increase (if any) in the population of children in the State from July 1 in the previous fiscal year to July 1 in the fiscal year involved, as determined by the Secretary based on the most recent published estimates of the Bureau of the Census before the beginning of the fiscal year involved, plus 1 percentage point.

In the case of one of the 50 States or the District of Columbia that—

(A) has submitted to the Secretary, and has approved by the Secretary, a State plan amendment or waiver request relating to an expansion of eligibility for children or benefits under this subchapter that becomes effective for a fiscal year (beginning with fiscal year 2010 and ending with fiscal year 2027);⁶ and

(B) has submitted to the Secretary, before the August 31 preceding the beginning of the fiscal year (or, in the case of fiscal year 2018, by not later than the date that is 60 days after January 22, 2018), a request for an expansion allotment adjustment under this paragraph for such fiscal year that specifies—

(i) the additional expenditures that are attributable to the eligibility or benefit expansion provided under the amendment or waiver described in subparagraph (A), as certified by the State and submitted to the Secretary by not later than August 31 preceding the beginning of the fiscal year; and

(ii) the extent to which such additional expenditures are projected to exceed the allotment of the State or District for the year,

⁶ So in original. Probably should be "2027";.

subject to paragraph (5), the amount of the allotment of the State or District under this subsection for such fiscal year shall be increased by the excess amount described in subparagraph (B)(i). A State or District may only obtain an increase under this paragraph for an allotment for fiscal year 2010, fiscal year 2012, fiscal year 2014, fiscal year 2016, fiscal year 2018, fiscal year 2020, fiscal year 2022, fiscal year 2024, or fiscal year 2026.

(8) Adjustment of fiscal year 2010 allotments to account for changes in projected spending for certain previously approved expansion programs

For purposes of recalculating the fiscal year 2010 allotment, in the case of one of the 50 States or the District of Columbia that has an approved State plan amendment effective January 1, 2006, to provide child health assistance through the provision of benefits under the State plan under subchapter XIX for children from birth through age 5 whose family income does not exceed 200 percent of the poverty line, the Secretary shall increase the allotment by an amount that would be equal to the Federal share of expenditures that would have been claimed at the enhanced FMAP rate rather than the Federal medical assistance percentage matching rate for such population.

(9) Availability of amounts for semi-annual periods in certain fiscal years

Each semi-annual allotment made under paragraph (3), (4), (10), or (11) for a period in fiscal year 2015, 2017, 2023, or 2027, shall remain available for expenditure under this subchapter for periods after the end of such fiscal year in the same manner as if the allotment had been made available for the entire fiscal year.

(D) First half ratio.—

The first half ratio described in this subparagraph is the ratio of—

- (i) the sum of—
 - (I) the amount made available under subsection (a)(26)(A); and
 - (II) the amount of the appropriation for such period under section 3002(b)(2) of the HEALTHY KIDS Act; to

(B) Second half

Subject to paragraphs (5) and (7), from the amount made available under subparagraph (B) of paragraph (28) of subsection (a) for the semi-annual period described in such subparagraph, the Secretary shall compute a State allotment for each State (including the District of Columbia and each commonwealth and territory) for such semi-annual period in an amount equal to the amount made available under such subparagraph, multiplied by the ratio of—

- (ii) the total of the amount of all of the allotments made available under such subparagraph.

(C) Full year amount based on rebased amount

The amount described in this subparagraph for a State is equal to the Federal

payments to the State that are attributable to (and countable towards) the total amount of allotments available under this section to the State in fiscal year 2026 (including payments made to the State under subsection (n) for fiscal year 2026 as well as amounts redistributed to the State in fiscal year 2026), multiplied by the allotment increase factor under paragraph (6) for fiscal year 2027.

(D) First half ratio

The first half ratio described in this subparagraph is the ratio of—

(i) the sum of—

(I) the amount made available under subsection (a)(28)(A); and

(I) the amount described in clause (i); and

(II) the amount made available under subsection (a)(28)(B).

(n) Child Enrollment Contingency Fund

(1) Establishment

There is hereby established in the Treasury of the United States a fund which shall be known as the “Child Enrollment Contingency Fund” (in this subsection referred to as the “Fund”). Amounts in the Fund shall be available without further appropriations for payments under this subsection.

(2) Deposits into Fund

(A) Initial and subsequent appropriations

Subject to subparagraphs (B) and (D), out of any money in the Treasury of the United States not otherwise appropriated, there are appropriated to the Fund—

(i) for fiscal year 2009, an amount equal to 20 percent of the amount made available under paragraph (12) of subsection (a) for the fiscal year; and

(ii) for each of fiscal years 2010 through 2014, 2016, 2018 through 2022, and 2024 through 2026 (and for each of the semi-annual allotment periods for fiscal years 2015, 2017, 2023, and 2027), such sums as are necessary for making payments to eligible States for such fiscal year or period, but not in excess of the aggregate cap described in subparagraph (B).

(B) Aggregate cap

The total amount available for payment from the Fund for each of fiscal years 2010 through 2014, 2016, 2018 through 2022, and 2024 through 2026 (and for each of the semi-annual allotment periods for fiscal years 2015, 2017, 2023, and 2027), taking into account deposits made under subparagraph (C), shall not exceed 20 percent of the amount made available under subsection (a) for the fiscal year or period.

(C) Investment of Fund

The Secretary of the Treasury shall invest, in interest bearing securities of the United States, such currently available portions of

the Fund as are not immediately required for payments from the Fund. The income derived from these investments constitutes a part of the Fund.

(D) Availability of excess funds for performance bonuses

Any amounts in excess of the aggregate cap described in subparagraph (B) for a fiscal year or period shall be made available for purposes of carrying out section 1397ee(a)(3) of this title for any succeeding fiscal year and the Secretary of the Treasury shall reduce the amount in the Fund by the amount so made available.

(3) Child Enrollment Contingency Fund payments

(A) In general

If a State’s expenditures under this subchapter in any of fiscal years 2009 through 2014, fiscal year 2016, fiscal years 2018 through 2022, or fiscal years 2024 through 2026 (or a semi-annual allotment period for fiscal year 2015, 2017, 2023, or 2027), exceed the total amount of allotments available under this section to the State in the fiscal year or period (determined without regard to any redistribution it receives under subsection (f) that is available for expenditure during such fiscal year or period, but including any carryover from a previous fiscal year) and if the average monthly unduplicated number of children enrolled under the State plan under this subchapter (including children receiving health care coverage through funds under this subchapter pursuant to a waiver under section 1315 of this title) during such fiscal year or period exceeds its target average number of such enrollees (as determined under subparagraph (B)) for that fiscal year or period, subject to subparagraph (D), the Secretary shall pay to the State from the Fund an amount equal to the product of—

(i) the amount by which such average monthly caseload exceeds such target number of enrollees; and

(ii) the projected per capita expenditures under the State child health plan (as determined under subparagraph (C) for the fiscal year), multiplied by the enhanced FMAP (as defined in section 1397ee(b) of this title) for the State and fiscal year involved (or in which the period occurs).

(B) Target average number of child enrollees

In this paragraph, the target average number of child enrollees for a State—

(i) for fiscal year 2009 is equal to the monthly average unduplicated number of children enrolled in the State child health plan under this subchapter (including such children receiving health care coverage through funds under this subchapter pursuant to a waiver under section 1315 of this title) during fiscal year 2008 increased by the population growth for children in that State for the year ending on June 30, 2007 (as estimated by the Bureau of the Census) plus 1 percentage point; or

(ii) for a subsequent fiscal year (or semi-annual period occurring in a fiscal year) is

equal to the target average number of child enrollees for the State for the previous fiscal year increased by the child population growth factor described in subsection (m)(6)(B) for the State for the prior fiscal year.

(C) Projected per capita expenditures

For purposes of subparagraph (A)(ii), the projected per capita expenditures under a State child health plan—

(i) for fiscal year 2009 is equal to the average per capita expenditures (including both State and Federal financial participation) under such plan for the targeted low-income children counted in the average monthly caseload for purposes of this paragraph during fiscal year 2008, increased by the annual percentage increase in the projected per capita amount of National Health Expenditures (as estimated by the Secretary) for 2009; or

(ii) for a subsequent fiscal year (or semi-annual period occurring in a fiscal year) is equal to the projected per capita expenditures under such plan for the previous fiscal year (as determined under clause (i) or this clause) increased by the annual percentage increase in the projected per capita amount of National Health Expenditures (as estimated by the Secretary) for the year in which such subsequent fiscal year ends.

(D) Proration rule

If the amounts available for payment from the Fund for a fiscal year or period are less than the total amount of payments determined under subparagraph (A) for the fiscal year or period, the amount to be paid under such subparagraph to each eligible State shall be reduced proportionally.

(E) Timely payment; reconciliation

Payment under this paragraph for a fiscal year or period shall be made before the end of the fiscal year or period based upon the most recent data for expenditures and enrollment and the provisions of subsection (e) of section 1397ee of this title shall apply to payments under this subsection in the same manner as they apply to payments under such section.

(F) Continued reporting

For purposes of this paragraph and subsection (f), the State shall submit to the Secretary the State's projected Federal expenditures, even if the amount of such expenditures exceeds the total amount of allotments available to the State in such fiscal year or period.

(G) Application to commonwealths and territories

No payment shall be made under this paragraph to a commonwealth or territory described in subsection (c)(3) until such time as the Secretary determines that there are in effect methods, satisfactory to the Secretary, for the collection and reporting of reliable data regarding the enrollment of children described in subparagraphs (A) and (B)

in order to accurately determine the commonwealth's or territory's eligibility for, and amount of payment, under this paragraph.
